2 to making permanent windshield placards that benefit persons with mobility impairment
3 valid for the duration of the applicant's life.

Be it enacted by the Legislature of West Virginia:

ARTICLE 13. STOPPING, STANDING, AND PARKING.

§17C-13-6. Stopping, standing, or parking privileges for persons with a mobility impairment; disabled veterans; definitions; qualification; special registration plates and removable windshield placards; expiration, application; violation; penalties.

1 (a)(1) The commissioner may issue up to two special registration plates or removable
2 windshield placards to a person with a mobility impairment or a West Virginia organization which
3 transports persons with disabilities and facilitates the mobility of its customers, patients, students,
4 or persons otherwise placed under its responsibility.

5 (2) Special registration plates or placards may only be issued for placement on a Class A
6 or Class G motor vehicle registered under the provisions of §17A-3-1 *et seq.* of this code.

7 (3) The applicant shall specify whether he or she is applying for a special registration plate,
8 a removable windshield placard, or both on the application form prescribed and furnished by the
9 commissioner.

10 (4) The applicant shall submit, with the application, a certificate issued by any physician,
11 chiropractor, advanced nurse practitioner, or physician's assistant who is licensed in this state,
12 stating that the applicant has a mobility impairment, or that the applicant is an organization which
13 regularly transports a person with a mobility impairment as defined in this section. The physician,
14 chiropractor, advanced nurse practitioner, or physician's assistant shall specify in the certificate
15 whether the disability is temporary or permanent. A disability which is temporary is one expected
16 to last for a limited duration and improve during the applicant's life. A disability which is permanent
17 is one which is expected to last during the duration of the applicant's life.

18 (5) Upon receipt of the completed application, the physician's certificate and the regular

19 registration fee for the applicant's vehicle class, if the commissioner finds that the applicant
20 qualifies for the special registration plate or a removable windshield placard as provided in this
21 section, he or she shall issue to the applicant a special registration plate (upon remittance of the
22 regular registration fee) or a removable windshield placard (red for temporary and blue for
23 permanent), or both. Upon request, the commissioner shall also issue to any otherwise qualified
24 applicant one additional placard having the same expiration date as the applicant's original
25 placard. The placard shall be displayed by hanging it from the interior rearview mirror of the motor
26 vehicle so that it is conspicuously visible from outside the vehicle when parked in a designated
27 accessible parking space. The placard may be removed from the rearview mirror whenever the
28 vehicle is being operated to ensure clear vision and safe driving. Only in the event that there is no
29 suitable rearview mirror in the vehicle may the placard be displayed on the dashboard of the
30 vehicle.

31 (6) Organizations which transport people with disabilities will be provided with a placard
32 which will permit them to park in a designated area for the length of time necessary to load and
33 unload passengers. These vehicles must be moved to a nondesignated space once the loading or

125 ~~permanent removable windshield placards~~ on the last day of a given month and year, to be valid

153 to the accessible parking space displaying the international symbol of access sign mounted at a
154 minimum of eight feet above the pavement or sidewalk and the top of the sign. Lines or markings
155 on the pavement or curbs for parking spaces and access aisles may be in any color, although blue

173 which creates parking zones for special types of vehicles or which prohibits parking during heavy
174 traffic periods during specified rush hours or where parking would clearly present a traffic hazard.

175 To the extent any provision of any ordinance of any political subdivision of this state is contrary to
176 the provisions of this section, the provisions of this section take precedence and apply.

177 The parking privileges provided for in this subsection apply only during those times when
178 the vehicle is being used for the loading or unloading of a person with a mobility impairment. Any
179 person who knowingly exercises, or attempts to exercise, these privileges at a time when the
180 vehicle is not being used for the loading or unloading of a person with a mobility impairment is

184 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined
185 \$500.

