WEST VIRGINIA LEGISLATURE

2023 REGULAR SESSION

Introduced

Senate Bill 174

By Senator Caputo

[Introduced January 13, 2023; referred

to the Committee on Health and Human Resources;

and then to the Committee on Finance]

A BILL to amend and reenact §5-16-7 of the Code of West Virginia, 1931, as amended; to amend
 and reenact §5-16B-6e of said code; to amend and reenact §33-16-3v of said code; to
 amend and reenact §33-24-7k of said code; and to amend and reenact §33-25A-8j of said
 code, all relating to increasing the required insurance coverage for autism spectrum
 disorders.

Be it enacted by the Legislature of West Virginia:

CHAPTER 5. GENERAL POWERS AND AUTHORITY OF THE GOVERNOR, SECRETARY OF STATE AND ATTORNEY GENERAL; BOARD OF PUBLIC WORKS; MISCELLANEOUS AGENCIES, COMMISSIONS, OFFICES, PROGRAMS, ETC.

ARTICLE 16. WEST VIRGINIA PUBLIC EMPLOYEES INSURANCE ACT.

§5-16-7. Authorization to establish group hospital and surgical insurance plan, group major medical insurance plan, group prescription drug plan, and group life and accidental death insurance plan; rules for administration of plans; mandated benefits; what plans may provide; optional plans; separate rating for claims experience purposes.

(a) The agency shall establish a group hospital and surgical insurance plan or plans, a
group prescription drug insurance plan or plans, a group major medical insurance plan or plans,
and a group life and accidental death insurance plan or plans for those employees herein made
eligible and establish and promulgate rules for the administration of these plans subject to the
limitations contained in this article. These plans shall include:

6 (1) Coverages and benefits for X-ray and laboratory services in connection with
7 mammograms when medically appropriate and consistent with current guidelines from the United
8 States Preventive Services Task Force; pap smears, either conventional or liquid-based cytology,

9 whichever is medically appropriate and consistent with the current guidelines from either the 10 United States Preventive Services Task Force or the American College of Obstetricians and 11 Gynecologists; and a test for the human papilloma virus when medically appropriate and 12 consistent with current guidelines from either the United States Preventive Services Task Force or 13 the American College of Obstetricians and Gynecologists, when performed for cancer screening 14 or diagnostic services on a woman age 18 or over;

15

(2) Annual checkups for prostate cancer in men age 50 and over;

(3) Annual screening for kidney disease as determined to be medically necessary by a
physician using any combination of blood pressure testing, urine albumin or urine protein testing,
and serum creatinine testing as recommended by the National Kidney Foundation;

(4) For plans that include maternity benefits, coverage for inpatient care in a duly licensed
health care facility for a mother and her newly born infant for the length of time which the attending
physician considers medically necessary for the mother or her newly born child. No plan may deny
payment for a mother or her newborn child prior to 48 hours following a vaginal delivery or prior to
96 hours following a caesarean section delivery if the attending physician considers discharge
medically inappropriate;

(5) For plans which provide coverages for post-delivery care to a mother and her newly
born child in the home, coverage for inpatient care following childbirth as provided in subdivision
(4) of this section if inpatient care is determined to be medically necessary by the attending
physician. These plans may include, among other things, medicines, medical equipment,
prosthetic appliances, and any other inpatient and outpatient services and expenses considered
appropriate and desirable by the agency; and

31 (6) Coverage for treatment of serious mental illness:

(A) The coverage does not include custodial care, residential care, or schooling. For
 purposes of this section, "serious mental illness" means an illness included in the American
 Psychiatric Association's diagnostic and statistical manual of mental disorders, as periodically

Intr SB

2023R1470

revised, under the diagnostic categories or subclassifications of: (i) Schizophrenia and other psychotic disorders; (ii) bipolar disorders; (iii) depressive disorders; (iv) substance-related disorders with the exception of caffeine-related disorders and nicotine-related disorders; (v) anxiety disorders; and (vi) anorexia and bulimia. With regard to a covered individual who has not yet attained the age of 19 years, "serious mental illness" also includes attention deficit hyperactivity disorder, separation anxiety disorder, and conduct disorder.

