(pp) "Factory-built home" includes mobile homes, house trailers, and manufactured homes.

(qq) "Manufactured home" has the same meaning as the term is defined in §21-2-9 of this code which meets the federal Manufactured Housing Construction and Safety Standards Act of 1974 (42 U. S. C. §5401, *et seq.*), effective on June 15, 1976, and the federal manufactured home construction and safety standards and regulations promulgated by the Secretary of the United States Department of Housing and Urban Development.

(rr) "Mobile home" means a transportable structure that is wholly, or in substantial part,

made, fabricated, formed, or assembled in manufacturing facilities for installation or assembly and installation on a building site and designed for long-term residential use and built prior to enactment of the federal Manufactured Housing Construction and Safety Standards Act of 1974 (42 U. S. C. §5401, *et seq.*), effective on June 15, 1976, and usually built to the voluntary industry standard of the American National Standards Institute (ANSI) -- A119.1 standards for mobile homes.

(ss) "House trailers" means all trailers designed and used for human occupancy on a continual nonrecreational basis but may not include fold-down camping and travel trailers, mobile homes, or manufactured homes.

(tt) "Parking enforcement vehicle" means a motor vehicle which does not fit into any other classification of vehicle in this chapter, has three or four wheels, and is designed for use in an incorporated municipality by a city, county, state, or other governmental entity primarily for parking enforcement or other governmental purposes with an operator area with sides permanently enclosed with rigid construction and a top which may be convertible, sealed beam headlights, turn signals, brake lights, horn, at least one rearview mirror on each side, and such other equipment that will enable it to pass a standard motorcycle vehicle inspection.

(uu) "Low-speed vehicle" means a four-wheeled motor vehicle whose attainable speed in one mile on a paved level surface is more than 20 miles per hour but not more than 25 miles per hour.

(vv) "Utility terrain vehicle" means any motor vehicle with four or more low-pressure or nonhighway tires designed for off-highway use and is greater than 50 inches in width. "Utility terrain vehicle" does not include mini trucks, golf carts, riding lawnmowers, or tractors.

(ww) "Automatic registration renewal" means the processing of vehicle registration renewals through an enrollment system with a prebilling account set up through the Division of Motor Vehicles that allows the Department to charge a debit or credit card annually for the renewal of the registration for that vehicle.

**ARTICLE 3. ORIGINAL AND RENEWAL OF REGISTRATION; ISSUANCE OF
CERTIFICATES OF TITLE.**

§17A-3-14. Registration plates generally; description of plates; issuance of special numbers and plates; registration fees; special application fees; exemptions; commissioner to promulgate forms; suspension and nonrenewal. suspension of registration; electronic signatures.

(a) The division, upon registering a vehicle, shall issue to the owner one registration plate with a registration number consisting of a combination of letters, numerals, symbols, or characters in a configuration determined by the commissioner.

(b) Registration plates shall meet the following requirements:

(1) Plates must incorporate reflectorized material.

(2) Registration numbers shall be plainly readable from 100 feet during daylight.

(3) The commissioner may assign any additional feature to facilitate reciprocal agreements, facilitate interstate travel, promote highway safety, or promote the efficient operation of the division.

(c) The commissioner may suspend the registration of any owner who displays a damaged or illegible plate or otherwise fails to comply with the requirements of §17A-3-19 of this code.

(d) Any license plate issued or renewed pursuant to this chapter which is paid for by a check that is returned for nonsufficient funds is void without further notice to the applicant. The applicant may not reinstate the registration until the returned check is paid by the applicant in cash, money order, or certified check and all applicable fees assessed as a result thereof have been paid.

(e) In furtherance of the Uniform Electronic Transactions Act, §39A-1-1 *et seq.* of this code, the division may accept or authorize an electronic signature in any instance the law required to be enforced by the commissioner requires a signature or a pen and ink signature.

(f) The division shall permit vehicle owners to enroll in an automatic vehicle registration renewal.

ARTICLE 10A. AUTOMATIC REGISTRATION RENEWAL PROGRAM.

§17A-10A-1. Automatic registration renewal program.

(a) The Department of Motor Vehicles shall implement a system that allows owners of motor vehicles registered in this state to save billing information in a secure portal so that vehicle registration can be automatically renewed by the department as soon as the notice from the county showing the payment of personal property taxes is received by the department.

(b) The department shall send a notice to the owner two calendar weeks before the charge is applied to the saved billing information via text, email, or U.S. Mail, as selected by the registrant on the department's website.

(c) The registrant may change the billing date or account to be charged up to five days before the charges are applied by entering the department's registration portal or going in person to a local department office.

§17A-10A-2. Required reporting of payment of personal property taxes and application of the notice to department accounts.

(a) Each county sheriff's office is required to report the payment of personal property taxes on motor vehicles to the department each month before the fifth business day of the following month.

(b) The Department must apply the information to the registrant's account within 10 business days of receiving the information from the county sheriffs.

§17A-10-3. Protesting payments of taxes not applied to a registrant's account.

The Department shall include within the portal a system to upload documents such as receipts and proof of bank statements to confirm that personal property taxes have been paid and are current. Alternately, these can be presented at a local department branch.

NOTE: The purpose of this bill is to require the Division of Motor Vehicles to establish and

automatic renewal system with automatic billing for the renewals of motor vehicle registrations.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
