

WEST VIRGINIA LEGISLATURE

2025 REGULAR SESSION

Introduced

House Bill 2577

By Delegates White, Anders, Ridenour, and Petitto

[Introduced February 18, 2025; referred to the
Committee on Finance]

1 A BILL to amend and reenact §21A-6-3 of the Code of West Virginia, 1931, as amended, relating
2 to reduce the amount of time an individual may receive unemployment compensation
3 benefits.

Be it enacted by the Legislature of West Virginia:

ARTICLE 6. EMPLOYEE ELIGIBILITY; BENEFITS.

§21A-6-3. Disqualification for benefits.

1 Upon the determination of the facts by the commissioner, an individual is disqualified for
2 benefits:

3 (1) For the week in which he or she left his or her most recent work voluntarily without good
4 cause involving fault on the part of the employer and until the individual returns to covered
5 employment and has been employed in covered employment at least 30 working days.

6 For the purpose of this subdivision, an individual has not left his or her most recent work
7 voluntarily without good cause involving fault on the part of the employer if the individual leaves his
8 or her most recent work with an employer and if he or she in fact, within a 14-day calendar period,
9 does return to employment with the last preceding employer with whom he or she was previously
10 employed within the past year prior to his or her return to work, and which last preceding employer,
11 after having previously employed the individual for 30 working days or more, laid off the individual
12 because of lack of work, which layoff occasioned the payment of benefits under this chapter or
13 could have occasioned the payment of benefits under this chapter had the individual applied for
14 benefits. It is the intent of this paragraph to cause no disqualification for benefits for an individual
15 who complies with the foregoing set of requirements and conditions. Further, for the purpose of
16 this subdivision, an individual has not left his or her most recent work voluntarily without good
17 cause involving fault on the part of the employer, if the individual was compelled to leave his or her
18 work for his or her own health-related reasons and notifies the employer prior to leaving the job or
19 within two business days after leaving the job or as soon as practicable and presents written
20 certification from a licensed physician within 30 days of leaving the job that his or her work

21 aggravated, worsened, or will worsen the individual's health problem.

22 (2) For the week in which he or she was discharged from his or her most recent work for
23 misconduct and the six weeks immediately following that week; or for the week in which he or she
24 was discharged from his or her last 30-day employing unit for misconduct and the six weeks
25 immediately following that week. The disqualification carries a reduction in the maximum benefit
26 amount equal to six times the individual's weekly benefit. However, if the claimant returns to work
27 in covered employment for 30 days during his or her benefit year, whether or not the days are
28 consecutive, the maximum benefit amount is increased by the amount of the decrease imposed
29 under the disqualification; except that:

30 If he or she were discharged from his or her most recent work for one of the following
31 reasons, or if he or she were discharged from his or her last 30 days employing unit for one of the
32 following reasons: Gross misconduct consisting of willful destruction of his or her employer's
33 property; assault upon the person of his or her employer or any employee of his or her employer; if
34 the assault is committed at the individual's place of employment or in the course of employment;
35 reporting to work in an intoxicated condition, or being intoxicated while at work; reporting to work
36 under the influence of any controlled substance, as defined in chapter 60A of this code without a
37 valid prescription, or being under the influence of any controlled substance, as defined in said
38 chapter without a valid prescription, while at work; adulterating or otherwise manipulating a
39 sample or specimen in order to thwart a drug or alcohol test lawfully required of an employee;
40 refusal to submit to random testing for alcohol or illegal controlled substances for employees in
41 safety-sensitive positions as defined in §21-1D-2 of this code; violation of an employer's drug-free
42 workplace program; violation of an employer's alcohol-free workplace program; arson, theft,
43 larceny, fraud, or embezzlement in connection with his or her work; or any other gross misconduct,
44 he or she is disqualified for benefits until he or she has thereafter worked for at least 30 days in
45 covered employment: *Provided*, That for the purpose of this subdivision, the words "any other
46 gross misconduct" includes, but is not limited to, any act or acts of misconduct where the individual

has received prior written warning that termination of employment may result from the act or acts.

(3) For the week in which he or she failed without good cause to apply for available, suitable work, accept suitable work when offered, or return to his or her customary self-employment when directed to do so by the commissioner, and for the four weeks which immediately follow for such additional period as any offer of suitable work shall continue open for his or her acceptance. The disqualification carries a reduction in the maximum benefit amount equal to four times the individual's weekly benefit amount.

(4) For any week or portion thereof in which he or she did not work as a result of:

(a) A strike or other bona fide labor dispute which caused him or her to leave or lose his or her employment.

(b) A lockout is not a strike or a bona fide labor dispute and no individual may be denied benefits by reason of a lockout. However, the operation of a facility by nonstriking employees of the company, contractors, or other personnel is not a reason to grant employees of the company on strike unemployment compensation benefit payments. If the operation of a facility is with workers hired to permanently replace the employees on strike, the employees would be eligible for benefits.

(c) For the purpose of this subsection, an individual shall be determined to leave or lose his or her employment by reason of a lockout where the individual employee has established that: (i) The individual presented himself or herself physically for work at the workplace on the first day of such lockout or on the first day he or she is able to present himself at the workplace or herself; and (ii) the employer denied the individual the opportunity to perform work.