41 (B) The agency shall not discriminate between medical-surgical benefits and mental health 42 benefits in the administration of its plan. With regard to both medical-surgical and mental health 43 benefits, it may make determinations of medical necessity and appropriateness and it may use 44 recognized health care guality and cost management tools including, but not limited to, limitations 45 on inpatient and outpatient benefits, utilization review, implementation of cost-containment 46 measures, preauthorization for certain treatments, setting coverage levels, setting maximum 47 number of visits within certain time periods, using capitated benefit arrangements, using fee-for-48 service arrangements, using third-party administrators, using provider networks, and using patient 49 cost sharing in the form of copayments, deductibles, and coinsurance. Additionally, the agency 50 shall comply with the financial requirements and quantitative treatment limitations specified in 45 CFR 146.136(c)(2) and (c)(3), or any successor regulation. The agency may not apply any 51 52 nonquantitative treatment limitations to benefits for behavioral health, mental health, and 53 substance use disorders that are not applied to medical and surgical benefits within the same 54 classification of benefits: *Provided*, That any service, even if it is related to the behavioral health, 55 mental health, or substance use diagnosis if medical in nature, shall be reviewed as a medical 56 claim and undergo all utilization review as applicable;

57 (7) Coverage for general anesthesia for dental procedures and associated outpatient 58 hospital or ambulatory facility charges provided by appropriately licensed health care individuals in 59 conjunction with dental care if the covered person is:

60

(A) Seven years of age or younger or is developmentally disabled and is an individual for

61 whom a successful result cannot be expected from dental care provided under local anesthesia 62 because of a physical, intellectual, or other medically compromising condition of the individual and 63 for whom a superior result can be expected from dental care provided under general anesthesia. 64 (B) A child who is 12 years of age or younger with documented phobias or with 65 documented mental illness and with dental needs of such magnitude that treatment should not be delayed or deferred and for whom lack of treatment can be expected to result in infection, loss of 66 67 teeth, or other increased oral or dental morbidity and for whom a successful result cannot be 68 expected from dental care provided under local anesthesia because of such condition and for 69 whom a superior result can be expected from dental care provided under general anesthesia.

70 (8) (A) Any plan issued or renewed on or after January 1, 2012, shall include coverage for 71 diagnosis, evaluation, and treatment of autism spectrum disorder in individuals ages 18 months to 72 18 years. To be eligible for coverage and benefits under this subdivision, the individual must be 73 diagnosed with autism spectrum disorder at age eight or younger. Such plan shall provide 74 coverage for treatments that are medically necessary and ordered or prescribed by a licensed 75 physician or licensed psychologist and in accordance with a treatment plan developed from a 76 comprehensive evaluation by a certified behavior analyst for an individual diagnosed with autism 77 spectrum disorder.

78 (B) The coverage shall include, but not be limited to, applied behavior analysis which shall 79 be provided or supervised by a certified behavior analyst. The annual maximum benefit for applied 80 behavior analysis required by this subdivision shall be in an amount not to exceed \$30,000 81 \$90,000 per individual for three consecutive years from the date treatment commences. At the 82 conclusion of the third year, coverage for applied behavior analysis required by this subdivision 83 shall be in an amount not to exceed \$2,000 \$6,000 per month, until the individual reaches 18 years 84 of age, as long as the treatment is medically necessary and in accordance with a treatment plan 85 developed by a certified behavior analyst pursuant to a comprehensive evaluation or reevaluation 86 of the individual. This subdivision does not limit, replace, or affect any obligation to provide

services to an individual under the Individuals with Disabilities Education Act, 20 U.S.C. §1400 *et seq.*, as amended from time to time, or other publicly funded programs. Nothing in this subdivision
requires reimbursement for services provided by public school personnel.

90 (C) The certified behavior analyst shall file progress reports with the agency semiannually.
91 In order for treatment to continue, the agency must receive objective evidence or a clinically
92 supportable statement of expectation that:

93 (i) The individual's condition is improving in response to treatment;

94 (ii) A maximum improvement is yet to be attained; and

95 (iii) There is an expectation that the anticipated improvement is attainable in a reasonable96 and generally predictable period of time.

97 (D) On or before January 1 each year, the agency shall file an annual report with the Joint 98 Committee on Government and Finance describing its implementation of the coverage provided 99 pursuant to this subdivision. The report shall include, but not be limited to, the number of 100 individuals in the plan utilizing the coverage required by this subdivision, the fiscal and 101 administrative impact of the implementation and any recommendations the agency may have as 102 to changes in law or policy related to the coverage provided under this subdivision. In addition, the 103 agency shall provide such other information as required by the Joint Committee on Government 104 and Finance as it may request.

