BY SENATORS TARR, WELD, JEFFRIES, PHILLIPS,

NELSON, TAKUBO, MARONEY, AND WOODRUM

[Passed March 24, 2021; in effect 90 days from
passage (June 22, 2021)]

1 AN ACT to amend and reenact §29-22A-10 of the Code of West Virginia, 1931, as amended,
2 relating to continuation of Licensed Racetrack Modernization Fund; and making technical
3 corrections.

Be it enacted by the Legislature of West Virginia:

ARTICLE 22A. RACETRACK VIDEO LOTTERY.

§29-22A-10. Accounting and reporting; commission to provide communications protocol data; distribution of net terminal income; remittance through electronic transfer of funds; establishment of accounts and nonpayment penalties; commission control of accounting for net terminal income; settlement of accounts; manual reporting and payment may be required; request for reports; examination of accounts and records.

1 (a) The commission shall provide to manufacturers, or applicants applying for a
2 manufacturer's permit, the protocol documentation data necessary to enable the respective
3 manufacturer's video lottery terminals to communicate with the commission's central computer
4 for transmitting auditing program information and for activation and disabling of video lottery
5 terminals.

6 (b) The gross terminal income of a licensed racetrack shall be remitted to the commission
7 through the electronic transfer of funds. Licensed racetracks shall furnish to the commission all
8 information and bank authorizations required to facilitate the timely transfer of moneys to the
9 commission. Licensed racetracks must provide the commission 30 days' advance notice of any
10 proposed account changes in order to assure the uninterrupted electronic transfer of funds. From
11 the gross terminal income remitted by the licensee to the commission:

12 (1) The commission shall deduct an amount sufficient to reimburse the commission for its
13 actual costs and expenses incurred in administering racetrack video lottery at the licensed
14 racetrack and the resulting amount after the deduction is the net terminal income. The amount
15 deducted for administrative costs and expenses of the commission may not exceed four percent

16 of gross terminal income: *Provided*, That any amounts deducted by the commission for its actual
17 costs and expenses that exceeds its actual costs and expenses shall be deposited into the State
18 Lottery Fund. For the fiscal years ending June 30, 2011 through June 30, 2030, the term “actual
19 costs and expenses” may include transfers of up to \$9 million in surplus allocations for each fiscal
20 year, as calculated by the commission when it has closed its books for the fiscal year, to the
21 Licensed Racetrack Modernization Fund created by subdivision (2), of this subsection. For all
22 fiscal years beginning on or after July 1, 2001, the commission shall not receive an amount of
23 gross terminal income in excess of the amount of gross terminal income received during the fiscal
24 year ending on June 30, 2001, but four percent of any amount of gross terminal income received
25 in excess of the amount of gross terminal income received during the fiscal year ending on June
26 30, 2001, shall be deposited into the fund established in §29-22-18a of this code; and

27 (2) A Licensed Racetrack Modernization Fund is created within the lottery fund. For all
28 fiscal years beginning on or after July 1, 2011, and ending with the fiscal year beginning July 1,
29 2030, the commission shall deposit such amounts as are available according to subdivision (1) of
30 this subsection into a separate facility modernization account maintained within the Licensed
31 Racetrack Modernization Fund for each racetrack. Each racetrack’s share of each year’s deposit
32 shall be calculated in the same ratio as each racetrack’s apportioned contribution to the four
33 percent administrative costs and expenses allowance provided for in subdivision (1) of this
34 subsection for that year. For each \$2 expended by a licensed racetrack for facility modernization
35 improvements at the racetrack, having a useful life of three or more years and placed in service
36 after July 1, 2011, the licensed racetrack shall receive \$1 in recoupment from its facility
37 modernization account. If the licensed racetrack’s facility modernization account contains a
38 balance in any fiscal year, the unexpended balance from that fiscal year will be available for
39 matching for one additional fiscal year, after which time, the remaining unused balance carried
40 forward shall revert to the lottery fund. For purposes of this section, the term “facility modernization
41 improvements” includes acquisitions of new and unused video lottery terminals and related

42 equipment. Video lottery terminals financed through the recoupment provided in this subdivision
43 must be retained by the licensee in its West Virginia licensed location for a period of not less than
44 five years from the date of initial installation.

