§30-35A-6. ACTIVE MILITARY MEMBERS OR THEIR SPOUSES.

8 evidence from another member state shall be enforced in the latter state by any court of competent
9 jurisdiction, according to the practice and procedure applicable to subpoenas issued in
10 proceedings pending before that court. The issuing authority shall pay any witness fees, travel
11 expenses, mileage, and other fees required by the service statutes of the state in which the
12 witnesses or evidence are located.

13 (b) Only the home state shall have the power to take adverse action against a licensee's
14 home state license.

15 (c) For purposes of taking adverse action, the home state shall give the same priority and
16 effect to reported conduct received from a member state as it would if the conduct had occurred
17 within the home state. In so doing, the home state shall apply its own state laws to determine
18 appropriate action.

19 (d) The home state shall complete any pending investigations of a licensee who changes
20 home states during the course of the investigations. The home state shall also have authority to
21 take appropriate action(s) and shall promptly report the conclusions of the investigations to the
22 administrator of the data system. The administrator of the data system shall promptly notify the
23 new home state of any adverse actions.

24 (e) A member state, if otherwise permitted by state law, may recover from the affected
25 licensee the costs of investigations and dispositions of cases resulting from any adverse action

26 taken against that licensee.

27 (f) A member state may take adverse action based on the factual findings of another
28 remote state: *Provided*, That the member state follows its own procedures for taking the adverse
29 action.

34 furtherance of any joint investigation initiated under the compact.

35 (h) If adverse action is taken by the home state against a licensee's home state license
36 resulting in an encumbrance on the home state license, the licensee's compact privileges in all
37 other member states shall be revoked until all encumbrances have been removed from the home
38 state license. All home state disciplinary orders that impose adverse action against a licensee
39 shall include a statement that the licensee's compact privileges are revoked in all member states
40 during the pendency of the order.

41 (i) Once an encumbered license in the home state is restored to an unencumbered license,
42 as certified by the home state's licensing authority, the licensee must meet the requirements of
43 §30-35A-4(a) of this code and follow the administrative requirements to reapply to obtain a
44 compact privilege in any remote state.

45 (j) If a member state takes adverse action, it shall promptly notify the administrator of the
46 data system. The administrator of the data system shall promptly notify the other member states
47 state of any adverse actions.

48 (k) Nothing in this compact shall override a member state's decision that participation in an

144 (3) If a meeting, or portion of a meeting, is closed, the presiding officer shall state that the
145 meeting will be closed and reference each relevant exempting provision, and such reference shall
146 be recorded in the minutes.

147 (4) The compact commission shall keep minutes that fully and clearly describe all matters
148 discussed in a meeting and shall provide a full and accurate summary of actions taken, and the
149 reasons therefore, including a description of the views expressed. All documents considered in
150 connection with an action shall be identified in such minutes. All minutes and documents of a
151 closed meeting shall remain under seal, subject to release only by a majority vote of the compact
152 commission or order of a court of competent jurisdiction.

153 (g) Financing of the compact commission

154 (1) The compact commission shall pay, or provide for the payment of, the reasonable
155 expenses of its establishment, organization, and ongoing activities.

156 (2) The compact commission may accept any and all appropriate revenue sources as
157 provided in subdivision (c)(13) of this section.

164 promulgate by rule.

165 (4) The compact commission shall not incur obligations of any kind prior to securing the

169 disbursements. The receipts and disbursements of the compact commission shall be subject to
170 the financial review and accounting procedures established under its bylaws. However, all receipts
171 and disbursements of funds handled by the compact commission shall be subject to an annual
172 financial review by a certified or licensed public accountant, and the report of the financial review
173 shall be included in and become part of the annual report of the compact commission.

174 (h) Qualified Immunity, Defense, and Indemnification

175 (1) The members, officers, executive director, employees and representatives of the
176 compact commission shall be immune from suit and liability, both personally and in their official
177 capacity, for any claim for damage to or loss of property or personal injury or other civil liability
178 caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the
179 person against whom the claim is made had a reasonable basis for believing occurred within the
180 scope of compact commission employment, duties, or responsibilities: *Provided*, That nothing in
181 this subsection shall be construed to protect any such person from suit or liability for any damage,

(4) Nothing herein shall be construed as a limitation on the liability of any licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable state laws.

(5) Nothing in this compact shall be interpreted to waive or otherwise abrogate a member state's state action immunity or state action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or regulation.

