4 federal service, the Governor is hereby authorized to organize and maintain, within this state
5 during such period, under such regulations as the Secretary of Defense of the United States may
6 prescribe for discipline in training, such military forces as the Governor may deem necessary to
7 assist the civil authorities in maintaining law and order. Such forces shall be composed of officers
8 commissioned or assigned, and such able-bodied citizens of the state as shall volunteer for
9 service therein, supplemented, if necessary, by personnel of the West Virginia National Guard
10 enrolled by draft or otherwise, as provided by law. Such forces shall be additional to and distinct
11 from the National Guard and shall be known as the West Virginia State Defense Force. Such
12 forces shall be uniformed.

13 (2) The Governor is authorized to maintain a West Virginia State Defense Force reserve
14 cadre of officers and noncommissioned officers, said officers to be a trained nucleus for such time
15 as the West Virginia State Defense Force may be activated. Said officers shall be volunteers and

16 shall serve with no pay or allowances except when called to active duty.

17 (3) Organization; rules and regulations. - The Adjutant General is hereby authorized to
18 prescribe military regulations, not inconsistent with the provisions of this chapter, governing the
19 enlistment, organization, administration, equipment, maintenance, training and discipline of such
20 West Virginia State Defense Force; provided, such military regulations, insofar as the Adjutant
21 General deems practicable and desirable, shall conform to existing law governing and pertaining
22 to the National Guard and the military regulations promulgated thereunder; and prohibit the
23 acceptance of gifts, donations, gratuities, or anything of value, by such West Virginia State
24 Defense Force, or by any member of such West Virginia State Defense Force, from any individual,
25 firm, association, or corporation, by reason of such membership.

31 Department; and to make available to such West Virginia State Defense Force the facilities of
32 state armories and their equipment and such other state premises and property as may be
33 available.

34 (6) Calling out of defense force. - The West Virginia State Defense Force may be called out
35 to aid the civil authorities as now provided by the law for calling out the National Guard; except
36 whenever the Adjutant General would be authorized to call out the West Virginia State Defense

47 for such pursuit by such West Virginia State Defense Force. Any such person, who shall be

49 Virginia State Defense Force, shall, without unnecessary delay, be surrendered to the military or
50 police forces of the state in which she or he is taken or to the United States; but such surrender
51 shall not constitute a waiver by this state of its right to extradite or prosecute such person for any
52 crime committed in this state.

53 (8) Permission to forces of other states in fresh pursuit. - Any military forces or
54 organization, unit or detachment thereof, of another state, who are in fresh pursuit of

59 such person, who shall be captured or arrested by the military forces of such other state while in
60 this state, shall without unnecessary delay be surrendered to the military or police forces of this
61 state to be dealt with according to law. This section shall not be construed so as to make unlawful
62 any arrest in this state which would otherwise be lawful.

63 (9) Federal service. - Nothing in this chapter shall be construed as authorizing such West
64 Virginia State Defense Force, or any part thereof, to be called, ordered, or in any manner drafted,
65 as such, into the military service of the United States; but, no person shall, by reason of her or his
66 enlistment or commission in any such West Virginia State Defense Force, be exempted from
67 military service under any law of the United States.

68 (10) Civil groups. - No civil organization, society, club, post, order, fraternity, association,
69 brotherhood, body, union, league, or other combination of persons, or civil groups, shall be
70 enlisted in such West Virginia State Defense Force as an organization or unit.

71 (11) Disqualifications. - No person shall be commissioned or enlisted in such West Virginia
72 State Defense Force who is not a citizen of the United States, or who has been expelled or
73 dishonorably discharged from any military or naval organization of this state, or of another state, or
74 of the United States.

75 (12) Commissioned officers.—The term of commission in the West Virginia State Defense
76 Force shall be for three years, subject to termination at the pleasure of the Governor prior to the
77 expiration of such period. The oath to be taken by officers commissioned in such West Virginia
78 State Defense Force shall be substantially in the form prescribed for officers of the National Guard,
79 substituting the words "West Virginia State Defense Force" where necessary, and omitting the
80 reference to the President of the United States. The subject term of three years may be extended
81 by express direction of the Governor.

82 (13) Enlisted personnel. - The term of enlistment in the West Virginia State Defense Force
83 shall be for three years, subject to termination at the pleasure of the Governor prior to the
84 expiration of such period. The oath to be taken upon enlistment in such West Virginia State
85 Defense Force shall be substantially in the form prescribed for enlisted personnel of the National
86 Guard, substituting the words "West Virginia State Defense Force" where necessary, and omitting
87 the reference to the President of the United States. The subject term of three years may be
88 extended by express direction of the Governor.

89 (14) Uniform Code of Military Justice; freedom from arrest; jury duty.

90 (A) Whenever such West Virginia State Defense Force, or any part thereof, shall be
91 ordered out for active service, the Uniform Code of Military Justice of the United States, applicable
92 to members of the National Guard of this state in relation to courts-martial, their jurisdiction and the
93 limits of punishment, and the rules and regulations prescribed thereunder, shall be in full force and

94 effect with respect to the West Virginia State Defense Force.

95 (B) No officer or enlisted person of such West Virginia State Defense Force shall be

101 Force shall be discharged by the Governor upon the return of the National Guard to state control,
102 or within 30 days thereafter, subject however to the provision of s. 251.01(2).

103 (16) Short title.—This article may be cited as the "West Virginia State Defense Force."

104 (17) Awards to officers and enlisted personnel.—The Adjutant General of the state be and
105 is hereby authorized and directed to cause to be prepared suitable medals, service bars, ribbons,
106 awards, or other indicia of service in West Virginia State Defense Force; to prescribe regulations
107 for awarding such medals, service bars, ribbons, awards, or other indicia of service in West
108 Virginia State Defense Force to the officers and enlisted personnel of said West Virginia State
109 Defense Force and from time to time to make such awards to the officers and enlisted personnel of
110 said West Virginia State Defense Force entitled to receive the same.

NOTE: The purpose of this bill is to establish the West Virginia Volunteer State Defense Guard. The West Virginia National Guard is often called to other duties such as filling roles as corrections officers in West Virginia prisons, filling staffing shortages in our West Virginia hospitals, etc. Knowing that natural disasters often plague our state, West Virginia is left vulnerable when the National Guard is called to other duties. This volunteer state guard will not cost the taxpayers any money.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