45 (c) The amount resulting after the deductions required by subsection (b) of this section
46 constitutes net terminal income that shall be divided as set out in this subsection. For all fiscal
47 years beginning on or after July 1, 2001, any amount of net terminal income received in excess
48 of the amount of net terminal income received during the fiscal year ending on June 30, 2001,
49 shall be divided as set out in §29-22A-10b of this code. The licensed racetrack's share is in lieu
50 of all lottery agent commissions and is considered to cover all costs and expenses required to be
51 expended by the licensed racetrack in connection with video lottery operations. The division shall
52 be made as follows:

53 (1) The commission shall receive 30 percent of net terminal income, which shall be paid
54 into the State Lottery Fund as provided in §29-22A-10a of this code;

55 (2) Until July 1, 2005, 14 percent of net terminal income at a licensed racetrack shall be
56 deposited in the special fund established by the licensee, and used for payment of regular purses
57 in addition to other amounts provided for in §19-23-1 *et seq.* of this code, on and after July 1,
58 2005, the rate shall be seven percent of net terminal income;

59 (3) The county where the video lottery terminals are located shall receive two percent of
60 the net terminal income: *Provided, That:*

61 (A) Beginning July 1, 1999, and thereafter, any amount in excess of the two percent
62 received during the fiscal year 1999 by a county in which a racetrack is located that has
63 participated in the West Virginia Thoroughbred Development Fund since on or before January 1,
64 1999, shall be divided as follows:

65 (i) The county shall receive 50 percent of the excess amount; and

66 (ii) The municipalities of the county shall receive 50 percent of the excess amount, said
67 50 percent to be divided among the municipalities on a per capita basis as determined by the
68 most recent decennial United States census of population; and

69 (B) Beginning July 1, 1999, and thereafter, any amount in excess of the two percent
70 received during the fiscal year 1999 by a county in which a racetrack other than a racetrack
71 described in paragraph (A) of this subdivision is located and where the racetrack has been located
72 in a municipality within the county since on or before January 1, 1999, shall be divided, if
73 applicable, as follows:

74 (i) The county shall receive 50 percent of the excess amount; and

75 (ii) The municipality shall receive 50 percent of the excess amount; and

76 (C) This proviso shall not affect the amount to be received under this subdivision by any
77 other county other than a county described in paragraph (A) or (B) of this subdivision;

78 (4) One percent of net terminal income shall be paid for and on behalf of all employees of
79 the licensed racing association by making a deposit into a special fund to be established by the
80 Racing Commission to be used for payment into the pension plan for all employees of the licensed
81 racing association;

82 (5) The West Virginia Thoroughbred Development Fund created pursuant to §19-23-13b
83 of this code and the West Virginia Greyhound Breeding Development Fund created pursuant to
84 §19-23-10 of this code shall receive an equal share of a total of not less than one and one-half
85 percent of the net terminal income;

86 (6) The West Virginia Racing Commission shall receive one percent of the net terminal
87 income which shall be deposited and used as provided in §19-23-13c of this code;

88 (7) A licensee shall receive 46 and one-half percent of net terminal income;

89 (8)(A) The Tourism Promotion Fund established in §5B-2-12 of this code shall receive
90 three percent of the net terminal income: *Provided*, That for the fiscal year beginning July 1, 2003,
91 the tourism commission shall transfer from the Tourism Promotion Fund \$5 million of the three

92 percent of the net terminal income described in this section and §29-22A-10b of this code into the
93 fund administered by the West Virginia Economic Development Authority pursuant to §31-15-7 of
94 this code, \$5 million into the Capitol Renovation and Improvement Fund administered by the
95 Department of Administration pursuant to §5A-4-6 of this code, and \$5 million into the Tax
96 Reduction and Federal Funding Increased Compliance Fund; and

97 (B) Notwithstanding any provision of paragraph (A) of this subdivision to the contrary, for
98 each fiscal year beginning after June 30, 2004, this three percent of net terminal income and the
99 three percent of net terminal income described in §29-22a-10b(a)(8)(B) of this code shall be
100 distributed as provided in this paragraph as follows:

