BY DELEGATES HAMRICK, DEAN, LINVILLE, FERRELL,
STORCH, ZUKOFF, CLARK, BARNHART, PACK, B. WARD,
AND HOWELL

[Introduced January 24, 2022; Referred to the
Committee on Education then Finance]
A BILL to amend and reenact §18B-1B-5 of the Code of West Virginia, 1931, as amended; and to amend said code by adding thereto a new article, designated §18B-21-1, §18B-21-2, §18B-21-3, §18B-21-4, §18B-21-5 and §18B-21-6, all relating to establishing the West Virginia Technology Internship Program; establishing certain purposes of the program; requiring the Chancellor for Higher Education administer the program and, in collaboration with the Secretary of Department of Commerce, undertake certain activities to carry out the purposes of the program; establishing certain eligibility requirements for participation in the program; requiring the Chancellor for Higher Education to develop a process for tracking and assessing certain outcomes; requiring the Chancellor for Higher Education to obtain feedback from program participants at certain times; authorizing the use of certain awards to reimburse certain businesses for up to a certain percentage of the amount paid to an intern up to a certain amount; and requiring the Chancellor for Higher Education to prepare and submit an annual report to the Joint Committee on Government and Finance

Be it enacted by the Legislature of West Virginia:

ARTICLE 1B. HIGHER EDUCATION POLICY COMMISSION.

§18B-1B-5. Employment of Chancellor for Higher Education; office; powers and duties generally; employment of Vice Chancellors and other staff.

(a) The commission, created by §18B-1B-1 of this code, shall employ a Chancellor for Higher Education who is the chief executive officer of the commission and who serves at its will and pleasure.

(b) The commission shall set the qualifications for the position of chancellor and, when a vacancy occurs, shall conduct a thorough nationwide search for qualified candidates. A qualified candidate is one who meets at least the following criteria:

(1) Possesses an excellent academic and administrative background;

(2) Demonstrates strong communication skills;
(3) Has significant experience and an established national reputation as a professional in the field of higher education;

(4) Is free of institutional or regional biases; and

(5) Holds or retains no other administrative position within a system of higher education while employed as chancellor: Provided, That nothing contained in this subsection may preclude the chancellor of the commission from also serving as the Chancellor of The Council for Community and Technical College Education, as provided in §18B-2B-3 of this code.

(c) The commission shall conduct written performance evaluations of the chancellor annually and may offer the chancellor a contract not to exceed three years. At the end of each contract period, the commission shall review the evaluations and make a determination by vote of its members on continuing employment and compensation level.

(d) When filling a vacancy in the position of chancellor, the commission shall enter into an initial employment contract for one year with the candidate selected. At the end of the initial contract period, and each contract period thereafter, the commission shall review the evaluations and make a determination by vote of its members on continuing employment and compensation level for the chancellor.

(e) The commission sets the chancellor’s salary. The salary may not exceed by more than 20 percent the average annual salary of the chief executive officers of state systems of higher education in the states that comprise the membership of the Southern Regional Education Board. Pursuant to §6B-2-5(l) of this code, the chancellor may receive only one form of salary if such person serves as the chancellor for both the higher education policy commission and the council for community and technical colleges.

(f) The commission may employ a senior director for health sciences who serves at the will and pleasure of the commission. The senior director for health sciences shall coordinate the West Virginia University School of Medicine, the Marshall University School of Medicine and the West Virginia School of Osteopathic Medicine and also shall provide assistance to the governing
boards on matters related to medical education and health sciences. The senior director for health sciences shall perform all duties assigned by the chancellor, the commission and state law. If there is a vacancy in the office of senior director for health sciences, the duties assigned to this office by law are the responsibility of the chancellor or a designee.

(g) The commission shall employ a vice chancellor for administration pursuant to §18B-4-2 of this code.

(h) On behalf of the commission, the chancellor may enter into agreements with any state agency or political subdivision of the state, any state institution of higher education or any other person or entity to enlist staff assistance to implement the powers and duties assigned by the commission or by state law.

(i) The chancellor is responsible for the daily operations of the commission and has the following responsibilities relating to the commission and the governing boards under its jurisdiction:

   (1) To carry out policy and program directives of the commission;

   (2) To develop and submit annual reports on the implementation plan to achieve the goals and objectives set forth in §18B-1-1a and §18B-1-1d of this code, and in the compacts;

   (3) To prepare and submit to the commission for its approval the proposed budget of the commission including the offices of the chancellor and the vice chancellors;

   (4) To assist the governing boards in developing rules, subject to §18B-1-6 of this code.

Nothing in this chapter requires the rules of the governing boards to be filed pursuant to the rule-making procedures provided in §29A-3A-1 et seq. of this code. The commission and the council, either separately or jointly as appropriate, are responsible for ensuring that any policy which is required to be uniform across the institutions is applied in a uniform manner;

   (5) To consult with institutions on human relations policies and rules;

   (6) To perform all other duties and responsibilities assigned by the commission or by state law.
(j) The chancellor shall be reimbursed for all actual and necessary expenses incurred in the performance of all assigned duties and responsibilities.

(k) The chancellor, with the commission, advises the Legislature on matters of higher education in West Virginia. The chancellor shall work closely with the Legislative Oversight Commission on Education Accountability and with the elected leadership of the state to ensure that they are fully informed about higher education issues and that the commission fully understands the goals, objectives, and priorities for higher education that the Legislature has established by law.

