2021 REGULAR SESSION

Introduced

House Bill 2624

BY DELEGATES SKAFF, BOGGS, AND ROWE

[Introduced February 19, 2021; Referred to the
Committee on Education then Finance]
A BILL to amend and reenact §11B-2-20 of the Code of West Virginia, 1931, as amended, relating to redirecting a percentage of any surplus to state institutions of higher education to restore their state allocation funding levels to adjusted 2013 fiscal year appropriation levels.

Be it enacted by the Legislature of West Virginia:

ARTICLE 2. STATE BUDGET OFFICE.

§11B-2-20. Reduction of appropriations; powers of Governor; Revenue Shortfall Reserve Fund and permissible expenditures therefrom.

(a) Notwithstanding any provision of this section, the Governor may reduce appropriations according to any of the methods set forth in §11B-2-21 and §11B-2-22 of this code. The Governor may, in lieu of imposing a reduction in appropriations, request an appropriation by the Legislature from the Revenue Shortfall Reserve Fund established in this section.

(b) The Revenue Shortfall Reserve Fund is continued within the State Treasury. The Revenue Shortfall Reserve Fund shall be funded continuously and on a revolving basis in accordance with this subsection up to an aggregate amount not to exceed 13 percent of the total appropriations from the State Fund, General Revenue, for the fiscal year just ended. The Revenue Shortfall Reserve Fund shall be funded as set forth in this subsection from surplus revenues, if any, in the State Fund, General Revenue, as the surplus revenues may accrue from time to time.

Within 60 days of the end of each fiscal year, the secretary shall cause to be deposited into the Revenue Shortfall Reserve Fund such amount of the first 50 percent of all surplus revenues, if any, determined to have accrued during the fiscal year just ended, as may be necessary to bring the balance of the Revenue Shortfall Reserve Fund to 13 percent of the total appropriations from the State Fund, General Revenue, for the fiscal year just ended. If at the end of any fiscal year the Revenue Shortfall Reserve Fund is funded at an amount equal to or exceeding 13 percent of the State's General Revenue Fund budget for the fiscal year just ended, then there shall be no further deposit by the secretary under the provisions of this section of any
surplus revenues as set forth in this subsection until that time the Revenue Shortfall Reserve Fund balance is less than 13 percent of the total appropriations from the State Fund, General Revenue: Provided, That to restore state institutions of higher education to the amounts each was funded in the 2013 fiscal year adjusted for inflation and increased costs, beginning with the fiscal year beginning on July 1, 2021, and continuing thereafter, the contribution of 50 percent of revenue into the Revenue Shortfall Reserve Fund shall be reduced by up to $10 million each fiscal year to be proportionately distributed based on a percentage to each existing state institution of higher education that has yet to have funding restored to the amounts paid in the 2013 fiscal year. The director of the Budget Office shall ascertain the 2013 fiscal year funding amount of each state institution of higher education and will adjust each level by two percent per year after the 2013 fiscal year to adjust for inflation and increased costs. Once the funding to any institution is restored to the adjusted 2013 fiscal year amount, the moneys herein provided shall be proportionately distributed to all other remaining institutions that have not then been restored to the adjusted 2013 fiscal year funding amount. After the funding amounts for all state institutions as adjusted for all higher education institutions funding are restored, no further allocations for this purpose shall be taken from the Revenue Shortfall Reserve Fund.

(c) Not earlier than November 1 of each calendar year, if the State's fiscal circumstances are such as to otherwise trigger the authority of the Governor to reduce appropriations under this section or §11B-2-21 and §11B-2-22 of this code, then in that event the Governor may notify the presiding officers of both houses of the Legislature in writing of his or her intention to convene the Legislature pursuant to section nineteen, article VI of the Constitution of West Virginia for the purpose of requesting the introduction of a supplementary appropriation bill or to request a supplementary appropriation bill at the next preceding regular session of the Legislature to draw money from the surplus Revenue Shortfall Reserve Fund to meet any anticipated revenue shortfall. If the Legislature fails to enact a supplementary appropriation from the Revenue Shortfall Reserve Fund during any special legislative session called for the purposes set forth in this section
or during the next preceding regular session of the Legislature, then the Governor may proceed
with a reduction of appropriations pursuant to §11B-2-21 and §11B-2-22 of this code. Should any
amount drawn from the Revenue Shortfall Reserve Fund pursuant to an appropriation made by
the Legislature prove insufficient to address any anticipated shortfall, then the Governor may also
proceed with a reduction of appropriations pursuant to §11B-2-21 and §11B-2-22 of this code.