105 (E) For purposes of this subdivision, the term:

(i) "Applied behavior analysis" means the design, implementation, and evaluation of
 environmental modifications using behavioral stimuli and consequences in order to produce
 socially significant improvement in human behavior and includes the use of direct observation,
 measurement, and functional analysis of the relationship between environment and behavior.

(ii) "Autism spectrum disorder" means any pervasive developmental disorder including
 autistic disorder, Asperger's syndrome, Rett syndrome, childhood disintegrative disorder, or
 Pervasive Development Disorder as defined in the most recent edition of the Diagnostic and

113 Statistical Manual of Mental Disorders of the American Psychiatric Association.

(iii) "Certified behavior analyst" means an individual who is certified by the Behavior
 Analyst Certification Board or certified by a similar nationally recognized organization.

(iv) "Objective evidence" means standardized patient assessment instruments, outcome measurements tools, or measurable assessments of functional outcome. Use of objective measures at the beginning of treatment, during, and after treatment is recommended to quantify progress and support justifications for continued treatment. The tools are not required but their use will enhance the justification for continued treatment.

121 (F) To the extent that the provisions of this subdivision require benefits that exceed the 122 essential health benefits specified under section 1302(b) of the Patient Protection and Affordable 123 Care Act, Pub. L. No. 111-148, as amended, the specific benefits that exceed the specified 124 essential health benefits shall not be required of insurance plans offered by the Public Employees 125 Insurance Agency.

(9) For plans that include maternity benefits, coverage for the same maternity benefits for
all individuals participating in or receiving coverage under plans that are issued or renewed on or
after January 1, 2014: *Provided*, That to the extent that the provisions of this subdivision require
benefits that exceed the essential health benefits specified under section 1302(b) of the Patient
Protection and Affordable Care Act, Pub. L. No. 111-148, as amended, the specific benefits that
exceed the specified essential health benefits shall not be required of a health benefit plan when
the plan is offered in this state.

(10) (A) A policy, plan, or contract that is issued or renewed on or after January 1, 2019, and that is subject to this section, shall provide coverage, through the age of 20, for amino acidbased formula for the treatment of severe protein-allergic conditions or impaired absorption of nutrients caused by disorders affecting the absorptive surface, function, length, and motility of the gastrointestinal tract. This includes the following conditions, if diagnosed as related to the disorder by a physician licensed to practice in this state pursuant to either §30-3-1 *et seg.* or §30-14-1 *et*

139 *seq.* of this code:

(i) Immunoglobulin E and nonimmunoglobulin E-medicated allergies to multiple foodproteins;

142 (ii) Severe food protein-induced enterocolitis syndrome;

143 (iii) Eosinophilic disorders as evidenced by the results of a biopsy; and

(iv) Impaired absorption of nutrients caused by disorders affecting the absorptive surface,
 function, length, and motility of the gastrointestinal tract (short bowel).

(B) The coverage required by paragraph (A) of this subdivision shall include medical foods
for home use for which a physician has issued a prescription and has declared them to be
medically necessary, regardless of methodology of delivery.

(C) For purposes of this subdivision, "medically necessary foods" or "medical foods" shall
 mean prescription amino acid-based elemental formulas obtained through a pharmacy: *Provided*,
 That these foods are specifically designated and manufactured for the treatment of severe allergic
 conditions or short bowel.

(D) The provisions of this subdivision shall not apply to persons with an intolerance forlactose or soy.

(b) The agency shall, with full authorization, make available to each eligible employee, at full cost to the employee, the opportunity to purchase optional group life and accidental death insurance as established under the rules of the agency. In addition, each employee is entitled to have his or her spouse and dependents, as defined by the rules of the agency, included in the optional coverage, at full cost to the employee, for each eligible dependent.

160 (c) The finance board may cause to be separately rated for claims experience purposes:

161 (1) All employees of the State of West Virginia;

162 (2) All teaching and professional employees of state public institutions of higher education163 and county boards of education;

164

(3) All nonteaching employees of the Higher Education Policy Commission, West Virginia

165 Council for Community and Technical College Education, and county boards of education; or

166 (4) Any other categorization which would ensure the stability of the overall program.

(d) The agency shall maintain the medical and prescription drug coverage for Medicareeligible retirees by providing coverage through one of the existing plans or by enrolling the Medicare-eligible retired employees into a Medicare-specific plan, including, but not limited to, the Medicare/Advantage Prescription Drug Plan. If a Medicare-specific plan is no longer available or advantageous for the agency and the retirees, the retirees remain eligible for coverage through the agency.

