Introduced

House Bill 2702

BY DELEGATES CAPITO AND HIGGINBOTHAM

[Introduced February 23, 2021; Referred to the Committee on Education]
A BILL to amend and reenact, §18-5G-3; of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto a new section, designated §18-2-44, all relating to requiring public high school students to complete and submit a free application for federal student aid (FAFSA) prior to graduation.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5G. PUBLIC CHARTER SCHOOLS.

§18-5G-3. Public charter school criteria, governance structure and statutory compliance requirements; applicable federal and state laws.

(a) Public charter schools authorized pursuant to this article shall meet the following general criteria:

(1) Are part of the state’s system of public schools and are subject to general supervision by the West Virginia Board of Education for meeting the student performance standards required of other public school students under §18-2E-5(d) and (e) §18-2E-5(e) of this code;

(2) Are subject to the oversight of the school’s authorizer for operating in accordance with its approved charter contract and for meeting the terms and performance standards established in the charter contract;

(3) Are not home school-based;

(4) Are not affiliated with or espouse any specific religious denomination, organization, sect, or belief and do not promote or engage in any religious practices in their educational program, admissions, employment policies, or operations;

(5) Are not affiliated with any organized group whose espoused beliefs attack or malign an entire class of people, typically for immutable characteristics, as identified through listings of such groups as may be made by the U. S. Department of Justice, the Federal Bureau of Investigation, or officials having similar jurisdiction in this state;

(6) Are public schools to which parents or legal guardians choose to send their child or
children;

(7) Do not charge tuition and may only charge such fees as may be imposed by noncharter public schools in this state; and

(8) Have no requirements that would exclude any child from enrollment who would not be excluded at a noncharter public school.

(b) A public charter school authorized pursuant to this article shall be governed by a board that meets the requirements established in §18-5G-7 of this code and:

(1) Has autonomy over key decisions, including, but not limited to, decisions concerning finance, personnel, scheduling, curriculum, and instruction except as provided in this article;

(2) Has no power to levy taxes;

(3) Operates in pursuit of a specific set of educational objectives as defined in its charter contract;

(4) Provides a program of public education that:

(A) Includes one or more of the following: Prekindergarten and any grade or grades from kindergarten to grade 12 including any associated post-secondary embedded credit, dual credit, advanced placement, internship, and industry or workforce credential programs that the public charter school chooses to incorporate into its programs;

(B) May include in its mission a specific focus on students with special needs, including, but not limited to, at-risk students, English language learners, students with severe disciplinary problems at a noncharter public school, or students involved with the juvenile justice system; and

(C) May include a specific academic approach or theme including, but not limited to, approaches or themes such as STEM education, mastery-based education, early college, or fine and performing arts;

(5) Provides programs and services to a student with a disability in accordance with the student's individualized education program and all federal and state laws, regulations, rules and policies. A charter school shall deliver the services directly or contract with a county board or
another provider to deliver the services as set forth in its charter contract;

(6) Is eligible to participate in state-sponsored or district-sponsored athletic and academic interscholastic leagues, competitions, awards, scholarships, and recognition programs for students, educators, administrators, and schools to the same extent as noncharter public schools;

(7) Employs its own personnel as employees of the public charter school and is ultimately responsible for processing employee paychecks, managing its employees’ participation in the applicable retirement system, and managing its employees’ participation in insurance plans:

Provided, That nothing in this subdivision prohibits the public charter school from contracting with another person or entity to perform services relating to managing its employees' participation in the retirement system or insurance plan. A county board may not require any employee of its school system to be employed in a public charter school. A county board may not harass, threaten, discipline, discharge, retaliate, or in any manner discriminate against any school system employee involved directly or indirectly with an application to establish a public charter school as authorized under this section. All personnel in a public charter school who were previously employed by the county board shall continue to accrue seniority with the county board in the same manner that they would accrue seniority if employed in a noncharter public school in the county for purposes of employment in noncharter public schools; and

(8) Is responsible for establishing a staffing plan that includes the requisite qualifications and any associated certification and/or licensure necessary for teachers and other instructional staff to be employed at the public charter school and for verifying that these requirements are met.

