13 the ordinary course of the employer’s business.

§44E-1-4. User direction for disclosure of digital assets.

1 (a) A user may use an online tool to direct the custodian to disclose or not to disclose to a
2 designated recipient some or all of the user’s digital assets, including the content of electronic

3 communications. If the online tool allows the user to modify or delete a direction at all times, a
4 direction regarding disclosure using an online tool overrides a contrary direction by the user in a
5 will, trust, power of attorney, or other record.

6 (b) If a user has not used an online tool to give direction under subsection (a) of this section
7 or if the custodian has not provided an online tool, the user may allow or prohibit in a will, trust,
8 power of attorney, or other record, disclosure to a fiduciary of some or all of the user's digital
9 assets, including the content of electronic communications sent or received by the user.

10 (c) A user's direction under §44E-1-4(a) or §44E-1-4(b) of this code overrides a contrary
11 provision in a terms-of-service agreement that does not require the user to act affirmatively and
12 distinctly from the user's assent to the terms of service.

§44E-1-5. Terms-of-service agreement.

1 (a) This article does not change or impair a right of a custodian or a user under a terms-
2 of-service agreement to access and use digital assets of the user.

3 (b) This article does not give a fiduciary or a designated recipient any new or expanded
4 rights other than those held by the user for whom, or for whose estate, the fiduciary or designated
5 recipient acts or represents.

6 (c) A fiduciary's or a designated recipient's access to digital assets may be modified or
7 eliminated by a user, by federal law, or by a terms-of-service agreement if the user has not
8 provided direction under §44E-1-4 of this code.

§44E-1-6. Procedure for disclosing digital assets.

1 (a) When disclosing digital assets of a user under this article, the custodian may at its sole
2 discretion:

3 (1) Grant a fiduciary or designated recipient full access to the user's account;

4 (2) Grant a fiduciary or designated recipient partial access to the user's account sufficient
5 to perform the tasks with which the fiduciary or designated recipient is charged; or

6 (3) Provide a fiduciary or designated recipient a copy in a record of any digital asset that,

7 on the date the custodian received the request for disclosure, the user could have accessed if the
8 user were alive and had full capacity and access to the account.

9 (b) A custodian may assess a reasonable administrative charge for the cost of disclosing
10 digital assets under this article.

11 (c) A custodian need not disclose under this article a digital asset deleted by a user.

12 (d) If a user directs or a fiduciary requests a custodian to disclose under this article some,
13 but not all, of the user's digital assets, the custodian need not disclose the assets if segregation
14 of the assets would impose an undue burden on the custodian. If the custodian believes the
15 direction or request imposes an undue burden, the custodian or fiduciary may seek an order from
16 the court to disclose:

17 (1) A subset limited by date of the user's digital assets;

18 (2) All of the user's digital assets to the fiduciary or designated recipient;

19 (3) None of the user's digital assets; or

20 (4) All of the user's digital assets to the court for review in camera.

§44E-1-7. Disclosure of content of electronic communications of deceased user.

1 If a deceased user consented or a court directs disclosure of the contents of electronic
2 communications of the user, the custodian shall disclose to the personal representative of the
3 estate of the user the content of an electronic communication sent or received by the user if the
4 representative gives the custodian:

5 (1) A written request for disclosure in physical or electronic form;

6 (2) A certified copy of the death certificate of the user;

7 (3) A certified copy of the letter of appointment of the representative;

8 (4) Unless the user provided direction using an online tool, a copy of the user's will, trust,
9 power of attorney, or other record evidencing the user's consent to disclosure of the content of
10 electronic communications; and

11 (5) If requested by the custodian:

12 (A) A number, username, address, or other unique subscriber or account identifier
13 assigned by the custodian to identify the user's account;

14 (B) Evidence linking the account to the user; or

15 (C) A finding by the court that:

16 (i) The user had a specific account with the custodian, identifiable by the information
17 specified in paragraph (5)(A) of this section;

18 (ii) Disclosure of the content of electronic communications of the user would not violate 18
19 U.S.C. § 2701 et seq., 47 U.S.C. § 222, or other applicable law;

20 (iii) Unless the user provided direction using an online tool, the user consented to
21 disclosure of the content of electronic communications; or

22 (iv) Disclosure of the content of electronic communications of the user is reasonably
23 necessary for administration of the estate.