(6) Nothing in this compact shall be construed to be a waiver of sovereign immunity by the

210 member states or by the compact commission.

§30-35A-9. DATA SYSTEM.

1 (a) The compact commission shall provide for the development, maintenance, operation,
2 and utilization of a coordinated data system.

3 (b) The compact commission shall assign each applicant for a compact privilege a unique
4 identifier, as determined by the rules.

5 (c) Notwithstanding any other provision of state law to the contrary, a member state shall
6 submit a uniform data set to the data system on all individuals to whom this compact is applicable
7 as required by the rules of the compact commission, including:

8 (1) Identifying information;

9 (2) Licensure data;

12 and ending dates of such participation, and other information related to such participation not
13 made confidential under member state law;

14 (5) Any denial of application for licensure, and the reason(s) for such denial;

15 (6) The presence of current significant investigative information; and

16 (7) Other information that may facilitate the administration of this compact or the protection
17 of the public, as determined by the rules of the compact commission.

18 (d) The records and information provided to a member state pursuant to this compact or
19 through the data system, when certified by the compact commission or an agent thereof, shall
20 constitute the authenticated business records of the compact commission, and shall be entitled to
21 any associated hearsay exception in any relevant judicial, quasi-judicial, or administrative
22 proceedings in a member state.

23 (e) Current significant investigative information pertaining to a licensee in any member
24 state will only be available to other member states.

(f) It is the responsibility of the member states to report any adverse action against a licensee and to monitor the data system to determine whether any adverse action has been taken against a licensee. Adverse action information pertaining to a licensee in any member state will be available to any other member state.

(g) Member states contributing information to the data system may designate information that may not be shared with the public without the express permission of the contributing state.

(h) Any information submitted to the data system that is subsequently expunged pursuant to federal law or the laws of the member state contributing the information shall be removed from the data system.

§30-35A-10. RULEMAKING.

(a) The compact commission shall promulgate reasonable rules in order to effectively and efficiently implement and administer the purposes and provisions of the compact. A rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because the compact commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the compact, or the powers granted hereunder, or based upon another applicable standard of review.

(b) The rules of the compact commission shall have the force of law in each member state: *Provided*, That where the rules conflict with the laws or regulations of a member state that relate to the procedures, actions, and processes a licensed dietitian is permitted to undertake in that state and the circumstances under which they may do so, as held by a court of competent jurisdiction, the rules of the compact commission shall be ineffective in that state to the extent of the conflict.

(c) The compact commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. rules shall become binding on the day following adoption or as of the date specified in the rule or amendment, whichever is later.

(d) If a majority of the legislatures of the member states rejects a rule or portion of a rule, by enactment of a statute or resolution in the same manner used to adopt the compact within four

years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

(e) Rules shall be adopted at a regular or special meeting of the compact commission.

(f) Prior to adoption of a proposed rule, the compact commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

(g) Prior to adoption of a proposed rule by the compact commission, and at least 30 days in advance of the meeting at which the compact commission will hold a public hearing on the proposed rule, the compact commission shall provide a notice of proposed rulemaking:

(1) On the website of the compact commission or other publicly accessible platform;

(2) To persons who have requested notice of the compact commission's notices of proposed rulemaking; and

(3) In such other ways as the compact commission may by rule specify.

(h) The notice of proposed rulemaking shall include:

(1) The time, date, and location of the public hearing at which the compact commission will hear public comments on the proposed rule and, if different, the time, date, and location of the meeting where the compact commission will consider and vote on the proposed rule;

(2) If the hearing is held via telecommunication, video conference, or other means of communication, the compact commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;

(3) The text of the proposed rule and the reason therefore;

(4) A request for comments on the proposed rule from any interested person; and

(5) The manner in which interested persons may submit written comments.

(i) All hearings will be recorded. A copy of the recording and all written comments and documents received by the compact commission in response to the proposed rule shall be available to the public.

(j) Nothing in this section shall be construed as requiring a separate hearing on each rule.

Rules may be grouped for the convenience of the compact commission at hearings required by this section.

(k) The compact commission shall, by majority vote of all members, take final action on the proposed rule based on the rulemaking record and the full text of the rule.

(1) The compact commission may adopt changes to the proposed rule provided the changes do not enlarge the original purpose of the proposed rule.

(2) The compact commission shall provide an explanation of the reasons for substantive changes made to the proposed rule as well as reasons for substantive changes not made that were recommended by commenters.

