2024 REGULAR SESSION

ENROLLED

Committee Substitute

for

House Bill 4350

BY DELEGATES HOLSTEIN AND KUMP

[Passed March 9, 2024; in effect January 1, 2025.]

1 AN ACT to amend and reenact §3-5-11 and §3-5-19 of the Code of West Virginia, 1931, as
2 amended, relating to filling vacancies on the ballot for election to a public office; and
3 prohibiting the filling of a vacancy for a candidate to an elected office after the time is
4 closed for announcing as a candidate which is caused by the failure of any person of a
5 particular party to file for the elected office.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5. PRIMARY ELECTIONS AND NOMINATING PROCEDURES.

§3-5-11. Withdrawals; filling vacancies in candidacy; publication.

1 a) A candidate who has filed a certificate of announcement and wishes to withdraw and
2 decline to stand as a candidate for the office shall file a signed and notarized statement of
3 withdrawal on a form provided by the Secretary of State with the same officer with whom the
4 certificate of announcement was filed. If the notarized statement of withdrawal is received by the
5 proper officer by the deadlines set forth in subsection (b) of this section, the candidate's
6 withdrawal is final and his or her name shall not be certified as a candidate nor printed on any
7 ballot. If a candidate files a notarized statement of withdrawal after the deadlines set forth in
8 subsection (b) of this section, the candidate shall not be withdrawn and the candidate's name
9 shall remain on the ballot.

10 (b) Deadlines for withdrawing as a candidate:

11 (1) For primary or special primary elections or nonpartisan elections held in conjunction
12 with a primary election: The notarized statement of withdrawal must be received by the same
13 officer with whom the certificate of announcement was filed by the close of business of that
14 officer not later than the third Tuesday following the close of the candidate filing period.

15 (2) For general or special general elections or nonpartisan elections held in conjunction
16 with a general election: The notarized statement of withdrawal must be received by the same
17 officer with whom the certificate of announcement was filed by the close of business of that
18 officer not later than 84 days before the general election.

19 (c) Upon request of the candidate's family, the board of ballot commissioners may
20 remove the name of a candidate who dies before the ballots are printed. If a candidate dies after
21 the ballots are printed but before the election, the clerk of the county commission shall give a
22 written notice which shall be posted with the sample ballot at each precinct with the county to
23 the following effect: "To the voter: (name) of (residence), a candidate for (office) is deceased."

24 (d) If after the time is closed for announcing as a candidate there is a vacancy on the
25 ballot caused by the failure of any person of a particular party to file for each available seat of
26 each available office, that vacancy may not be filled: *Provided*, That if no person in any party
27 has filed to run for an available seat or available office by the close of the candidate filing period,
28 the relevant party executive committee may fill the vacancy and submit the name to the
29 appropriate filing officer no later than the third Tuesday following the close of the filing period:
30 *Provided, however*, That if the executive committee fails to make an appointment within the time
31 required, the chairperson of the executive committee may make the appointment not later than
32 two days following the deadline for the executive committee; *Provided further*, That for a
33 delegate district or senatorial district situated entirely within a single county, the county
34 executive committee, or its chairperson if the committee fails to act, may fill the vacancy and
35 certify the candidate named to the appropriate filing officer.

36 (e) No other vacancy shall be filled after the date of the primary election, except as
37 provided in §3-5-19 of this code.

§3-5-19. Vacancies in nominations; how filled; fees.

1 (a) If any vacancy occurs in the party nomination of candidates for office nominated at
2 the primary election or by appointment under the provisions of section 11 of this article, the
3 vacancies may be filled, subject to the following requirements and limitations:

4 (1) Each appointment made under this section shall be made by the executive
5 committee of the political party for the political division in which the vacancy occurs: *Provided*,
6 That if the executive committee holds a duly called meeting in accordance with §3-1-9 of this

7 code but fails to make an appointment or fails to certify the appointment of the candidate to the
8 proper filing officer within the time required, the chairperson of the executive committee may
9 make the appointment not later than two days following the deadline for the executive
10 committee: *Provided, however,* That for a delegate district or senatorial district situated entirely
11 within a single county, the county executive committee, or its chairperson if the committee fails
12 to act, may fill the vacancy and certify the candidate named to the appropriate filing officer.

13 (2) Each appointment made under this section is complete only upon the receipt by the
14 proper filing officer of the certificate of appointment by the executive committee, or its
15 chairperson, as the case may be, the certificate of announcement of the candidate as
16 prescribed in section seven of this article and, except for appointments made under subdivision
17 (4), (5), (6) or (7) of this subsection, the filing fee or waiver of fee as prescribed in section eight
18 or eight-a of this article. The proper filing officer is the officer with whom the original certificate
19 of announcement is regularly filed for that office.

20 (3) If a vacancy in nomination will be caused by the failure of a candidate to file for an
21 office or by withdrawal of a candidate, the vacancy may not be filled.(4) If a vacancy in
22 nomination is caused by the disqualification of a candidate and the vacancy occurs not later
23 than 84 days before the general election, a nominee may be appointed by the executive
24 committee and certified to the proper filing officer not later than 78 days before the general
25 election. A candidate may be determined disqualified if a written request is made by an
26 individual with information to show a candidate's ineligibility to the State Election Commission
27 no later than 84 days before the general election explaining grounds why a candidate is not
28 eligible to be placed on the general election ballot or not eligible to hold the office, if elected.
29 The State Election Commission shall review the reasons for the request. If the commission finds
30 the circumstances warrant the disqualification of the candidate, the commission shall authorize
31 appointment by the executive committee to fill the vacancy. Upon receipt of the authorization, a

32 nominee may be appointed by the executive committee and certified to the proper filing officer
33 no later than 78 days before the general election.

34 (5) If a vacancy in nomination is caused by the incapacity of the candidate and if the
35 vacancy occurs not later than 84 days before the general election, a nominee may be appointed
36 by the executive committee and certified to the proper filing officer no later than 78 days before
37 the general election.

38 (6) If a vacancy in nomination is caused by the death of the candidate occurring no later
39 than 25 days before the general election, a nominee may be appointed by the executive
40 committee and certified to the proper filing officer no later than 21 days following the date of
41 death or no later than 22 days before the general election, whichever date occurs first.

42 (b) Except as otherwise provided in §3-10-1 *et seq.* of this code, if any vacancy occurs in
43 a partisan office or position other than political party executive committee, which creates an
44 unexpired term for a position which would not otherwise appear on the ballot in the general
45 election, and the vacancy occurs after the close of candidate filing for the primary election but
46 not later than 84 days before the general election, a nominee of each political party may be
47 appointed by the executive committee and certified to the proper filing officer no later than 78
48 days before the general election. Appointments shall be filed in the same manner as provided
49 in subsection (a) of this section, except that the filing fee shall be paid before the appointment is
50 complete.

51 (c) When a vacancy occurs in the board of education after the close of candidate filing
52 for the primary election but not later than 84 days before the general election, a special
53 candidate filing period shall be established. Candidates seeking election to any unexpired term
54 for board of education shall file a certificate of announcement and pay the filing fee to the clerk
55 of the county commission no earlier than the first Monday in August and no later than 77 days
56 before the general election.
