Be it enacted by the Legislature of West Virginia:

CHAPTER 5B. ECONOMIC DEVELOPMENT ACT OF 1985.

ARTICLE 11. THE B.E.S.T. ACT.

§5B-11-1. Short title.

1 This article may be known and cited as the "Be Exceptional Starting Today Act" or the
 2 "BEST Act."

§5B-11-2. Purpose and findings.

1 (a) In the interest of allowing law enforcement to focus on violent and property crimes,
 2 generating revenue for education and other public purposes, and individual freedom; the
 3 Legislature of the State of West Virginia finds that the use of cannabis should be legal for a person
 4 21 years of age or older and taxed in a manner similar to alcohol.

5 (b) In the interest of the health and public safety of our citizenry, the Legislature further
 6 finds and declares that cannabis should be regulated in a manner similar to alcohol so that
 7 individuals will have to show proof of age before purchasing cannabis; selling, distributing, or
 8 transferring cannabis to minors and other individuals under the age of 21 shall remain illegal;
 9 driving under the influence of cannabis shall remain illegal; legitimate, taxpaying business people,
 10 and not criminal actors, will conduct sales of cannabis; cannabis sold in this state will be tested,
 11 labeled, and subject to additional regulations to ensure that consumers are informed and
 12 protected; and in the interest of enacting rational policies for the treatment of all variations of the
 13 cannabis plant, hemp should be regulated separately from strains of cannabis with higher delta-9
 14 tetrahydrocannabinol (THC) concentrations.

15 (c) The Legislature further finds that in light of the provisions of this article, any nonviolent

16 drug offender who is currently in the prison system, probation, or other correctional proceeding
17 with a cannabis offense shall be granted clemency and all cannabis related offenses shall be
18 removed from the person's criminal background history upon passage of this article.

§5B-11-3. Definitions.

1 As used in this article, unless the context otherwise requires:

2 (1) "Cannabis" means all parts of the plant of the genus cannabis whether growing or
3 flowering or not, the seeds thereof, the resin extracted from any part of the plant, and every
4 compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or its resin,
5 including marijuana concentrate. Cannabis does not include industrial hemp, nor does it include
6 fiber produced from the stalks, oil, or cake made from the seeds of the plant, sterilized seed of the
7 plant which is incapable of germination, or the weight of any other ingredient combined with
8 cannabis to prepare topical or oral administrations, food, drink, or other product;

9 (2) "Cannabis accessories" means any equipment, products, or materials of any kind
10 which are used, intended for use, or designed for use in planting, propagating, cultivating, growing,
11 harvesting, composting, manufacturing, compounding, converting, producing, processing,
12 preparing, testing, analyzing, packaging, repackaging, storing, vaporizing, or containing cannabis,
13 or for ingesting, inhaling, or otherwise introducing cannabis into the human body;

14 (3) "Cannabis cultivation facility" means an entity licensed to cultivate, prepare, and
15 package cannabis and sell cannabis to retail cannabis stores, to cannabis product manufacturing
16 facilities, and to other cannabis cultivation facilities, but not to consumers;

17 (4) "Cannabis establishment" means a cannabis cultivation facility, a cannabis testing
18 facility, a cannabis product manufacturing facility, or a retail cannabis store;

19 (5) "Cannabis market activity" means growing, harvesting, marketing, producing, or selling
20 cannabis for remuneration;

21 (6) "Cannabis product manufacturing facility" means an entity licensed to purchase
22 cannabis; manufacture, prepare, and package cannabis products; and sell cannabis and cannabis

23 products to other cannabis product manufacturing facilities and to retail cannabis stores, but not to
24 consumers;

25 (7) "Cannabis products" means concentrated cannabis products and cannabis products
26 that are comprised of cannabis and other ingredients and are intended for use or consumption,
27 such as, but not limited to, edible products, ointments, and tinctures;

28 (8) "Cannabis testing facility" means the Department of Agriculture or an entity contracted
29 to analyze and certify the safety and potency of cannabis;

30 (9) "Consumer" means a person 21 years of age or older who purchases cannabis or
31 cannabis products for personal use by persons 21 years of age or older, but not for resale to
32 others;

33 (10) "Department" means the Department of Commerce or its assigned or successor
34 agency;

35 (11) "Industrial hemp" means the plant of the genus cannabis and any part of such plant,
36 whether growing or not, as authorized pursuant to §19-12E-1 et seq. of this code;

37 (12) "Personal use" means possessing, manufacturing, transporting, consuming, or giving
38 away cannabis without remuneration;

39 (13) "Retail cannabis store" means an entity licensed to purchase cannabis from cannabis
40 cultivation facilities and cannabis products from cannabis product manufacturing facilities and to
41 sell cannabis and cannabis products to consumers; and

42 (14) "Secretary" means the Secretary of the Department of Commerce.