(d) For purposes of this subsection, an individual is determined to be permanently replaced where the individual employee establishes that: (i) He or she is currently employed by an employer who is the subject of a strike or other bona fide labor dispute; and (ii) the position of the employee has been occupied by another employee who has been notified they are permanently replacing the employee who previously occupied the position. Employees or contractors who are hired to

perform striking employees' work on a temporary basis, such as the duration of a strike or other bona fide labor dispute, or a shorter period of time, may not be determined to have permanently replaced a striking employee.

(5) For a week with respect to which he or she is receiving or has received:

(a) Wages in lieu of notice;

(b) Compensation for temporary total disability under the workers' compensation law of any state or under a similar law of the United States; or

(c) Unemployment compensation benefits under the laws of the United States or any other state.

(6) For the week in which an individual has voluntarily quit employment to marry or to perform any marital, parental, or family duty, or to attend to his or her personal business or affairs and until the individual returns to covered employment and has been employed in covered employment at least 30 working days: *Provided*, That an individual who has voluntarily quit employment to accompany a spouse serving in active military service who has been reassigned from one military assignment to another is not disqualified for benefits pursuant to this subdivision: *Provided, however*, That the account of the employer of an individual who leaves the employment to accompany a spouse reassigned from one military assignment to another may not be charged.

(7) Benefits may not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which commences during the period between two successive sport seasons (or similar periods) if the individual performed the services in the first of the seasons (or similar periods) and there is a reasonable assurance that the individual will perform the services in the later of the seasons (or similar periods).

(8) (a) Benefits may not be paid on the basis of services performed by an alien unless the alien is an individual who was lawfully admitted for permanent residence at the time the services were performed, was lawfully present for purposes of performing the services or was permanently

99 residing in the United States under color of law at the time the services were performed (including
100 an alien who is lawfully present in the United States as a result of the application of the provisions
101 of Section 203(a)(7) or Section 212(d)(5) of the Immigration and Nationality Act): *Provided*, That
102 any modifications to the provisions of Section 3304(a)(14) of the federal Unemployment Tax Act as
103 provided by Public Law 94-566 which specify other conditions or other effective date than stated in
104 this subdivision for the denial of benefits based on services performed by aliens and which
105 modifications are required to be implemented under state law as a condition for full tax credit
106 against the tax imposed by the federal Unemployment Tax Act are applicable under the provisions
107 of this section.

108 (b) Any data or information required of individuals applying for benefits to determine
109 whether benefits are not payable to them because of their alien status shall be uniformly required
110 from all applicants for benefits.

111 (c) In the case of an individual whose application for benefits would otherwise be approved,
112 no determination that benefits to the individual are not payable because of his or her alien status
113 may be made except upon a preponderance of the evidence.

114 (9) For each week in which an individual is unemployed because, having voluntarily left
115 employment to attend a school, college, university, or other educational institution, he or she is
116 attending that school, college, university, or other educational institution, or is awaiting entrance
117 thereto or is awaiting the starting of a new term or session thereof, and until the individual returns
118 to covered employment.

119 (10) For each week in which he or she is unemployed because of his or her request, or that
120 of his or her duly authorized agent, for a vacation period at a specified time that would leave the
121 employer no other alternative but to suspend operations.

122 (11) In the case of an individual who accepts an early retirement incentive package, unless
123 he or she: (i) Establishes a well-grounded fear of imminent layoff supported by definitive objective
124 facts involving fault on the part of the employer; and (ii) establishes that he or she would suffer a

substantial loss by not accepting the early retirement incentive package.

(12) For each week with respect to which he or she is receiving or has received benefits under Title II of the Social Security Act or similar payments under any Act of Congress, or remuneration in the form of an annuity, pension, or other retirement pay from a base period employer or chargeable employer or from any trust or fund contributed to by a base period employer or chargeable employer or any combination of the above, the weekly benefit amount payable to the individual for that week shall be reduced (but not below zero) by the prorated weekly amount of those benefits, payments, or remuneration: *Provided*, That if the amount of benefits is not a multiple of \$1, it shall be computed to the next lowest multiple of \$1: *Provided, however*, That there is no disqualification if in the individual's base period there are no wages which were paid by the base period employer or chargeable employer paying the remuneration, or by a fund into which the employer has paid during the base period: *Provided further*, That notwithstanding any other provision of this subdivision to the contrary, the weekly benefit amount payable to the individual for that week may not be reduced by any retirement benefits he or she is receiving or has received under Title II of the Social Security Act or similar payments under any Act of Congress. A claimant may be required to certify as to whether or not he or she is receiving or has been receiving remuneration in the form of an annuity, pension, or other retirement pay from a base period employer or chargeable employer or from a trust fund contributed to by a base period employer or chargeable employer.

(13) For each week in which and for 52 weeks thereafter, beginning with the date of the decision, if the commissioner finds the individual who within 24 calendar months immediately preceding the decision, has made a false statement or representation knowing it to be false or knowingly fails to disclose a material fact, to obtain or increase any benefit or payment under this article: *Provided*, That disqualification under this subdivision does not preclude prosecution under §21A-10-7 of this code.

The total amount of time that an individual may receive unemployment compensation

151 benefits shall be capped at 90 days total, every two calendar years. Additionally, an individual
152 shall not be qualified to receive unemployment compensation benefits twice in the same year. If an
153 individual voluntarily quits a job without good cause or is terminated for misconduct, that individual
154 shall be disqualified from receiving benefits.

NOTE: The purpose of this bill is to reduce the amount of time an individual may receive unemployment compensation benefits.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
