(b) The Secretary of State shall provide for the comparison of data records of all counties. The Secretary of State shall, based on the comparison, prepare a list for each county which shall include the voter registration record for each voter shown on that county’s list who appears to have registered or to have updated a voter registration in another county at a subsequent date. The resulting lists shall be returned to the appropriate county and the clerk of the county commission shall proceed with the confirmation procedure for those voters as prescribed in §3-2-26 of this code.
(c) The Secretary of State may provide for the comparison of data records of counties with the data records of the Division of Motor Vehicles, the registrar of vital statistics, and with the data records of any other state agency which maintains records of residents of the state, if the procedure is practical and the agency agrees to participate. (e) The Secretary of State shall return to each county the identified matches of the county voter registration records and the postal service change of address records.

(1) When the change of address information indicates the voter has moved to a new address within the county, the clerk of the county commission shall enter the new address on the voter record and assign the proper precinct.

(2) The clerk of the county commission shall then mail to each voter who appears to have moved from the residence address shown on the registration records a confirmation notice pursuant to §3-2-26 of this code and of section 8(d)(2) of the National Voter Registration Act of 1993 (42 U.S.C. §1973gg, et seq.). Information concerning whether or not each person has responded to the notice shall be entered into the statewide voter registration database upon receipt and shall be available for public inspection as of the date the information is received.

(i) Any voter to whom a confirmation notice was mailed pursuant to the provisions of subsection (e) of this section who fails to respond to the notice or to update his or her voter registration address by February 1 immediately following the completion of the program, shall be designated inactive in the statewide voter registration database. Any voter designated inactive shall be required to affirm his or her current residence address, on a form prescribed by the Secretary of State, upon appearing at the polls to vote.

(j) In addition to the preceding purging procedures, all counties using the change of address information of the United States Postal Service shall also, once each four years during the period established for systematic purging in the year following a presidential election year each odd-numbered year following a federal election, conduct the same procedure by mailing a
confirmation notice to those persons not identified as potentially ineligible through the change of
address comparison procedure but who have not updated their voter registration records and
have not voted in any election during the preceding two calendar years. The purpose of this
additional systematic confirmation procedure shall be to identify those voters who may have
moved without filing a forwarding address, moved with a forwarding address under another name,
died in another county or state so that the certificate of death was not returned to the clerk of the
county commission, or who otherwise have become ineligible.

(8) After canvassing the returns of the election, the board shall publicly declare the results of the election.

manner and time of service; for a failure so to do, he or she shall forfeit $20. The return shall be
evidence of the manner and time of service.

(h) Every candidate who demands a recount shall be required to furnish bond in a
reasonable amount with good sufficient surety to guarantee payment of the costs and the
expenses of the recount in the event the result of the election is not changed by the recount; but
the amount of the bond shall in no case exceed $300.

hereinafter provided, they shall deposit the sealed packages of ballots, absent voter ballots,
registration records, pollbooks, tally sheets, and precinct certificates with the clerk of the county
commission from whom they were received, who shall carefully preserve them for 22 months:
*Provided,* That the clerk may use these records to update the voter registration records in
