## **2023 REGULAR SESSION**

**Introduced**

### **House Bill 2370**

By Delegate Gearheart

[Introduced January 11, 2023; Referred to the  
Committee on Finance]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new section,  
2 designated §12-2-2a, relating to requiring a transfer from reappropriated revenue accounts  
3 to General Revenue Fund.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 2. PAYMENT AND DEPOSIT OF TAXES AND OTHER AMOUNTS DUE THE  
STATE OR ANY POLITICAL SUBDIVISION.**

**§12-2-2a. Mandatory transfer from reappropriated revenue accounts.**

1 (a) Notwithstanding any provision of this code, the Treasurer shall transfer 50 percent of  
2 the unencumbered balance of each reappropriated revenue account in the State Treasury to the  
3 General Fund within 30 days of the effective date of this section. This section does not require a  
4 transfer from an individual account if the transfer:  
5 (1) Is prohibited by federal law or a condition of an agreement granting the funds;  
6 (2) Would require the repayment of the amount transferred to an entity that provided the  
7 funds; or  
8 (3) Would jeopardize the repayment of bonds.  
9 (b) Once this section becomes effective, no transfer may be made from a reappropriated  
10 revenue account until the transfer required by subsection (a) of this section has been made.

NOTE: The purpose of this bill is to require the Treasurer to transfer 50 percent of the unencumbered balance of each reappropriated revenue account in the State Treasury to the General Fund, under certain circumstances.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