(e) The agency shall establish procedures to authorize treatment with a nonparticipating
provider if a covered service is not available within established time and distance standards and
within a reasonable period after service is requested, and with the same coinsurance, deductible,
or copayment requirements as would apply if the service were provided at a participating provider,
and at no greater cost to the covered person than if the services were obtained at or from a
participating provider.

(f) If the Public Employees Insurance Agency offers a plan that does not cover services provided by an out-of-network provider, it may provide the benefits required in paragraph (A), subdivision (6), subsection (a) of this section if the services are rendered by a provider who is designated by and affiliated with the Public Employees Insurance Agency, and only if the same requirements apply for services for a physical illness.

(g) In the event of a concurrent review for a claim for coverage of services for the
prevention of, screening for, and treatment of behavioral health, mental health, and substance use
disorders, the service continues to be a covered service until the Public Employees Insurance
Agency notifies the covered person of the determination of the claim.

(h) Unless denied for nonpayment of premium, a denial of reimbursement for services for
the prevention of, screening for, or treatment of behavioral health, mental health, and substance
use disorders by the Public Employees Insurance Agency shall include the following language:

191 (1) A statement explaining that covered persons are protected under this section, which provides that limitations placed on the access to mental health and substance use disorder 192 193 benefits may be no greater than any limitations placed on access to medical and surgical benefits; 194 (2) A statement providing information about the internal appeals process if the covered 195 person believes his or her rights under this section have been violated; and 196 (3) A statement specifying that covered persons are entitled, upon request to the Public 197 Employees Insurance Agency, to a copy of the medical necessity criteria for any behavioral health, 198 mental health, and substance use disorder benefit. 199 (i) On or after June 1, 2021, and annually thereafter, the Public Employees Insurance 200 Agency shall submit a written report to the Joint Committee on Government and Finance that 201 contains the following information regarding plans offered pursuant to this section: 202 (1) Data that demonstrates parity compliance for adverse determination regarding claims 203 for behavioral health, mental health, or substance use disorder services and includes the total

204 number of adverse determinations for such claims;

205 (2) A description of the process used to develop and select:

206 (A) The medical necessity criteria used in determining benefits for behavioral health,207 mental health, and substance use disorders; and

208 (B) The medical necessity criteria used in determining medical and surgical benefits;

(3) Identification of all nonquantitative treatment limitations that are applied to benefits for
behavioral health, mental health, and substance use disorders and to medical and surgical
benefits within each classification of benefits; and

(4) The results of analyses demonstrating that, for medical necessity criteria described in
subdivision (2) of this subsection and for each nonquantitative treatment limitation identified in
subdivision (3) of this subsection, as written and in operation, the processes, strategies,
evidentiary standards, or other factors used in applying the medical necessity criteria and each
nonquantitative treatment limitation to benefits for behavioral health, mental health, and substance

use disorders within each classification of benefits are comparable to, and are applied no more stringently than, the processes, strategies, evidentiary standards, or other factors used in applying the medical necessity criteria and each nonquantitative treatment limitation to medical and surgical benefits within the corresponding classification of benefits.

(5) The Public Employees Insurance Agency's report of the analyses regardingnonquantitative treatment limitations shall include at a minimum:

(A) Identify factors used to determine whether a nonquantitative treatment limitation willapply to a benefit, including factors that were considered but rejected;

(B) Identify and define the specific evidentiary standards used to define the factors and any
 other evidence relied on in designing each nonquantitative treatment limitation;

227 (C) Provide the comparative analyses, including the results of the analyses, performed to 228 determine that the processes and strategies used to design each nonquantitative treatment 229 limitation, as written, and the written processes and strategies used to apply each nonguantitative 230 treatment limitation for benefits for behavioral health, mental health, and substance use disorders 231 are comparable to, and are applied no more stringently than, the processes and strategies used to 232 design and apply each nonquantitative treatment limitation, as written, and the written processes 233 and strategies used to apply each nonquantitative treatment limitation for medical and surgical 234 benefits;

(D) Provide the comparative analysis, including the results of the analyses, performed to determine that the processes and strategies used to apply each nonquantitative treatment limitation, in operation, for benefits for behavioral health, mental health, and substance use disorders are comparable to, and are applied no more stringently than, the processes and strategies used to apply each nonquantitative treatment limitation, in operation, for medical and surgical benefits; and

(E) Disclose the specific findings and conclusions reached by the Public Employees
 Insurance Agency that the results of the analyses indicate that each health benefit plan offered by

the Public Employees Insurance Agency complies with paragraph (B), subdivision (6), subsection(a) of this section.