43 (15) "Unreasonably impracticable" means that the measures necessary to comply with the
44 requirements of this article to require such a high investment of risk, money, time, or any other
45 resource or asset that the operation of a cannabis establishment is not worthy of being carried out
46 in practice by a reasonably prudent businessperson.

§5B-11-4. Personal use of cannabis.

1 Notwithstanding any other provision of this code, the following acts are not unlawful and

2 may not be an offense under state law or be a basis for seizure or forfeiture of assets under state
3 law for persons 21 years of age or older:

4 (1) Possession of one ounce or less of dry leaf cannabis;

5 (2) Consumption and use of cannabis, including any form of derivatives of the plant, fibers,
6 oils, seeds, and includes providing another adult 21 years of age or older with up to one ounce
7 without remuneration: *Provided*, That this article does not permit consumption that is conducted in
8 a manner that endangers others: *Provided, however*, That state and local governments may
9 prohibit cannabis use on government owned property;

10 (3) Notwithstanding a municipal referendum pursuant to §5B-10-9 of this code,
11 manufacturing, displaying, purchasing, transporting, and sales of up to one ounce of cannabis is
12 approved to persons 21 years or older in substantial compliance with the cannabis market activity
13 requirements of this code; or

§5B-11-5. Public Smoking of Marijuana Prohibited.

1 (a) No person shall smoke cannabis in a public place. Any person who violates this
2 prohibition shall be guilty of a misdemeanor and, may be fined not more than \$250.

3 (b) No person shall consume cannabis while operating or driving a motor vehicle, boat,
4 vessel, aircraft, or other motorized device used for transportation. Any person who operates a
5 vehicle in violation of this subsection shall be guilty of a traffic violation and may be fined: (1) Not
6 more than \$500 for a first offense; (2) not more than \$1,000 for a second and each subsequent
7 offense; or (3) have his or her driver’s license suspended for up to six months, or both.

§5B-11-6. False Identification Prohibited.

1 (a) A person who is under 21 years of age shall not present or offer to a cannabis
2 establishment or the cannabis establishment’s agent or employee any written or oral evidence of
3 age that is false, fraudulent, or not actually the minor’s own, for the purpose of:

4 (1) Purchasing, attempting to purchase, or otherwise procuring or attempting to procure
5 cannabis; or

6 (2) Gaining access to a cannabis establishment.

7 (b) Any person who violates this section shall be guilty of a misdemeanor and, may be
8 fined not less than \$400 and not more than \$800.

§5B-11-7. Unlawful Cannabis Extraction Prohibited.

1 No person, other than a cannabis product manufacturer in compliance with this chapter
2 and department rules, shall perform solvent-based extractions on cannabis using solvents other
3 than water or vegetable glycerin. Any person who violates this section shall be guilty of a felony
4 and, upon conviction thereof, shall be imprisoned in a state correctional facility for not more than
5 three years, fined up to \$5,000, or both fined and imprisoned.

§5B-11-8. Lawful Operation of Cannabis-Related Facilities.

1 If undertaken by a person 21 years of age or older, the following acts shall not be illegal
2 under state law or be a basis for seizure or forfeiture of assets under state law:

3 (1) Possessing, displaying, or transporting cannabis or cannabis products; obtaining or
4 purchasing cannabis from a cannabis cultivation facility; delivering or transferring cannabis to a
5 cannabis testing facility; obtaining or purchasing cannabis or cannabis products from a cannabis
6 product manufacturing facility; or sale, delivery, or distribution of cannabis or cannabis products to
7 an adult who is 21 years of age or older or to retail cannabis stores, if the person conducting the
8 activities described in this paragraph has obtained a current, valid registration to operate a retail
9 cannabis store or is acting in his or her capacity as an owner, employee, or agent of a registered
10 retail cannabis store;