(3) The compact commission shall determine a reasonable effective date for the rule. Except for an emergency as provided in §30-35A-10(l) of this code, the effective date of the rule shall be no sooner than 30 days after issuing the notice that it adopted or amended the rule.

(l) Upon determination that an emergency exists, the compact commission may consider and adopt an emergency rule with 24 hours' notice, with opportunity to comment: *Provided, That* the usual rulemaking procedures provided in the compact and in this section shall be retroactively applied to the rule as soon as reasonably possible, in no event later than 90 days after the effective date of the rule. For the purposes of this provision, an emergency rule is one that must be adopted immediately in order to:

(1) Meet an imminent threat to public health, safety, or welfare;

(2) Prevent a loss of compact commission or member state funds;

(3) Meet a deadline for the promulgation of a rule that is established by federal law or rule;

or

(4) Protect public health and safety.

(m) The compact commission or an authorized committee of the compact commission may direct revision to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revision shall be posted

69 on the website of the compact commission. The revision shall be subject to challenge by any
70 person for a period of 30 days after posting. The revision may be challenged only on grounds that
71 the revision results in a material change to a rule. A challenge shall be made in writing and
72 delivered to the compact commission prior to the end of the notice period. If no challenge is made,
73 the revision will take effect without further action. If the revision is challenged, the revision may not
74 take effect without the approval of the compact commission.

75 (n) No member state's rulemaking requirements shall apply under this compact.

§30-35A-11. OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT.

1 (a) Oversight:

2 (1) The executive and judicial branches of state government in each member state shall
3 enforce this compact and take all actions necessary and appropriate to implement this compact.

4 (2) Except as otherwise provided in this compact, venue is proper and judicial proceedings
5 by or against the compact commission shall be brought solely and exclusively in a court of
6 competent jurisdiction where the principal office of the compact commission is located. The
7 compact commission may waive venue and jurisdictional defenses to the extent it adopts or
8 consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or
9 limit the selection or propriety of venue in any action against a licensee for professional
10 malpractice, misconduct, or any such similar matter.

11 (3) The compact commission shall be entitled to receive service of process in any
12 proceeding regarding the enforcement or interpretation of the compact and shall have standing to
13 intervene in such a proceeding for all purposes. Failure to provide the compact commission
14 service of process shall render a judgment or order void as to the compact commission, this
15 compact, or promulgated rules.

16 (b) Default, technical assistance, and termination:

17 (1) If the compact commission determines that a member state has defaulted in the
18 performance of its obligations or responsibilities under this compact or the promulgated rules, the

compact commission shall provide written notice to the defaulting state. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the compact commission may take and shall offer training and specific technical assistance regarding the default.

(2) The compact commission shall provide a copy of the notice of default to the other member states.

(c) If a state in default fails to cure the default, the defaulting state may be terminated from the compact upon an affirmative vote of a majority of the delegates of the member states, and all rights, privileges, and benefits conferred on that state by this compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

(d) Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the compact commission to the governor, the majority and minority leaders of the defaulting state's legislature, the defaulting state's licensing authority, and each of the member states' licensing authority.

(e) A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

(f) Upon the termination of a state's membership from this compact, that state shall immediately provide notice to all licensees within that state of such termination. The terminated state shall continue to recognize all compact privileges granted pursuant to this compact for a minimum of six months after the date of said notice of termination.

(g) The compact commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the compact, unless agreed upon in writing between the compact commission and the defaulting state.

45 (h) The defaulting state may appeal the action of the compact commission by petitioning
46 the U.S. District Court for the District of Columbia or the federal district where the compact
47 commission has its principal offices. The prevailing party shall be awarded all costs of such
48 litigation, including reasonable attorney's fees.

49 (i) Dispute resolution:

50 (1) Upon request by a member state, the compact commission shall attempt to resolve
51 disputes related to the compact that arise among member states and between member and non-
52 member states.

53 (2) The compact commission shall promulgate a rule providing for both mediation and
54 binding dispute resolution for disputes as appropriate.

55 (j) Enforcement:

56 (1) By supermajority vote, the compact commission may initiate legal action against a
57 member state in default in the United States District Court for the District of Columbia or the federal
58 district where the compact commission has its principal offices to enforce compliance with the
59 provisions of the compact and its promulgated rules. The relief sought may include both injunctive
60 relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be
61 awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein
62 shall not be the exclusive remedies of the compact commission. The compact commission may
63 pursue any other remedies available under federal or the defaulting member state's law.