(6) After the initial report required by this subsection, annual reports are only required for
any year thereafter during which the Public Employees Insurance Agency makes significant
changes to how it designs and applies medical management protocols.

(j) The Public Employees Insurance Agency shall update its annual plan document to
 reflect its comprehensive parity compliance. An annual report shall also be filed with the Joint
 Committee on Government and Finance and the Public Employees Insurance Agency Finance
 Board.

(k) This section is effective for policies, contracts, plans or agreements, beginning on or
after January 1, 2021. This section applies to all policies, contracts, plans, or agreements, subject
to this article that are delivered, executed, issued, amended, adjusted, or renewed in this state on
or after the effective date of this section.

ARTICLE 16B. WEST VIRGINIA CHILDREN'S HEALTH INSURANCE PROGRAM.

§5-16B-6e. Coverage for treatment of autism spectrum disorders. 1 (a) To the extent that the diagnosis, evaluation and treatment of autism spectrum disorders 2 are not already covered by this agency, on or after January 1, 2012, a policy, plan or contract 3 subject to this section shall provide coverage for such diagnosis, evaluation and treatment, for 4 individuals ages 18 months to 18 years. To be eligible for coverage and benefits under this section, 5 the individual must be diagnosed with autism spectrum disorder at age eight or younger. Such 6 policy shall provide coverage for treatments that are medically necessary and ordered or 7 prescribed by a licensed physician or licensed psychologist and in accordance with a treatment plan developed from a comprehensive evaluation by a certified behavior analyst for an individual 8 9 diagnosed with autism spectrum disorder.

(b) The coverage shall include, but not be limited to, applied behavior analysis. Applied
behavior analysis shall be provided or supervised by a certified behavior analyst. The annual

12 maximum benefit for applied behavior analysis required by this subsection shall be in an amount 13 not to exceed \$30,000 \$90,000 per individual, for three consecutive years from the date treatment 14 commences. At the conclusion of the third year, coverage for applied behavior analysis required 15 by this subsection shall be in an amount not to exceed \$2,000 \$6,000 per month, until the 16 individual reaches 18 years of age, as long as the treatment is medically necessary and in 17 accordance with a treatment plan developed by a certified behavior analyst pursuant to a 18 comprehensive evaluation or reevaluation of the individual. This section shall not be construed as 19 limiting, replacing or affecting any obligation to provide services to an individual under the 20 Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., as amended from time to time, 21 or other publicly funded programs. Nothing in this section shall be construed as requiring 22 reimbursement for services provided by public school personnel.

(c) The certified behavior analyst shall file progress reports with the agency semiannually.
In order for treatment to continue, the agency must receive objective evidence or a clinically
supportable statement of expectation that:

26 (1) The individual's condition is improving in response to treatment; and

27 (2) A maximum improvement is yet to be attained; and

(3) There is an expectation that the anticipated improvement is attainable in a reasonableand generally predictable period of time.

30 (d) On or before January 1 each year, the agency shall file an annual report with the Joint 31 Committee on Government and Finance describing its implementation of the coverage provided 32 pursuant to this section. The report shall include, but shall not be limited to, the number of 33 individuals in the plan utilizing the coverage required by this section, the fiscal and administrative 34 impact of the implementation, and any recommendations the agency may have as to changes in 35 law or policy related to the coverage provided under this section. In addition, the agency shall 36 provide such other information as may be requested by the Joint Committee on Government and 37 Finance as it may from time to time request.

38

(e) For purposes of this section, the term:

(1) "Applied Behavior Analysis" means the design, implementation, and evaluation of
environmental modifications using behavioral stimuli and consequences, to produce socially
significant improvement in human behavior, including the use of direct observation, measurement,
and functional analysis of the relationship between environment and behavior.

(2) "Autism spectrum disorder" means any pervasive developmental disorder, including
 autistic disorder, Asperger's Syndrome, Rett syndrome, childhood disintegrative disorder, or
 Pervasive Development Disorder as defined in the most recent edition of the Diagnostic and
 Statistical Manual of Mental Disorders of the American Psychiatric Association.

47 (3) "Certified behavior analyst" means an individual who is certified by the Behavior
48 Analyst Certification Board or certified by a similar nationally recognized organization.