11 (2) Cultivating, harvesting, processing, packaging, transporting, displaying, or possessing
12 cannabis; obtaining or purchasing cannabis seeds or seedlings or immature cannabis plants from
13 any adult 21 years of age or older; delivery or transfer of cannabis to a cannabis testing facility;
14 selling or transferring cannabis that has not been processed into extracts, concentrates, or other

15 preparations to a cannabis cultivation facility, a cannabis product manufacturing facility, or a retail
16 cannabis store; or obtaining or purchasing cannabis from a cannabis cultivation facility, if the
17 person conducting the activities described in this paragraph has obtained a current, valid
18 registration to operate a cannabis cultivation facility or is acting in his or her capacity as an owner,
19 employee, or agent of a registered cannabis cultivation facility;

20 (3) Packaging, processing, transporting, manufacturing, displaying, or possessing
21 cannabis or cannabis products; delivery or transfer of cannabis or cannabis products to a cannabis
22 testing facility; selling cannabis or cannabis products to a retail cannabis store or a cannabis
23 product manufacturing facility; purchasing or obtaining cannabis from a cannabis cultivation
24 facility; or purchasing or obtaining cannabis or cannabis products from a cannabis product
25 manufacturing facility, if the person conducting the activities described in this paragraph has
26 obtained a current, valid registration to operate a cannabis product manufacturing facility or is
27 acting in his or her capacity as an owner, employee, or agent of a registered cannabis product
28 manufacturing facility;

29 (4) Possessing, obtaining, cultivating, processing, storing, transporting, receiving, or

39 activities described in this paragraph possesses a valid registration to operate an alternative
40 treatment center or is acting in his or her capacity as an owner, employee, or agent of a registered

41 alternative treatment center.

§5B-11-9. Enactment of Municipal Ordinances.

1 A municipality may enact an ordinance prohibiting or limiting the number and type of
2 marijuana establishments that may be permitted within the municipality, and regulating the time,
3 place, and manner of operation of a marijuana establishment which is permitted within the
4 municipality. A municipality may enact an ordinance specifying the entity within the municipality
5 that shall be responsible for reviewing applications submitted for a registration to operate a
6 marijuana establishment within the municipality. The entity designated by the municipality shall be
7 responsible for indicating whether the application is in compliance with local ordinances.

§5B-11-10. Lawful operation of cannabis market activity and related facilities; diversity
licensing goals.

1 (a) Pursuant to the permit restrictions and the regulations as authorized and required
2 pursuant to this article, it shall be lawful to:

3 (1) Manufacture, possess, or purchase cannabis, cannabis products and accessories or
4 sell cannabis products and accessories to a person who is 21 years of age or older;

5 (2) Possess, display, or transport cannabis or cannabis products; purchase cannabis from
6 a cannabis cultivation facility; purchase cannabis or cannabis products from a cannabis product
7 manufacturing facility; or sell cannabis or cannabis products to consumers, if the person
8 conducting the activities described in this section has obtained a current, valid, permit, certification
9 or other appropriate license to operate a retail cannabis store or is acting in his or her capacity as
10 an owner, employee or agent of a licensed retail cannabis store;

11 (3) Cultivate, harvest, process, package, transport, display, or possess cannabis; deliver or
12 transfer of cannabis to a cannabis testing facility; sell cannabis to a cannabis cultivation facility, a
13 cannabis product manufacturing facility, or a retail cannabis store; or purchase cannabis from a
14 cannabis cultivation facility, if the person conducting the activities described in this section has
15 obtained a current, valid license to operate a cannabis cultivation facility or is acting in his or her

16 capacity as an owner, employee, or agent of a licensed cannabis cultivation facility;

17 (4) Package, process, transport, manufacture, display, or possess cannabis or cannabis
18 products; deliver or transfer cannabis or cannabis products to a cannabis testing facility; sell
19 cannabis or cannabis products to a retail cannabis store or a cannabis product manufacturing
20 facility; purchase cannabis from a cannabis cultivation facility; or purchase cannabis or cannabis
21 products from a cannabis product manufacturing facility, if the person conducting the activities
22 described in this section has obtained a current, valid license to operate a cannabis product
23 manufacturing facility or is acting in his or her capacity as an owner, employee, or agent of a
24 licensed cannabis product manufacturing facility;