101 (i) 1.375 percent of the total amount of net terminal income described in this section and
102 §29-22A-10b of this code shall be deposited into the Tourism Promotion Fund created pursuant
103 to §5B-2-12 of this code;

104 (ii) 0.375 percent of the total amount of net terminal income described in this section and
105 in §29-22A-10b of this code shall be deposited into the Development Office Promotion Fund
106 created pursuant to §5B-2-3b of this code;

107 (iii) 0.5 percent of the total amount of net terminal income described in this section and in
108 §29-22A-10b of this code shall be deposited into the Research Challenge Fund created pursuant
109 to §18B-1B-10 of this code;

110 (iv) 0.6875 percent of the total amount of net terminal income described in this section and
111 in §29-22A-10b of this code shall be deposited into the Capitol Renovation and Improvement
112 Fund administered by the Department of Administration pursuant to §5A-4-6 of this code; and

113 (v) 0.0625 percent of the total amount of net terminal income described in this section and
114 in §29-22A-10b of this code shall be deposited into the 2004 Capitol Complex Parking Garage
115 Fund administered by the Department of Administration pursuant to §5A-4-5a of this code;

116 (9)(A) On and after July 1, 2005, seven percent of net terminal income shall be deposited
117 into the Workers' Compensation Debt Reduction Fund created in §23-2d-5 of this code: *Provided,*

118 That in any fiscal year when the amount of money generated by this subdivision totals \$11 million,
119 all subsequent distributions pursuant to this subdivision shall be deposited in the special fund
120 established by the licensee and used for the payment of regular purses in addition to the other
121 amounts provided in §19-23-1 *et seq.* of this code;

122 (B) The deposit of the seven percent of net terminal income into the Workers'
123 Compensation Debt Reduction Fund pursuant to this subdivision shall expire and not be imposed
124 with respect to these funds and shall be deposited in the special fund established by the licensee
125 and used for payment of regular purses in addition to the other amounts provided in §19-23-1 *et*
126 *seq.* of this code on and after the first day of the month following the month in which the Governor
127 certifies to the Legislature that: (i) The revenue bonds issued pursuant to §23-2D-1 *et seq.* of this
128 code have been retired or payment of the debt service provided for; and (ii) that an independent
129 certified actuary has determined that the unfunded liability of the old fund, as defined in chapter
130 23 of this code, has been paid or provided for in its entirety; and

131 (10) The remaining one percent of net terminal income shall be deposited as follows:

132 (A) For the fiscal year beginning July 1, 2003, the veterans memorial program shall receive
133 one percent of the net terminal income until sufficient moneys have been received to complete
134 the veterans memorial on the grounds of the State Capitol Complex in Charleston, West Virginia.
135 The moneys shall be deposited in the State Treasury in the Division of Culture and History special
136 fund created pursuant to §29-11-3 of this code: *Provided*, That only after sufficient moneys have
137 been deposited in the fund to complete the veterans memorial and to pay in full the annual bonded
138 indebtedness on the veterans memorial, not more than \$20,000 of the one percent of net terminal
139 income provided in this subdivision shall be deposited into a special revenue fund in the State
140 Treasury, to be known as the John F. 'Jack' Bennett Fund. The moneys in this fund shall be
141 expended by the Division of Veterans Affairs to provide for the placement of markers for the

146 in which the veterans' grave markers will be placed in the event that there are not sufficient funds
147 to complete the placement of veterans' grave markers in any one year, or at all. Upon payment in
148 full of the bonded indebtedness on the veterans memorial, \$100,000 of the one percent of net
149 terminal income provided in this subdivision shall be deposited in the special fund in the Division
150 of Culture and History created pursuant to §29-11-3 of this code and be expended by the Division
151 of Culture and History to establish a West Virginia veterans memorial archives within the Cultural

154 *however,* That \$500,000 of the one percent of net terminal income shall be deposited in the State
155 Treasury in a special fund of the Department of Administration, created pursuant to §5A-4-5 of
156 this code, to be used for construction and maintenance of a parking garage on the State Capitol
157 Complex; and the remainder of the one percent of net terminal income shall be deposited in equal
158 amounts in the Capitol Dome and Improvements Fund created pursuant to §5A-4-2 of this code
159 and Cultural Facilities and Capitol Resources Matching Grant Program Fund created pursuant to
160 §29-1-3 of this code.

