28 his or her commission would have amounted to if he or she had received payment; in which case
29 he or she shall (whether a bond was taken or not) have a fee of \$1 at the least, and so much more
30 as is necessary to make the said half of his or her commission. The commission to be included in a

35 payment in money, or selling property, shall have the like commission of five percent on the first
36 \$300 of the money paid or proceeds from the sale, and two percent on the residue, except that
37 when the payment or sale is on an execution on a forthcoming bond, his or her commission shall
38 be only half what it would be if the execution were not on the bond.

39 (e) Any amounts collected by the sheriff pursuant to this section shall be deposited in a
40 separate account of the county general fund and used by the sheriff for the expenses of providing

- 48 described, shall revert to the county general fund.
