777 faith, religion, religious belief, or antireligion;

778 (v) The name of the organization may not be the name of a special product or brand name,
779 and may not be construed, as determined by the commissioner, as promoting a product or brand
780 name; and

781 (vi) The organization's lettering, logo, image, or message to be placed on the registration
782 plate, if created, may not be obscene, offensive, or objectionable as determined by the
783 commissioner in his or her sole discretion.

784 (B) Beginning July 1, 2010, an organization requesting the creation and issuance of a
785 special registration plate may make application with the division. The application shall include
786 sufficient information, as determined by the commissioner, to determine whether the special
787 registration plate requested and the organization making the application meet all of the
788 requirements set forth in this subdivision. The application shall also include a proposed design,
789 including lettering, logo, image, or message to be placed on the registration plate. The
790 commissioner shall notify the organization of the commissioner's approval or disapproval of the
791 application.

792 (C)(i) The commissioner may not begin the design or production of any license plates
793 authorized and approved pursuant to this subdivision until the organization which applied for the
794 special registration plate has collected and submitted collectively to the division applications
795 completed by at least 250 persons and collectively deposited with the division all fees necessary
796 to cover the first year's basic registration, one-time design and manufacturing costs, and to cover
797 the first year additional annual fee for all of the applications submitted.

798 (ii) If the organization fails to submit the required number of applications and fees within
799 six months of the effective date of the approval of the application for the plate by the
800 commissioner, the plate will not be produced until a new application is submitted and is approved
801 by the commissioner: *Provided*, That an organization that is unsuccessful in obtaining the
802 minimum number of applications may not make a new application for a special plate until at least
803 two years have passed since the approval of the previous application of the organization.

804 (D) The division shall charge a special initial application fee of \$25 for each special license
805 plate in addition to all other fees required by law. This special fee shall be collected by the division
806 and deposited in the State Road Fund.

807 (E) The division shall charge an annual fee of \$15 for each special registration plate in
808 addition to all other fees required by this chapter.

809 (F) Upon appropriate application, the division may issue a special registration plate
810 designed by the commissioner in consultation with the organization for any number of vehicles
811 titled in the name of a qualified registration plate applicant. Persons desiring the special
812 registration plate shall offer sufficient proof of membership in the organization.

813 (G) The commissioner shall discontinue the issuance or renewal of the registration of any
814 special plate issued pursuant to this subdivision if:

815 (i) The number of valid registrations for the specialty plate falls below 250 plates for at
816 least 12 consecutive months; or

817 (ii) The organization no longer exists or no longer meets the requirements of this
818 subdivision.

819 (d) The minimum number of applications required prior to design and production of a
820 special license plate shall be as follows:

821 (1) The commissioner may not begin the design or production of any license plates for
822 which eligibility is based on membership or affiliation with a particular private organization until at
823 least 100 persons complete an application and deposit with the organization a check to cover the

824 first year's basic registration, one-time design and manufacturing costs, and to cover the first year
825 additional annual fee. If the organization fails to submit the required number of applications with
826 attached checks within six months of the effective date of the original authorizing legislation, the
827 plate will not be produced and will require legislative reauthorization: *Provided*, That an
828 organization or group that is unsuccessful in obtaining the minimum number of applications may
829 not request reconsideration of a special plate until at least two years have passed since the
830 effective date of the original authorization: *Provided, however*, That the provisions of this
831 subdivision are not applicable to the issuance of plates authorized pursuant to §17A-3-14(c)(60)
832 of this code.

833 (2) The commissioner may not begin the design or production of any license plates
834 authorized by this section for which membership or affiliation with a particular organization is not
835 required until at least 250 registrants complete an application and deposit a fee with the division
836 to cover the first year's basic registration fee, one-time design and manufacturing fee, and
837 additional annual fee if applicable. If the commissioner fails to receive the required number of
838 applications within six months of the effective date of the original authorizing legislation, the plate
839 will not be produced and will require legislative reauthorization: *Provided*, That if the minimum
840 number of applications is not satisfied within the six months of the effective date of the original
841 authorizing legislation, a person may not request reconsideration of a special plate until at least
842 two years have passed since the effective date of the original authorization.

843 (e)(1) Nothing in this section requires a charge for a free prisoner of war license plate or
844 a free recipient of the Congressional Medal of Honor license plate for a vehicle titled in the name
845 of the qualified applicant as authorized by other provisions of this code.

846 (2) A surviving spouse may continue to use his or her deceased spouse's prisoner of war
847 license plate or Congressional Medal of Honor license plate until the surviving spouse dies,
848 remarries, or does not renew the license plate.

849 (3) Qualified former prisoners of war and recipients of the Congressional Medal of Honor

850 may obtain a second special registration plate for use on a passenger vehicle titled in the name
851 of the qualified applicant. The division shall charge a one-time fee of \$10 to be deposited into the
852 State Road Fund, in addition to all other fees required by this chapter, for the second special
853 plate.

854 (f) The division may issue special 10-year registration plates as follows:

855 (1) The commissioner may issue or renew for a period of no more than 10 years any
856 registration plate exempted from registration fees pursuant to any provision of this code or any
857 restricted use antique motor vehicle license plate authorized by §17A-10-3a of this code:
858 *Provided*, That the provisions of this subsection do not apply to any person who has had a special
859 registration suspended for failure to maintain motor vehicle liability insurance as required by
860 §17D-2A-3 of this code or failure to pay personal property taxes as required by §17A-3-3a of this
861 code.

862 (2) An initial nonrefundable fee shall be charged for each special registration plate issued
863 pursuant to this subsection, which is the total amount of fees required by §17A-3-3, §17A-10-3a,
864 or §17A-10-15 of this code for the period requested.

865 (g) The provisions of this section may not be construed to exempt any registrant from
866 maintaining motor vehicle liability insurance as required by §17D-2A-3 of this code or from paying
867 personal property taxes on any motor vehicle as required by §17A-3-3a of this code.

868 (h) The commissioner may, in his or her discretion, issue a registration plate of
869 reflectorized material suitable for permanent use on motor vehicles, trailers, and semitrailers,
870 together with appropriate devices to be attached to the registration to indicate the year for which
871 the vehicles have been properly registered or the date of expiration of the registration. The design
872 and expiration of the plates shall be determined by the commissioner. The commissioner shall,
873 whenever possible and cost effective, implement the latest technology in the design, production,
874 and issuance of registration plates, indices of registration renewal and vehicle ownership
875 documents, including, but not limited to, offering Internet renewal of vehicle registration and the

876 use of bar codes for instant identification of vehicles by scanning equipment to promote the
877 efficient and effective coordination and communication of data for improving highway safety,
878 aiding law enforcement, and enhancing revenue collection.

879 (i) Any license plate issued or renewed pursuant to this chapter which is paid for by a
880 check that is returned for nonsufficient funds is void without further notice to the applicant. The
881 applicant may not reinstate the registration until the returned check is paid by the applicant in
882 cash, money order, or certified check and all applicable fees assessed as a result thereof have
883 been paid.

884 (j) The division shall, upon request of a qualifying applicant, exempt one nonexempt