161 (B) For each fiscal year beginning after June 30, 2004:

162 (i) Five hundred thousand dollars of the one percent of net terminal income shall be
163 deposited in the State Treasury in a special fund of the Department of Administration, created
164 pursuant to §5A-4-5 of this code, to be used for construction and maintenance of a parking garage
165 on the State Capitol Complex; and

166 (ii) The remainder of the one percent of net terminal income and all of the one percent of

168 The net terminal income shall be deposited in equal amounts into the Capitol Dome and Capitol
169 Improvements Fund created pursuant to §5A-4-2 of this code and the Cultural Facilities and

170 Capitol Resources Matching Grant Program Fund created pursuant to §29-1-3 of this code until
171 a total of \$1,500,000 is deposited into the Cultural Facilities and Capitol Resources Matching
172 Grant Program Fund; thereafter, the remainder shall be deposited into the Capitol Dome and
173 Capitol Improvements Fund.

174 (d) Each licensed racetrack shall maintain in its account an amount equal to or greater
175 than the gross terminal income from its operation of video lottery machines, to be electronically
176 transferred by the commission on dates established by the commission. Upon a licensed
177 racetrack's failure to maintain this balance, the commission may disable all of a licensed
178 racetrack's video lottery terminals until full payment of all amounts due is made. Interest shall
179 accrue on any unpaid balance at a rate consistent with the amount charged for state income tax
180 delinquency pursuant to chapter 11 of this code. The interest shall begin to accrue on the date
181 payment is due to the commission.

182 (e) The commission's central control computer shall keep accurate records of all income
183 generated by each video lottery terminal. The commission shall prepare and mail to the licensed
184 racetrack a statement reflecting the gross terminal income generated by the licensee's video
185 lottery terminals. Each licensed racetrack shall report to the commission any discrepancies
186 between the commission's statement and each terminal's mechanical and electronic meter
187 readings. The licensed racetrack is solely responsible for resolving income discrepancies
188 between actual money collected and the amount shown on the accounting meters or on the
189 commission's billing statement.

190 (f) Until an accounting discrepancy is resolved in favor of the licensed racetrack, the
191 commission may make no credit adjustments. For any video lottery terminal reflecting a
192 discrepancy, the licensed racetrack shall submit to the commission the maintenance log which
193 includes current mechanical meter readings and the audit ticket which contains electronic meter
194 readings generated by the terminal's software. If the meter readings and the commission's
195 records cannot be reconciled, final disposition of the matter shall be determined by the

196 commission. Any accounting discrepancies which cannot be otherwise resolved shall be resolved
197 in favor of the commission.

198 (g) Licensed racetracks shall remit payment by mail if the electronic transfer of funds is
199 not operational or the commission notifies licensed racetracks that remittance by this method is
200 required. The licensed racetracks shall report an amount equal to the total amount of cash
201 inserted into each video lottery terminal operated by a licensee, minus the total value of game
202 credits which are cleared from the video lottery terminal in exchange for winning redemption
203 tickets, and remit the amount as generated from its terminals during the reporting period. The
204 remittance shall be sealed in a properly addressed and stamped envelope and deposited in the
205 United States mail no later than noon on the day when the payment would otherwise be completed
206 through electronic funds transfer.

207 (h) Licensed racetracks may, upon request, receive additional reports of play transactions
208 for their respective video lottery terminals and other marketing information not considered
209 confidential by the commission. The commission may charge a reasonable fee for the cost of
210 producing and mailing any report other than the billing statements.

211 (i) The commission has the right to examine all accounts, bank accounts, financial
212 statements, and records in a licensed racetrack's possession, under its control or in which it has
213 an interest and the licensed racetrack shall authorize all third parties in possession or in control
214 of the accounts or records to allow examination of any of those accounts or records by the
215 commission.

216 (j) If a court of competent jurisdiction finds that the provisions of this section as amended
217 and reenacted in 2021 and the provisions of §29-22A-10d of this code conflict and cannot be
218 harmonized, the provisions of §29-22A-10d of this code shall control.
