4 Division of Highways for those purposes. Notwithstanding any provision of this code to the  
5 contrary, the commissioner of the Division of Highways has the authority to transfer funds within  
6 the state road fund to meet the obligations and uses authorized for the fund.

7 The Division of Highways shall report annually to the Governor and to the Joint Committee  
8 on Government and Finance on all uses of such authority to transfer funds, including the name of  
9 funds from which and into which money is transferred; the amounts transferred; the date of such