(d) Upon the creation of the fund, the Legislature is authorized and may make an
appropriation from the Revenue Shortfall Reserve Fund for revenue shortfalls, for emergency
revenue needs caused by acts of God or natural disasters or for other fiscal needs as determined
solely by the Legislature.

(e) Prior to October 31 in any fiscal year in which revenues are inadequate to make timely
payments of the State’s obligations, the Governor may, by executive order, after first notifying the
presiding officers of both houses of the Legislature in writing, borrow funds from the Revenue
Shortfall Reserve Fund: Provided, That for the fiscal year 2014, pursuant to this subsection and
subject to all other conditions, requirements and limitations set forth in this section, the Governor
may borrow funds from the Revenue Shortfall Reserve Fund prior to the first day of April. The
amount of funds borrowed under this subsection shall not exceed one and one-half percent of the
general revenue estimate for the fiscal year in which the funds are to be borrowed, or the amount
the Governor determines is necessary to make timely payment of the state’s obligations,
whichever is less. Any funds borrowed pursuant to this subsection shall be repaid, without
interest, and redeposited to the credit of the Revenue Shortfall Reserve Fund within 90 days of
their withdrawal.

(f) The Revenue Shortfall Reserve Fund – Part B is continued within the State Treasury.
The Revenue Shortfall Reserve Fund – Part B shall consist of moneys transferred from the West
Virginia Tobacco Settlement Medical Trust Fund pursuant to the provisions of §4-11A-2 of this
code, repayments made of the loan from the West Virginia Tobacco Settlement Medical Trust
Fund to the Physician’s Mutual Insurance Company pursuant to the provisions of §33-20F-1 et
of this code and all interest and other return earned on the moneys in the Revenue Shortfall Reserve Fund – Part B. Moneys in the Revenue Shortfall Reserve Fund – Part B may be expended solely for the purposes set forth in subsection (d) of this section, subject to the following conditions:

(1) No moneys in the Revenue Shortfall Reserve Fund – Part B nor any interest or other return earned thereon may be expended for any purpose unless all moneys in the Revenue Shortfall Reserve Fund described in subsection (b) of this section have first been expended, except that the interest or other return earned on moneys in the Revenue Shortfall Reserve Fund – Part B may be expended as provided in subdivision (2) of this subsection;

(2) Notwithstanding any other provision of this section to the contrary, the Legislature may appropriate any interest and other return earned thereon that may accrue on the moneys in the Revenue Shortfall Reserve Fund – Part B after June 30, 2025, for expenditure for the purposes set forth in §4-11A-3 of this code; and

(3) Any appropriation made from Revenue Shortfall Reserve Fund – Part B shall be made only in instances of revenue shortfalls or fiscal emergencies of an extraordinary nature.

(g) Subject to the conditions upon expenditures from the Revenue Shortfall Reserve Fund – Part B prescribed in subsection (f) of this section, in appropriating moneys pursuant to the provisions of this section, the Legislature may in any fiscal year appropriate from the Revenue Shortfall Reserve Fund and the Revenue Shortfall Reserve Fund – Part B a total amount up to, but not exceeding 10 percent of the total appropriations from the State Fund, General Revenue, for the fiscal year just ended.

(h) (1) Of the moneys in the Revenue Shortfall Reserve Fund, $100 million, or such greater amount as may be certified as necessary by the director of the Budget Office for the purposes of subsection (e) of this section, shall be made available to the West Virginia Board of Treasury Investments for management and investment of the moneys in accordance with the provisions of article six-c, chapter twelve of this code. All other moneys in the Revenue Shortfall Reserve Fund
shall be made available to the West Virginia Investment Management Board for management and investment of the moneys in accordance with the provisions of article six, chapter twelve of this code. Any balance of the Revenue Shortfall Reserve Fund, including accrued interest and other return earned thereon at the end of any fiscal year, does not revert to the General Fund but shall remain in the Revenue Shortfall Reserve Fund for the purposes set forth in this section.

(2) All of the moneys in the Revenue Shortfall Reserve Fund – Part B shall be made available to the West Virginia Investment Management Board for management and investment of the moneys in accordance with the provisions of article six, chapter twelve of this code. Any balance of the Revenue Shortfall Reserve Fund – Part B, including accrued interest and other return earned thereon at the end of any fiscal year, shall not revert to the General Fund but shall remain in the Revenue Shortfall Reserve Fund – Part B for the purposes set forth in this section.

NOTE: The purpose of this bill is to redirect up to $10 million per year of any surplus in the state budget away from the Revenue Shortfall Reserve Fund to state institutions of higher education to restore their funding up to adjusted 2013 fiscal year levels.