64 (2) A member state may initiate legal action against the compact commission in the U.S.
65 District Court for the District of Columbia or the federal district where the compact commission has
66 its principal offices to enforce compliance with the provisions of the compact and its promulgated
67 rules. The relief sought may include both injunctive relief and damages. In the event judicial
68 enforcement is necessary, the prevailing party shall be awarded all costs of such litigation,
69 including reasonable attorney's fees.

70 (3) No party other than a member state shall enforce this compact against the compact

71 commission.

§30-35A-12. EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT.

1 (a) The compact shall come into effect on the date on which the compact statute is enacted
2 into law in the seventh member state.

3 (1) On or after the effective date of the compact, the compact commission shall convene
4 and review the enactment of each of the first seven member states ("charter member states") to
5 determine if the statute enacted by each such charter member state is materially different than the
6 model compact statute.

7 (A) A charter member state whose enactment is found to be materially different from the
8 model compact statute shall be entitled to the default process set forth in §30-35A-11 of this code.

9 (B) If any member state is later found to be in default, or is terminated, or withdraws from
10 the compact, the compact commission shall remain in existence and the compact shall remain in
11 effect even if the number of member states should be less than seven.

12 (2) Member states enacting the compact subsequent to the seven initial charter member
13 states shall be subject to the process set forth in §30-35A-8(C)(21) of this code to determine if their
14 enactments are materially different from the model compact statute and whether they qualify for
15 participation in the compact.

16 (3) All actions taken for the benefit of the compact commission or in furtherance of the
17 purposes of the administration of the compact prior to the effective date of the compact or the
18 compact commission coming into existence shall be considered to be actions of the compact
19 commission unless specifically repudiated by the compact commission.

20 (4) Any state that joins the compact subsequent to the compact commission's initial
21 adoption of the rules and bylaws shall be subject to the rules and bylaws as they exist on the date
22 on which the compact becomes law in that state. Any rule that has been previously adopted by the
23 compact commission shall have the full force and effect of law on the day the compact becomes
24 law in that state.

(b) Any member state may withdraw from this compact by enacting a statute repealing the same.

(1) A member state's withdrawal shall not take effect until 180 days after enactment of the repealing statute.

(2) Withdrawal shall not affect the continuing requirement of the withdrawing state's licensing authority to comply with the investigative and adverse action reporting requirements of this compact prior to the effective date of withdrawal.

(3) Upon the enactment of a statute withdrawing from this compact, a state shall immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing state shall continue to recognize all compact privileges granted pursuant to this compact for a minimum of 180 days after the date of such notice of withdrawal.

(c) Nothing contained in this compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a member state and a non-member state that does not conflict with the provisions of this compact.

(d) This compact may be amended by the member states. No amendment to this compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

§30-35A-13. CONSTRUCTION AND SEVERABILITY.

(a) This compact and the compact commission's rulemaking authority shall be liberally construed so as to effectuate the purposes and the implementation and administration of the compact. Provisions of the compact expressly authorizing or requiring the promulgation of rules shall not be construed to limit the compact commission's rulemaking authority solely for those purposes.

(b) The provisions of this compact shall be severable and if any phrase, clause, sentence, or provision of this compact is held by a court of competent jurisdiction to be contrary to the

8 constitution of any member state, a state seeking participation in the compact, or of the United
9 States, or the applicability thereof to any government, agency, person, or circumstance is held to
10 be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this
11 compact and the applicability thereof to any other government, agency, person, or circumstance
12 shall not be affected thereby.

13 (c) Notwithstanding the provisions of §30-35A-13(b) of this code, the compact commission
14 may deny a state's participation in the compact or, in accordance with the requirements of §30-
15 35A-11(b) of this code, terminate a member state's participation in the compact, if it determines
16 that a constitutional requirement of a member state is a material departure from the compact.
17 Otherwise, if this compact shall be held to be contrary to the constitution of any member state, the
18 compact shall remain in full force and effect as to the remaining member states and in full force
19 and effect as to the member state affected as to all severable matters.

§30-35A-14. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS.

1 (a) Nothing herein shall prevent or inhibit the enforcement of any other law of a member
2 state that is not inconsistent with the compact.

3 (b) Any laws, statutes, regulations, or other legal requirements in a member state in conflict
4 with the compact are superseded to the extent of the conflict.

5 (c) All permissible agreements between the compact commission and the member states
6 are binding in accordance with their terms.

NOTE: The purpose of this bill is to provide for the joining of the Dietitian Licensure Compact Commission by the state of West Virginia.