25 (5) Posses, cultivate, process, repackage, store, transport, display, transfer or deliver
26 cannabis or cannabis products if the person has obtained a current, valid license to operate a
27 cannabis testing facility or is acting in his or her capacity as an owner, employee, or agent of a
28 licensed cannabis testing facility; or

29 (6) Leasing or otherwise allowing the use of property owned, occupied or controlled by any
30 person, corporation or other entity for any of the activities conducted lawfully in accordance with
31 this section.

32 (b) In municipalities that have rejected the referendum to allow commercial cannabis
33 activity, it shall none-the-less be lawful for the residents of those municipalities to posses up to one
34 ounce of dry leaf and flowering cannabis, manufacture, transport, and use personal cannabis in
35 any form, and may give away without remuneration up to one ounce of cannabis to an adult over
36 the age of 21.

37 (c) No person in substantial compliance with the provisions of this article may be subjected
38 to, nor may any lawful act engaged in pursuant to this article be considered an offense under state
39 law or be a basis for the seizure or forfeiture of assets, including pursuant to the provisions of
40 §60A-7-1 et seq. of this code.

41 (d) The department shall adopt diversity licensing goals that provide meaningful

42 participation of communities disproportionately affected by cannabis prohibition and enforcement,
43 including minority business enterprises, women business enterprises, and veteran business
44 enterprises. The department may consult or designate authority to another governmental entity to
45 create training programs designed and implemented to achieve meaningful participation by
46 minority persons, women, and veterans. These programs shall include, but not be limited to: (i)
47 Recruitment of minority-owned, women-owned, or veteran-owned business enterprises to
48 become licensed in cannabis-related business; (ii) development of workforce training for
49 minorities, women, and veterans to enter into cannabis-related businesses; (iii) creation of
50 employer training to attract minorities, women, and veterans into the workforce; and (iv) outreach
51 to disadvantaged groups, including consultations with state agencies and providing education and
52 training opportunities. The department shall prepare an annual report including, but not limited to:
53 (i) Total number of license cannabis retailers or businesses engaged in cannabis market activity;
54 (ii) number and percentage of licenses provided to minority, women, and veteran owned
55 businesses; (iii) total number and percentage of minority, women, and veteran employees in the
56 cannabis industry; and (iv) recommendations on reducing or eliminating any identified barriers to
57 entry, including access to capital in the cannabis industry. The reports shall be submitted to the
58 Joint Committee on Government and Finance, the clerks of the House and Senate, and the
59 Governor.

§5B-11-11. Regulation of cannabis; rule-making authority.

1 (a) On or before June 1, 2023, the secretary shall promulgate legislative rules necessary
2 for implementation of the provisions of this article.

3 (b) Rules regulating cannabis market activity may not prohibit or restrict the growing,
4 manufacturing, transporting, possessing or use of cannabis by adults 21 years old or older, for
5 personal use without remuneration as authorized pursuant to the provisions of this article.

6 (c) Legislative rules providing for the regulation of cannabis market activity shall include
7 the permitting requirements for the operation of cannabis establishments, and shall include:

8 (1) Procedures for the issuance, renewal, suspension, and revocation of a license to
9 operate a cannabis establishment;

10 (2) A schedule of application, licensing and renewal fees: *Provided*, That application fees
11 may not exceed \$1,000, for farmers who are residents of this state growing less than 100
12 continuous acres, nor exceed \$10,000 for commercial market activity with production greater than
13 100 acres.

14 (3) Qualifications for licensure that are directly and demonstrably related to the operation of
15 a cannabis establishment;

16 (4) Security requirements for cannabis establishments;

17 (5) Requirements to prevent the sale or diversion of cannabis and cannabis products to
18 persons under the age of 21;

19 (6) Labeling requirements for cannabis and cannabis products sold or distributed by a
20 cannabis establishment;

21 (7) Health and safety regulations and standards for the cultivation and manufacture of
22 cannabis products;

23 (8) Restrictions on the advertising and display of cannabis and cannabis products; and

24 (9) Civil penalties for the failure to comply with rules made pursuant to this article.

