#### **§11-16-3. Definitions.**

1 For the purpose of this article, except where the context clearly requires differently:

2 (1) "Brand" means a nonintoxicating beer product manufactured, brewed, mixed,  
3 concocted, blended, bottled, or otherwise produced, imported, or transshipped by a brewer or  
4 manufacturer, the labels of which have been registered and approved by the commissioner, that is

5 being offered for sale or sold in West Virginia by a distributor who has been appointed in a valid  
6 franchise agreement or a valid amendment thereto.

7 (2) "Brewer" or "manufacturer" means any person manufacturing, otherwise producing,  
8 importing, or transshipping nonintoxicating beer or nonintoxicating craft beer for sale at wholesale  
9 to any licensed distributor. Brewer or manufacturer may be used interchangeably throughout this  
10 article. A brewer may obtain only one brewer's license for its nonintoxicating beer or  
11 nonintoxicating craft beer.

12 (3) "Brewpub" means a place of manufacture of nonintoxicating beer or nonintoxicating  
13 craft beer owned by a resident brewer, subject to federal and state regulations and ~~guidelines,~~  
14 rules, a portion of which premises is designated for retail sales of nonintoxicating beer or

28 relating to the distributor license, is liable for acts of the trust or its beneficiaries relating to the  
29 distributor license that are unlawful acts or violations of §11-16-1 *et seq.* of this code  
30 notwithstanding the liability of trustees in §44D-10-1 *et seq.* of this code.

31 (8) "Franchise agreement" means the written agreement between a brewer and a  
32 distributor that is identical as to terms and conditions between the brewer and all its distributors,  
33 which ~~agreement~~ has been approved by the commissioner. The franchise agreement binds the  
34 parties so that a distributor, appointed by a brewer, may distribute all the brewer's nonintoxicating  
35 beer products, brands, or family of brands imported and offered for sale in West Virginia, including,  
36 but not limited to, existing brands, line extensions, and new brands all in the brewer's assigned  
37 territory for the distributor. All brands and line extensions being imported or offered for sale in West  
38 Virginia must be listed by the brewer in the franchise agreement or a written amendment to the  
39 franchise agreement. A franchise agreement may be amended by mutual written agreement of the  
40 parties as approved by the commissioner with identical terms and conditions for a brewer and all  
41 its distributors. Any approved amendment to the franchise agreement becomes a part of the  
42 franchise agreement. A brewer and a distributor may mutually agree in writing to cancel a  
43 franchise agreement. A distributor terminated by a brewer as provided in this article and the  
44 promulgated rules no longer has a valid franchise agreement. If a brewer has reached an

46 successor distributor who accedes to all the rights of the cancelled or terminated distributor.

47 (9) "Franchise distributor network" means the distributors who have entered into a binding  
48 written franchise agreement, identical as to terms and conditions, to distribute nonintoxicating

67 licensee in the secure area, and served to the patron by the licensee from the secure area.  
68 Notwithstanding any other provision of this code to the contrary, a securely sealed growler is not  
69 an open container under federal, state, and local law. A growler with a broken seal is an open  
70 container under federal, state, and local law unless it is located in an area of the motor vehicle  
71 physically separated from the passenger compartment. The secure sealing of a growler requires  
72 the use of a ~~tamper-resistant~~ tamper-evident seal, security tape, or other material, as approved by

79 or otherwise related to a brewer's existing brand through the use of a brewer, its subsidiaries,  
80 parent entities, contracted entities, affiliated entities, or other related entities. In determining