(4) "Objective evidence" means standardized patient assessment instruments, outcome measurements tools or measurable assessments of functional outcome. Use of objective measures at the beginning of treatment, during and after treatment is recommended to quantify progress and support justifications for continued treatment. The tools are not required, but their use will enhance the justification for continued treatment.

(f) To the extent that the application of this section for autism spectrum disorder causes an
increase of at least one percent of actual total costs of coverage for the plan year the agency may
apply additional cost containment measures.

(g) To the extent that the provisions of this section require benefits that exceed the essential health benefits specified under section 1302(b) of the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended, the specific benefits that exceed the specified essential health benefits shall not be required of the West Virginia Children's Health Insurance Program.

CHAPTER 33. INSURANCE.

ARTICLE 16. GROUP ACCIDENT AND SICKNESS INSURANCE

§33-16-3v. Required coverage for treatment of autism spectrum disorders.

1 (a) Any insurer who, on or after January 1, 2012, delivers, renews or issues a policy of 2 group accident and sickness insurance in this state under the provisions of this article shall include 3 coverage for diagnosis, evaluation and treatment of autism spectrum disorder in individuals ages 4 18 months to 18 years. To be eligible for coverage and benefits under this section, the individual 5 must be diagnosed with autism spectrum disorder at age eight or younger. Such policy shall 6 provide coverage for treatments that are medically necessary and ordered or prescribed by a 7 licensed physician or licensed psychologist and in accordance with a treatment plan developed 8 from a comprehensive evaluation by a certified behavior analyst for an individual diagnosed with 9 autism spectrum disorder.

10 (b) Coverage shall include, but not be limited to, applied behavior analysis. Applied 11 behavior analysis shall be provided or supervised by a certified behavior analyst. The annual 12 maximum benefit for applied behavior analysis required by this subsection shall be in an amount 13 not to exceed \$30,000 \$90,000 per individual, for three consecutive years from the date treatment 14 commences. At the conclusion of the third year, required coverage shall be in an amount not to 15 exceed \$2,000 \$6,000 per month, until the individual reaches 18 years of age, as long as the 16 treatment is medically necessary and in accordance with a treatment plan developed by a certified 17 behavior analyst pursuant to a comprehensive evaluation or reevaluation of the individual. This 18 section shall not be construed as limiting, replacing or affecting any obligation to provide services 19 to an individual under the Individuals with Disabilities Education Act, 20 U.S.C. §1400 et seq., as 20 amended from time to time or other publicly funded programs. Nothing in this section shall be 21 construed as requiring reimbursement for services provided by public school personnel.

(c) The certified behavior analyst shall file progress reports with the insurer semiannually.
In order for treatment to continue, the insurer must receive objective evidence or a clinically
supportable statement of expectation that:

Intr SB

2023R1470

25 (1) The individual's condition is improving in response to treatment; and

26 (2) A maximum improvement is yet to be attained; and

27 (3) There is an expectation that the anticipated improvement is attainable in a reasonable28 and generally predictable period of time.

29

(d) For purposes of this section, the term:

(1) "Applied Behavior Analysis" means the design, implementation, and evaluation of
 environmental modifications using behavioral stimuli and consequences, to produce socially
 significant improvement in human behavior, including the use of direct observation, measurement,
 and functional analysis of the relationship between environment and behavior.

34 (2) "Autism spectrum disorder" means any pervasive developmental disorder, including
 35 autistic disorder, Asperger's Syndrome, Rett syndrome, childhood disintegrative disorder, or
 36 Pervasive Development Disorder as defined in the most recent edition of the Diagnostic and
 37 Statistical Manual of Mental Disorders of the American Psychiatric Association.

38 (3) "Certified behavior analyst" means an individual who is certified by the Behavior
 39 Analyst Certification Board or certified by a similar nationally recognized organization.

40 (4) "Objective evidence" means standardized patient assessment instruments, outcome
41 measurements tools or measurable assessments of functional outcome. Use of objective
42 measures at the beginning of treatment, during and after treatment is recommended to quantify
43 progress and support justifications for continued treatment. The tools are not required, but their
44 use will enhance the justification for continued treatment.

(e) The provisions of this section do not apply to small employers. For purposes of this
section a small employer means any person, firm, corporation, partnership or association actively
engaged in business in the State of West Virginia who, during the preceding calendar year,
employed an average of no more than 25 eligible employees.

(f) To the extent that the application of this section for autism spectrum disorder causes an
 increase of at least one percent of actual total costs of coverage for the plan year the insurer may

51 apply additional cost containment measures.