(c) A public charter school authorized pursuant to this article is exempt from all statutes and rules applicable to a noncharter public school or board of education except the following:

(1) All federal laws and authorities applicable to noncharter public schools in this state including, but not limited to, the same federal nutrition standards, the same civil rights, disability rights and health, life and safety requirements applicable to noncharter public schools in this state;
(2) The provisions of §29B-1-1 *et seq.* of this code relating to freedom of information and the provisions of §6-9A-1 *et seq.* of this code relating to open governmental proceedings;

(3) The same immunization requirements applicable to noncharter public schools;

(4) The same compulsory school attendance requirements applicable to noncharter public schools;

(5) The same minimum number of days or an equivalent amount of instructional time per year as required of noncharter public school students under §18-5-45 of this code;

(6) The same student assessment requirements applicable to noncharter public schools in this state, but only to the extent that will allow the state board to measure the performance of public charter school students pursuant to §18-2E-5(d) and §18-2E-5(e) of this code. Nothing precludes a public charter school from establishing additional student assessment measures that go beyond state requirements;

(7) The Student Data Accessibility, Transparency and Accountability Act pursuant to §18-2-5h of this code;

(8) Use of the electronic education information system established by the West Virginia Department of Education for the purpose of reporting required information;

(9) Reporting information on student and school performance to parents, policy-makers, and the general public in the same manner as noncharter public schools utilizing the electronic format established by the West Virginia Department of Education. Nothing precludes a public charter school from utilizing additional measures for reporting information on student and school performance that go beyond state requirements;

(10) All applicable accounting and financial reporting requirements as prescribed for public schools, including adherence to generally accepted accounting principles. A public charter school shall annually engage an external auditor to perform an independent audit of the school's finances. The public charter school shall submit the audit to its authorizer and to the state superintendent of schools within nine months of the end of the fiscal year for which the audit is
performed;

(11) A criminal history check pursuant to §18A-3-10 of this code for any staff person that would be required if the person was employed in a noncharter public school, unless a criminal history check has already been completed for that staff person pursuant to that section.

Governing board members and other public charter school personnel are subject to criminal history record checks and fingerprinting requirements applicable to noncharter public schools in this state. Contractors and service providers or their employees are prohibited from making direct, unaccompanied contact with students and from access to school grounds unaccompanied when students are present if it cannot be verified that the contractors, service providers or employees have not previously been convicted of a qualifying offense pursuant to §18-5-15c of this code;

(12) The same zoning rules for its facilities that apply to noncharter public schools in this state;

(13) The same building codes, regulations and fees for its facilities that apply to noncharter public schools in this state, including any inspections required for noncharter public schools under this chapter and the West Virginia State Fire Marshal for inspection and issuance of a certificate of occupancy for any facility used by the public charter school; and

(14) The same student transportation safety laws applicable to public schools when transportation is provided; and

(15) The provisions of §18-2-44 of this code.

ARTICLE 2. STATE BOARD OF EDUCATION.

§18-2-44 Financial Aid Application Requirement for High School Graduation.

(a) Beginning with the 2021-2022 school year in addition to any other requirement under this code as a prerequisite to receiving a high school diploma from a public high school, the parent or guardian or each student, or if student is at least 18 years or age or legally emancipated under §49-4-115 of this code the student must comply with either of the following:

(1) File a Free Application for Federal Student Aid with the United States Department of
Education; or

(2) On a form created by the state board file a waiver with the student’s high school indicating that the parent or Guardian, or if applicable, the student, understands what the Free Application for Federal Student Aid (FAFSA) is and has chosen not to file an application under paragraph (1).

(b) The state board, as well as the county board, or authorizer, as applicable shall require each high school and each high school student to comply with this section. Each high school must provide to each high school student and, if applicable, his or her parent or guardian, any support or assistance necessary to comply with this section. A county board or authorizer, as applicable, shall award a high school diploma to a student who is unable to meet the requirements of §18-2-44(a) of this code due to existing circumstances as determined by the county board if:

(1) The student has met all other graduation requirements under this code; and

(2) The principal attests that the high school has made a good faith effort to assist the student or if applicable his or her parent or guardian in filing an application or a waiver under §18-2-44(a) of this code.

(c) The state board may adopt rules to implement this section which shall include:

(1) Rules to ensure compliance with federal law regarding confidentiality of student educational information, including the Family Educational Rights and Privacy Act of 1974 (20 U. S. C. 1232g); and

(2) Any state law relating to the privacy at student information.

NOTE: The purpose of this bill is to require all public high school students to complete and submit a free application for federal student aid (FAFSA) prior to graduation.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