(l) The chancellor may design and develop for consideration by the commission new statewide or region-wide initiatives in accordance with the goals set forth in §18B-1-1a and §18B-1D-1 et seq. of this code, and the public policy agenda articulated by the commission. In those instances where the initiatives to be proposed have a direct and specific impact or connection to community and technical college education as well as to baccalaureate and graduate education, the Chancellor for Higher Education and the Chancellor for Community and Technical College Education shall design and develop the initiatives jointly for consideration by the commission and the council.

(m) To further the goals of cooperation and coordination between the commission and the State Board of Education, the chancellor serves as an ex officio, nonvoting member of the state board. The chancellor shall work closely with members of the State Board of Education and with the State Superintendent of Schools to assure that the following goals are met:

(1) Development and implementation of a seamless kindergarten-through-college system of education; and

(2) Appropriate coordination of missions and programs.

(n) The chancellor shall, in collaboration with the Secretary of Department of Commerce, undertake activities to carry out the purposes of the West Virginia Technology Internship Program created in §18B-21-1 et seq. of this code.
ARTICLE 21. WEST VIRGINIA TECHNOLOGY INTERNSHIP PROGRAM.

§18B-21-1. Definitions.

The following words have the meanings indicated:

“Program” means the West Virginia technology internship program.

“Chancellor” means the Chancellor for Higher Education.

§18B-21-2. Creation of West Virginia technology internship program; purposes.

The West Virginia technology internship program is hereby created. The purposes of the program are to:

(1) Connect college and university students, recent graduates, and veterans with small innovative businesses in the high-growth technology sector through internships;

(2) Encourage high-achieving students at institutions of higher education in the state to remain in the state after graduation;

(3) Increase student understanding of employment opportunities in the state;

(4) Create connections between students and community business leaders and entrepreneurs and develop opportunities for student involvement in communities;

(5) Assist small technology-based businesses in developing internship programs and recruiting future employees; and

(6) Foster business retention and development, job creation, workforce development, and new investment in the state.

§18B-21-3. Administration of program.

The Chancellor for Higher Education shall administer the program in collaboration with the Secretary of Department of Commerce. The chancellor and secretary shall:

(1) Establish an internet portal through which: (A) students may apply online to be matched with technology–based businesses; and (B) technology-based businesses may register, post
information about internship opportunities, and apply for reimbursement of internship stipends as
provided under this article;

(2) Develop application and registration requirements;

(3) Develop orientation and training programs for participants in the program;

(4) Review applications and award reimbursements of internship stipends under this
article;

(5) Provide opportunities for students to meet entrepreneurs and visit technology-related
industry incubators;

(6) Provide recruitment and training opportunities and support for participating businesses;

and

(7) Track and assess program outcomes.

§18B-21-4. Individuals’ participation qualifications.

To qualify for participation in the program, an individual shall:

(1) Be a student enrolled at an institution of higher education in the state that possesses
a certificate of approval from the Higher Education Policy Commission; and

(2) Maintain a cumulative 3.0 grade point average on a 4.0 scale each academic year;

(B) Within 12 months before the date of application for the program, have graduated from an
institution of higher education in the state that possesses a certificate of approval from the
commission; and

(3) Have maintained a cumulative 3.0 grade point average on a 4.0 scale during the latest
academic year the individual was enrolled as a student; or

(4) Be a student enrolled at an institution of higher education outside the state, if the
student graduated from a high school in the state; and

(5) Maintain a cumulative 3.0 grade point average on a 4.0 scale each academic year; or

be a veteran;

(6) Commit to working at least 10 hours each week or a total of 120 hours during a spring.
fall, or summer semester;

(7) Attend an orientation session provided or approved by the chancellor; and

(8) Meet any other criteria established by the chancellor or the Higher Education Policy Commission.

To qualify for participation in the program, a business shall:

(1) Be located in the state;

(2) Be a technology-based business;

(3) Have not more than 150 employees;

(4) Commit to hosting an intern for at least 10 hours each week or a total of 120 hours during a spring, fall, or summer semester;

(5) Provide a detailed description of an intern position with the business; and

(6) Provide proof that a representative has attended an orientation or training program provided or approved by the chancellor.

§18B-21-6. Process for tracking and assessing program outcomes; etc.

(a) The chancellor and secretary shall develop a process for tracking and assessing the outcomes of the program, including:

(1) The total number of individuals and businesses participating in the program;

(2) The locations of participating businesses;

(3) The number of participating students remaining in the state after graduation;

(4) The number of employee hires resulting from internships;

(5) The effect of the program on student understanding of opportunities for entrepreneurs and small businesses in the state;

(6) Student skill growth resulting from internship experiences;

(7) Business growth or improvement resulting from internships; and

(8) The effect of the program on relationships between businesses and institutions of
higher education in the state.

(b) The chancellor and secretary shall obtain feedback from program participants:

(1) At the conclusion of any orientation or training program;

(2) At the conclusion of each internship; and

(3) At the following intervals after the conclusion of each internship:

(i) Three months;

(ii) Six months;

(iii) One year;

(iv) Two years; and

(v) Three years.

(b) Money awarded under this article:

(1) May be used to reimburse a technology-based business up to 50 percent of a stipend paid to an intern, but not more than:

(i) $1,800 for the first semester; and

(ii) $1,200 for the second semester; and

(2) May total not more than $3,000 each year for each business.

(c) At the end of each fiscal year, the chancellor and secretary shall prepare an annual report of the fund that includes an accounting of all financial receipts and expenditures that relate to the program.

(d) The chancellor and secretary shall submit a copy of the report to the Joint Committee and Government and Finance.

NOTE: The purpose of this bill is to establish the West Virginia Technology Internship Program.