187 removable windshield placard may not stop, stand, or park a motor vehicle in an area designated,
188 zoned, or marked for accessible parking with signs or instructions displaying the international
189 symbol of access, either by itself or with explanatory text. The signs may be mounted on a post or
190 a wall in front of the accessible parking space and instructions may appear on the ground or
191 pavement, but use of both methods is preferred. Accessible parking spaces for vans having an
192 eight-foot adjacent access aisle should be designated as "van accessible" but may be used by any
193 vehicle displaying a valid special registration plate or removable windshield placard.

194 Any person who violates the provisions of this subsection is guilty of a misdemeanor and,
195 upon conviction thereof, shall be fined \$200; upon second conviction thereof, in addition to any
196 other penalty he or she may otherwise incur, shall be fined \$300; and upon third and subsequent
197 convictions thereof, in addition to any other penalty he or she may otherwise incur, shall be fined
198 \$500.

199 (l) All signs that designate areas as "accessible parking" or that display the international
200 symbol of access shall also include the words "Up to \$500 fine".

201 (m) No person may stop, stand, or park a motor vehicle in an area designated or marked off
202 as an access aisle adjacent to a van-accessible parking space or regular accessible parking
203 space. Any person, including a driver of a vehicle displaying a valid removable windshield placard
204 or special registration plate, who violates the provisions of this subsection is guilty of a
205 misdemeanor and, upon conviction thereof, shall be fined \$200; upon second conviction thereof,
206 in addition to any other penalty he or she may otherwise incur, shall be fined \$300; and upon third
207 and subsequent convictions thereof, in addition to any other penalty he or she may otherwise
208 incur, shall be fined \$500.

209 (n) Parking enforcement personnel who otherwise enforce parking violations may issue
210 citations for violations of this section and shall reference the number on the vehicle's license plate,
211 since the driver normally will not be present.

212 (o) Law-enforcement agencies may establish a program to use trained volunteers to
213 collect information necessary to issue citations to persons who illegally park in designated
214 accessible parking spaces. Any law-enforcement agency choosing to establish a program shall
215 provide for workers' compensation and liability coverage. The volunteers shall photograph the
216 illegally parked vehicle and complete a form, to be developed by supervising law-enforcement
217 agencies, that includes the vehicle's license plate number, date, time, and location of the illegally
218 parked vehicle. The photographs must show the vehicle in the accessible space and a readable
219 view of the license plate. Within the discretion of the supervising law-enforcement agency, the
220 volunteers may issue citations or the volunteers may submit the photographs of the illegally
221 parked vehicle and the form to the supervising law-enforcement agency, who may issue a citation,
222 which includes the photographs and the form, to the owner of the illegally parked vehicle.
223 Volunteers shall be trained on the requirements for citations for vehicles parked in marked, zoned,
224 or designated accessible parking areas by the supervising law-enforcement agency.

225 (p) Local authorities who adopt the basic enforcement provisions of this section and issue
226 their own local ordinances shall retain all fines and associated late fees. These revenues shall be

227 used first to fund the provisions of subsection (o) of this section, if adopted by local authorities, or
228 otherwise shall go into the local authorities' General Revenue Fund. Otherwise, any moneys
229 collected as fines shall be collected for and remitted to the state.

230 (q) The commissioner shall prepare and issue a document to applicants describing the
231 privileges accorded a vehicle having a special registration plate and removable windshield placard
232 as well as the penalties when the vehicle is being inappropriately used as described in this section
233 and shall include the document along with the issued special registration plate or windshield
234 placard. In addition, the commissioner shall issue a separate document informing the general
235 public regarding the new provisions and increased fines being imposed either by way of
236 newspaper announcements or other appropriate means across the state.

237 (r) The commissioner shall propose rules for legislative approval in accordance with the
238 provisions of §29A-3-1 *et seq.* of this code.

NOTE: The purpose of this bill is to allow for a permanent windshield placard to be valid for the duration of the applicant's life. This bill is by request of the Department of Transportation, Division of Motor Vehicles.