25 (d) In order to ensure that individual privacy is protected, the department may not require a
26 consumer to provide a retail cannabis store with personal information other than government-
27 issued identification to determine the consumer's age, and a retail cannabis store may not be
28 required to acquire and record personal information about consumers other than information
29 typically acquired in a financial transaction conducted at a retail store.

30 (e) A municipality may enact ordinances, not in conflict with this state's law or with rules
31 enacted pursuant to this article, governing the times of operation, locations, manner, and number
32 of cannabis establishment operations.

33 (f) Each application for an annual license to operate a cannabis establishment shall be

34 submitted to the department. The department shall:

35 (1) Begin accepting and processing applications by October 1, 2023;

36 (2) Immediately forward a copy of each application and half of the license application fee to
37 the county and municipality pursuant to the provisions of this article, in which the applicant desires
38 to operate the cannabis establishment;

39 (3) Issue a license to an applicant no more than 90 days after receipt of an application
40 unless the department has not received the fee or is notified by the relevant municipality that the
41 applicant is not in compliance with applicable laws, rules and regulations at the time of application:

42 Provided, That where a municipality has enacted a numerical limit on the number of cannabis
43 establishments and a greater number of applicants seek licenses, the department shall solicit and
44 consider input from the municipality as to its preference or preferences for licensure; and

45 (4) Upon denial of an application, notify the applicant in writing of the specific reason for its
46 denial and of the right to remedy any discrepancy or how to appeal the decision of the department.

§5B-11-12. Safety Inserts and Warning Labels.

1 (a) A retail cannabis store shall include a safety insert designed by the Department of
2 Health and Human Resources with all cannabis and cannabis products sold to consumers.

3 (b) All cannabis and cannabis products sold by a retail cannabis store shall include warning
4 labels that provide the following information:

5 (1) "Warning: This product has intoxicating effects."

6 (2) "For use by adults 21 and older. Keep out of reach of children."

7 (c) All cannabis products sold by a retail cannabis store shall include:

8 (1) A warning label that provides, "Caution: When eaten or swallowed, the intoxicating
9 effects of this product may be delayed by two or more hours";

10 (2) A disclosure of ingredients and possible allergens;

11 (3) A nutritional fact panel; and

12 (4) Opaque, child-resistant packaging, which must be designed or constructed to be

13 significantly difficult for children under five years of age to open and not difficult for normal adults to
14 use properly.

§5B-11-13. Cannabis excise tax and sales tax; distribution.

1 (a) There shall be an excise tax to be levied upon cannabis sold or otherwise transferred by
2 a cannabis cultivation facility to a cannabis product manufacturing facility or to a retail cannabis
3 store at a rate of 17.5 percent of the sales price. The excise tax shall be deposited in the Cannabis
4 Transfer Tax Fund created in subsection (b) of this section and allocated pursuant to the provisions
5 of this section.

6 (b) There is hereby created a special fund in the State Treasury which shall be designated
7 and known as the "Cannabis Transfer Tax Fund". All revenues received from licensees pursuant
8 to this article shall be deposited with the State Treasurer and placed in the Cannabis Transfer Tax
9 Fund: *Provided*, That the department may deduct a portion of the funds to recover operating costs
10 associated with implementing the provisions of this article. The fund shall be an interest-bearing
11 account with interest to be credited to and deposited in the fund. The department shall establish
12 procedures for the collection of all taxes levied and may promulgate legislative rules, pursuant to
13 §29A-3-1 *et seq.* of this code, necessary to administer collection and enforcement of tax
14 collections, on a monthly basis, and the amount in the Cannabis Transfer Tax Fund shall remit
15 funds to the following special revenue funds as follows:

 5 with a cannabis establishment.

§5B-11-16. Medical cannabis provisions unaffected.

1 Nothing in this article shall be construed to limit any privileges or rights of a medical
 2 cannabis patient, caregiver, or other lawfully authorize activity pursuant to the Medical Cannabis
 3 Act in §16A-1-1 et seq. of this code.

CHAPTER 16A. MEDICAL CANNABIS ACT.

ARTICLE 5. PATIENTS.

§16A-5-10. Prohibitions.

1 [Repealed.]

ARTICLE 15. MICELLANEOUS PROVISIONS.

§16A-15-4. Protections for patients and caregivers.

1 (a) *Licensure.* — None of the following shall be subject to arrest, prosecution or penalty in
 2 any manner, or denied any right or privilege, including civil penalty or disciplinary action by a state
 3 licensing board or commission, solely for lawful use of medical cannabis or manufacture or sale or
 4 dispensing of medical cannabis, or for any other action taken in accordance with this act:

- 5 (1) A patient;
- 6 (2) A caregiver;

7 (3) A practitioner;

8 (4) A medical cannabis organization;

9 (5) A health care medical cannabis organization or university participating in a research
10 study under article 13 of this chapter;

11 (6) A clinical registrant or academic clinical research center under article 14 of this chapter;

12 (7) An employee, principal or financial backer of a medical cannabis organization;

13 (8) An employee of a health care medical cannabis organization or an employee of a
14 university participating in a research study under article 13 of this chapter;

15 (9) An employee of a clinical registrant or an employee of an academic clinical research
16 center under article 14 of this chapter.

17 (b) *Employment.* —

18 (1) No employer may discharge, threaten, refuse to hire or otherwise discriminate or
19 retaliate against an employee regarding an employee's compensation, terms, conditions, location
20 or privileges solely on the basis of such employee's status as an individual who is certified to use
21 medical cannabis.

22 (2) Nothing in this act shall require an employer to make any accommodation of the use of
23 medical cannabis on the property or premises of any place of employment. This act shall in no way
24 limit an employer's ability to discipline an employee for being under the influence of medical
25 cannabis in the workplace or for working while under the influence of medical cannabis when the
26 employee's conduct falls below the standard of care normally accepted for that position.

27 (3) Nothing in this act shall require an employer to commit any act that would put the
28 employer or any person acting on its behalf in violation of federal law.

29 (4) A patient may not operate or be in physical control of any of the following while under
30 the influence with a blood content of more than three nanograms of active tetrahydro cannabis per
31 milliliter of blood in serum:

32 (A) Chemicals which require a permit issued by the Federal Government or a state

33 government or an agency of the federal government.

34 (B) High-voltage electricity or any other public utility.

35 (C) Vehicle, aircraft, train, boat or heavy machinery.

36 (5) A patient may not perform any employment duties at heights or in confined spaces,
37 including, but not limited to, mining while under the influence of medical cannabis.

38 (6) A patient may be prohibited by an employer from performing any task which the
39 employer deems life-threatening, to either the employee or any of the employees of the employer,
40 while under the influence of medical cannabis. The prohibition shall not be deemed an adverse
41 employment decision even if the prohibition results in financial harm for the patient.

42 (7) A patient may be prohibited by an employer from performing any duty which could
43 result in a public health or safety risk while under the influence of medical cannabis. The
44 prohibition shall not be deemed an adverse employment decision even if the prohibition results in
45 financial harm for the patient.

46 (8) Certified medical cannabis users are subject to all provisions of §21-3E-1 et seq. of this
47 code: *Provided*, That a positive drug test indicating the presence of cannabis may not be grounds
48 for an adverse employment action unless testing indicated that the nanograms of active tetrahydro
49 cannabis per milliliter of blood in serum or urine exceeds those levels prescribed by the medical
50 cannabis user’s registered practitioner.

CHAPTER 60A. UNIFORM CONTROLLED SUBSTANCES ACT.

ARTICLE 7. WEST VIRGINIA CONTRABAND FORFEITURE ACT.

§60A-7-709. Limitations of the contraband forfeiture act; penalties for noncompliance.

1 (a) No person may be subject to the West Virginia Contraband Forfeiture Act, pursuant to
2 the provisions of this article or any other provision of this code, including that a person may not
3 have any rights infringed upon including those as granted by the Second Amendment to the
4 Constitution of the United States of America, where the person is in substantial compliance with

5 the provisions of chapter §16A-1-1 *et seq.* or §5B-10-1 *et seq.* of this code.

6 (b) A person subject to asset forfeiture in violation of this section shall be entitled to triple

7 damages, including for legal fees and court costs in any court in this state.

NOTE: The purpose of this bill is to legalize cannabis, provide for taxation of cannabis, and allow cannabis market activity as regulated by the Department of Commerce.