§44E-1-8. Disclosure of other digital assets of deceased user.

1 Unless the user prohibited disclosure of digital assets or the court directs otherwise, a
2 custodian shall disclose to the personal representative of the estate of a deceased user a
3 catalogue of electronic communications sent or received by the user and digital assets, other than
4 the content of electronic communications, of the user, if the representative gives the custodian:

5 (1) A written request for disclosure in physical or electronic form;

6 (2) A certified copy of the death certificate of the user;

7 (3) A certified copy of the letter of appointment of the representative; and

8 (4) If requested by the custodian:

9 (A) A number, username, address, or other unique subscriber or account identifier
10 assigned by the custodian to identify the user's account;

11 (B) Evidence linking the account to the user;

12 (C) An affidavit stating that disclosure of the user's digital assets is reasonably necessary
13 for administration of the estate; or

14 (D) A finding by the court that:

15 (i) The user had a specific account with the custodian, identifiable by the information
16 specified in §44-1-8(3)(A) of this code; or

17 (ii) Disclosure of the user’s digital assets is reasonably necessary for administration of the
18 estate.

§44E-1-9. Disclosure of content of electronic communications of principal.

1 To the extent a power of attorney expressly grants an agent authority over the content of
2 electronic communications sent or received by the principal and unless directed otherwise by the
3 principal or the court, a custodian shall disclose to the agent the content if the agent gives the
4 custodian:

5 (1) A written request for disclosure in physical or electronic form;

6 (2) An original or copy of the power of attorney expressly granting the agent authority over
7 the content of electronic communications of the principal;

8 (3) A certification by the agent, under penalty of perjury, that the power of attorney is in
9 effect; and

11 (A) A number, username, address, or other unique subscriber or account identifier
12 assigned by the custodian to identify the principal’s account; or

13 (B) Evidence linking the account to the principal.

2 of attorney, a custodian shall disclose to an agent with specific authority over digital assets or
3 general authority to act on behalf of a principal a catalogue of electronic communications sent or
4 received by the principal and digital assets, other than the content of electronic communications,
5 of the principal if the agent gives the custodian:

6 (1) A written request for disclosure in physical or electronic form;

7 (2) An original or a copy of the power of attorney that gives the agent specific authority
8 over digital assets or general authority to act on behalf of the principal;

9 (3) A certification by the agent, under penalty of perjury, that the power of attorney is in
10 effect; and

11 (4) If requested by the custodian:

12 (A) A number, username, address, or other unique subscriber or account identifier
13 assigned by the custodian to identify the principal's account; or

14 (B) Evidence linking the account to the principal.

§44E-1-11. Disclosure of digital assets held in trust when trustee is original user.

1 Unless otherwise ordered by the court or provided in a trust instrument, a custodian shall
2 disclose to a trustee that is an original user of an account any digital asset of the account held in
3 trust, including a catalogue of electronic communications of the trustee and the content of
4 electronic communications.

§44E-1-12. Disclosure of contents of electronic communications held in trust when trustee
not original user.

1 Unless otherwise ordered by the court, directed by the user, or provided in a trust
2 instrument, a custodian shall disclose to a trustee that is not an original user of an account the
3 content of an electronic communication sent or received by an original or successor user and
4 carried, maintained, processed, received, or stored by the custodian in the account of the trust if

12 (4) If requested by the custodian:

13 (A) A number, username, address, or other unique subscriber or account identifier
14 assigned by the custodian to identify the trust's account; or

15 (B) Evidence linking the account to the trust.

§44E-1-13. Disclosure of other digital assets held in trust when trustee not original user.

1 Unless otherwise ordered by the court, directed by the user, or provided in a trust, a
2 custodian shall disclose, to a trustee that is not an original user of an account, a catalogue of
3 electronic communications sent or received by an original or successor user and stored, carried,
4 or maintained by the custodian in an account of the trust and any digital assets, other than the
5 content of electronic communications, in which the trust has a right or interest if the trustee gives
6 the custodian:
