## WEST VIRGINIA LEGISLATURE 2023 REGULAR SESSION

## Introduced

## House Bill 2300

By Delegate Walker

[Introduced January 11, 2023; Referred to the Committee on Finance]

Intr HB 2023R1248

A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section, designated §11-21-12n; to amend said code by adding thereto a new section, designated §11-24-23h; and to amend said code by adding thereto a new section, designated §16-35-4b, all relating to establishing tax credits for lead abatement in child occupied residences; establishing personal and corporate tax credit to owners or occupiers of these residences; providing for varying tax credits based on time periods when the credit is claimed; and providing for rule-making authority.

Be it enacted by the Legislature of West Virginia:

## **CHAPTER 11. TAXATION.**

	CHAPTER 11. TAXATION.

11	between July 1, 2026 and June 30, 2027.									
12	(b) The tax credit created herein is only applicable for the year it is earned and is not									
13	eligible to be banked for future tax years if the cost of the remediation exceeds the amount of credit									
14	exceeds the tax owed by the corporation claiming the credit.									
15	(c) The Department of Revenue may promulgate legislative rules pursuant to §29A-3-1 et									
16	seq. of this code as necessary to implement the provisions of this section.									
	CHAPTER 16. PUBLIC HEALTH.									
	ARTICLE		35.	LE	AD	AE	BATEMENT.			
	§16-35-4b. Duties of director relating to eligibility of tax credit for lead abateme									
	remediation projects.									
1	The Department of Health and Human Resources shall create and provide forms to									

Intr HB 2023R1248

- licensed lead abatement contractors for submission to the Department of Revenue verifying and
  affirming that the lead abatement project meets all state and federal abatement standards, the
  amount that was spent on the project, and the date the project was completed. The owner or
  operator of a child occupied residence must submit a copy of the form to the Tax Commission in
  order to qualify for the credit claimed during the taxable year. The Department of Health and
  Human Resources may promulgate legislative rules pursuant to §29A-3-1 et seq. of this code
- 8 <u>necessary to implement the provisions of this section.</u>

NOTE: The purpose of this bill is to create tax credits for persons and corporations that own or lease residential property where children reside or may reside that undertake lead abatement remediation projects; providing for a credit against personal income and corporate net income taxes for a percentage of the costs of the remediation; and allowing for agency rulemaking to implement the verification of eligibility requirements for and the tax credit program.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
