Each member of the West Virginia State Police whose salary is fixed and specified in this annual salary schedule is entitled to the length of service increases set forth in §15-2-5(e) of this code and supplemental pay as provided in §15-2-5(g) of this code.

(e) Each member of the West Virginia State Police whose salary is fixed and specified

pursuant to this section shall receive, and is entitled to, an increase in salary over that set forth in §15-2-5(d) of this code for grade in rank, based on length of service, including that service served before and after the effective date of this section with the West Virginia State Police as follows: Beginning on January 1, 2015, and continuing thereafter, at the end of two years of service with the West Virginia State Police, the member shall receive a salary increase of \$500 to be effective during his or her next year of service and a like increase at yearly intervals thereafter, with the increases to be cumulative. The forensic laboratory employees whose salaries are fixed and specified pursuant to this section, shall receive, and are entitled to, an increase in salary over that set forth in §15-2-5(d) of this code, in accordance with §15-2-7(h) of this code.

- (f) In applying the salary schedules set forth in this section where salary increases are provided for length of service, members of the West Virginia State Police in service at the time the schedules become effective shall be given credit for prior service and shall be paid the salaries the same length of service entitles them to receive under the provisions of this section.
- (g) The Legislature finds and declares that because of the unique duties of members of the West Virginia State Police, it is not appropriate to apply the provisions of state wage and hour laws to them. Accordingly, members of the West Virginia State Police are excluded from the provisions of state wage and hour laws. This express exclusion shall not be construed as any indication that the members were or were not covered by the wage and hour laws prior to this exclusion.

In lieu of any overtime pay they might otherwise have received under the wage and hour laws, and in addition to their salaries and increases for length of service, members who have completed basic training and who are exempt from federal Fair Labor Standards Act guidelines may receive supplemental pay as provided in this section.

The authority of the superintendent to propose a legislative rule or amendment thereto for promulgation in accordance with §29A-3-1 *et seq*. of this code to establish the number of hours per month which constitute the standard pay period for the members of the West Virginia State Police is hereby continued. The rule shall further establish, on a graduated hourly basis, the criteria for

receipt of a portion or all of supplemental payment when hours are worked in excess of the standard pay period. The superintendent shall certify at least twice per month to the West Virginia State Police payroll officer the names of those members who have worked in excess of the standard pay period and the amount of their entitlement to supplemental payment. The supplemental payment may not exceed \$200 per pay period. The superintendent and civilian employees of the West Virginia State Police are not eligible for any supplemental payments.

- (h) Each member of the West Virginia State Police, except the superintendent and civilian employees, shall execute, before entering upon the discharge of his or her duties, a bond with security in the sum of \$5,000 payable to the State of West Virginia, conditioned upon the faithful performance of his or her duties, and the bond shall be approved as to form by the Attorney General and as to sufficiency by the Governor.
- (i) In consideration for compensation paid by the West Virginia State Police to its members during those members' participation in the West Virginia State Police Cadet Training Program pursuant to §30-29-8 of this code, the West Virginia State Police may require of its members by written agreement entered into with each of them in advance of such participation in the program that, if a member should voluntarily discontinue employment any time within one year immediately following completion of the training program, he or she shall be obligated to pay to the West Virginia State Police a pro rata portion of such compensation equal to that part of such year which the member has chosen not to remain in the employ of the West Virginia State Police.
- (j) Any member of the West Virginia State Police who is called to perform active duty training or inactive duty training in the National Guard or any reserve component of the armed forces of the United States annually shall be granted, upon request, leave time not to exceed 30 calendar days for the purpose of performing the active duty training or inactive duty training and the time granted may not be deducted from any leave accumulated as a member of the West Virginia State Police.
