If personal leave 36 compensation equal to the employee's regular pay is paid prior to the award of the workers' 37 compensation benefit, the amount which, when added to the benefit, is in excess of the 38 employee's regular pay shall be deducted from the employee's subsequent pay. The employee's 39 accrued personal leave days shall be charged only for such days as equal the amount of personal 40 leave compensation required to compensate the employee at the employee's regular rate of pay.

(5) A county board may supplement the leave provisions in any manner it considers
advisable in accordance with applicable rules of the state Board and the provisions of this chapter
and chapter 18 of this code.

(c) Effective July 1, 2019, a classroom teacher who has not utilized more than four days of personal leave during the 200-day employment term shall receive a bonus of \$500 at the end of the school year. If the appropriations to the Department of Education for this purpose are insufficient to compensate all applicable classroom teachers, the Department of Education shall request a supplemental appropriation in an amount sufficient to compensate all eligible classroom teachers. This bonus may not be counted as part of the final average salary for the purpose of calculating retirement.

NOTE: The purpose of this bill is to provide that county board of education employee personal leave be accrued as earned throughout the employment term at the end of each pay period or on the last workday for separating employees instead of being accrued at the beginning of the employment term.