(g) To the extent that the provisions of this section require benefits that exceed the essential health benefits specified under section 1302(b) of the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended, the specific benefits that exceed the specified essential health benefits shall not be required of a health benefit plan when the plan is offered by a health care insurer in this state.

ARTICLE 24. HOSPITAL MEDICAL AND DENTAL CORPORATIONS.

§33-24-7k. Coverage for diagnosis and treatment of autism spectrum disorders.

1 (a) Notwithstanding any provision of any policy, provision, contract, plan or agreement to 2 which this article applies, any entity regulated by this article, for policies issued or renewed on or 3 after January 1, 2012, which delivers, renews or issues a policy of group accident and sickness 4 insurance in this state under the provisions of this article shall include coverage for diagnosis and 5 treatment of autism spectrum disorder in individuals ages 18 months to 18 years. To be eligible for 6 coverage and benefits under this section, the individual must be diagnosed with autism spectrum 7 disorder at age eight or younger. The policy shall provide coverage for treatments that are 8 medically necessary and ordered or prescribed by a licensed physician or licensed psychologist 9 and in accordance with a treatment plan developed from a comprehensive evaluation by a certified 10 behavior analyst for an individual diagnosed with autism spectrum disorder.

11 (b) Coverage shall include, but not be limited to, applied behavior analysis. Applied 12 behavior analysis shall be provided or supervised by a certified behavior analyst. The annual 13 maximum benefit for applied behavior analysis required by this subsection shall be in an amount 14 not to exceed \$30,000 \$90,000 per individual, for three consecutive years from the date treatment 15 commences. At the conclusion of the third year, coverage for applied behavior analysis required 16 by this subsection shall be in an amount not to exceed \$2,000 \$6,000 per month, until the 17 individual reaches 18 years of age, as long as the treatment is medically necessary and in 18 accordance with a treatment plan developed by a certified behavior analyst pursuant to a

comprehensive evaluation or reevaluation of the individual. This section shall not be construed as limiting, replacing or affecting any obligation to provide services to an individual under the Individuals with Disabilities Education Act, 20 U.S.C. 1400 *et seq.*, as amended from time to time or other publicly funded programs. Nothing in this section shall be construed as requiring reimbursement for services provided by public school personnel.

(c) The certified behavior analyst shall file progress reports with the agency semiannually.
In order for treatment to continue, the insurer must receive objective evidence or a clinically
supportable statement of expectation that:

27 (1) The individual's condition is improving in response to treatment; and

28 (2) A maximum improvement is yet to be attained; and

(3) There is an expectation that the anticipated improvement is attainable in a reasonable
and generally predictable period of time.

31 (d) For purposes of this section, the term:

(1) "Applied Behavior Analysis" means the design, implementation, and evaluation of
 environmental modifications using behavioral stimuli and consequences, to produce socially
 significant improvement in human behavior, including the use of direct observation, measurement,
 and functional analysis of the relationship between environment and behavior.

36 (2) "Autism spectrum disorder" means any pervasive developmental disorder, including
 37 autistic disorder, Asperger's Syndrome, Rett Syndrome, childhood disintegrative disorder, or
 38 Pervasive Development Disorder as defined in the most recent edition of the Diagnostic and
 39 Statistical Manual of Mental Disorders of the American Psychiatric Association.

40 (3) "Certified behavior analyst" means an individual who is certified by the Behavior
41 Analyst Certification Board or certified by a similar nationally recognized organization.

42 (4) "Objective evidence" means standardized patient assessment instruments, outcome
43 measurements tools or measurable assessments of functional outcome. Use of objective
44 measures at the beginning of treatment, during and after treatment is recommended to quantify

45 progress and support justifications for continued treatment. The tools are not required, but their46 use will enhance the justification for continued treatment.

(e) The provisions of this section do not apply to small employers. For purposes of this
section a small employer means any person, firm, corporation, partnership or association actively
engaged in business in the state of West Virginia who, during the preceding calendar year,
employed an average of no more than 25 eligible employees.

(f) To the extent that the application of this section for autism spectrum disorder causes an
increase of at least one percent of actual total costs of coverage for the plan year the corporation
may apply additional cost containment measures.

(g) To the extent that the provisions of this section require benefits that exceed the
essential health benefits specified under section 1302(b) of the Patient Protection and Affordable
Care Act, Pub. L. No. 111-148, as amended, the specific benefits that exceed the specified
essential health benefits shall not be required of a health benefit plan when the plan is offered by a
corporation in this state.

ARTICLE 25A. HEALTH MAINTENANCE ORGANIZATION ACT.

§33-25A-8j. Coverage for diagnosis and treatment of autism spectrum disorders.

1 (a) Notwithstanding any provision of any policy, provision, contract, plan or agreement to 2 which this article applies, any entity regulated by this article for policies issued or renewed on or 3 after January 1, 2012, which delivers, renews or issues a policy of group accident and sickness 4 insurance in this state under the provisions of this article shall include coverage for diagnosis, 5 evaluation and treatment of autism spectrum disorder in individuals ages 18 months to 18 years. 6 To be eligible for coverage and benefits under this section, the individual must be diagnosed with 7 autism spectrum disorder at age eight or younger. The policy shall provide coverage for treatments 8 that are medically necessary and ordered or prescribed by a licensed physician or licensed 9 psychologist and in accordance with a treatment plan developed from a comprehensive evaluation 10 by a certified behavior analyst for an individual diagnosed with autism spectrum disorder.

11 (b) Coverage shall include, but not be limited to, applied behavior analysis. Applied behavior analysis shall be provided or supervised by a certified behavior analyst. The annual 12 13 maximum benefit for applied behavior analysis required by this subsection shall be in an amount 14 not to exceed \$30,000 \$90,000 per individual, for three consecutive years from the date treatment 15 commences. At the conclusion of the third year, coverage for applied behavior analysis required 16 by this subsection shall be in an amount not to exceed \$2,000 \$6,000 per month, until the 17 individual reaches 18 years of age, as long as the treatment is medically necessary and in 18 accordance with a treatment plan developed by a certified behavior analyst pursuant to a 19 comprehensive evaluation or reevaluation of the individual. This section shall not be construed as 20 limiting, replacing or affecting any obligation to provide services to an individual under the 21 Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., as amended from time to time 22 or other publicly funded programs. Nothing in this section shall be construed as requiring 23 reimbursement for services provided by public school personnel.

(c) The certified behavior analyst shall file progress reports with the agency semiannually.
In order for treatment to continue, the agency must receive objective evidence or a clinically
supportable statement of expectation that:

(1) The individual's condition is improving in response to treatment; and

27

28 (2) A maximum improvement is yet to be attained; and

(3) There is an expectation that the anticipated improvement is attainable in a reasonableand generally predictable period of time.

31

(d) For purposes of this section, the term:

(1) "Applied Behavior Analysis" means the design, implementation, and evaluation of
 environmental modifications using behavioral stimuli and consequences, to produce socially
 significant improvement in human behavior, including the use of direct observation, measurement,
 and functional analysis of the relationship between environment and behavior.

36 (2) "Autism spectrum disorder" means any pervasive developmental disorder, including

autistic disorder, Asperger's Syndrome, Rett syndrome, childhood disintegrative disorder, or
 Pervasive Development Disorder as defined in the most recent edition of the Diagnostic and
 Statistical Manual of Mental Disorders of the American Psychiatric Association.

40 (3) "Certified behavior analyst" means an individual who is certified by the Behavior
41 Analyst Certification Board or certified by a similar nationally recognized organization.

42 (4) "Objective evidence" means standardized patient assessment instruments, outcome 43 measurements tools or measurable assessments of functional outcome. Use of objective 44 measures at the beginning of treatment, during and after treatment is recommended to quantify 45 progress and support justifications for continued treatment. The tools are not required, but their 46 use will enhance the justification for continued treatment.

(e) The provisions of this section do not apply to small employers. For purposes of this
section a small employer means any person, firm, corporation, partnership or association actively
engaged in business in the state of West Virginia who, during the preceding calendar year,
employed an average of no more than 25 eligible employees.

(f) To the extent that the application of this section for autism spectrum disorder causes an
increase of at least one percent of actual total costs of coverage for the plan year the health
maintenance organization may apply additional cost containment measures.

(g) To the extent that the provisions of this section require benefits that exceed the
essential health benefits specified under section 1302(b) of the Patient Protection and Affordable
Care Act, Pub. L. No. 111-148, as amended, the specific benefits that exceed the specified
essential health benefits shall not be required of a health benefit plan when the plan is offered by a
health maintenance organization in this state.

NOTE: The purpose of this bill is to increase the required medical coverage from various providers relating to autism spectrum disorders.

Strike-throughs indicate language that would be stricken from a heading or the present law, and underscoring indicates new language that would be added.
