WEST VIRGINIA LEGISLATURE

2025 REGULAR SESSION

Introduced

House Bill 2631

By Delegates Vance, Worrell, McGeehan, Hornby,

Jeffries, and Dean

[Introduced February 19, 2025; referred to the

Committee on Health and Human Resources]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article, designated §16-3E-1, §16-3E-2, §16-3E-3, and §16-3E-4, all relating to requiring 2 3 information to be provided orally to all patients in order for the patient to give informed 4 consent knowing all potential outcomes for all medical tests, prescriptions, and treatments; 5 providing a short title; defining terms; creating rights for patients; and establishing 6 monetary penalties and revocation of licensure for violations. Be it enacted by the Legislature of West Virginia: ARTICLE 3E. INFORMED CONSENT FOR ALL MEDICAL TREATMENTS. §16-3E-1. Short title. 1 This article shall be known and may be cited as the Medical Informed Consent Act.

§16-3E-2. Definitions.

- 1 <u>As used in this article:</u>
- 2 <u>"Department" means the Department of Health;</u>
- 3 <u>"Emergency medical services provider" means that term as defined in §16-4C-3;</u>
- 4 <u>"Health care facility" means this term as defined in §16-2D-2;</u>
- 5 <u>"Health care provider" means that term as defined in §16-1A-3, as well as dentists,</u>
- 6 <u>chiropractors, and podiatrists;</u>
- 7 "Informed consent" means the right of all people to be fully informed about the risks and
- 8 <u>benefits of any medical intervention, to be provided with information about all possible treatment</u>
- 9 options and medications and the side effects, and free to make a voluntary decision on that
- 10 intervention; and
- 11 "License" means a health care practitioner license issued by the Department of Health or a
- 12 <u>health care facility license issued by the Department of Health.</u>

	<u>§16-3E-3.</u>	Informed	consent	requirements.
1	All medic	al treatment providers in th	is state are required to o	rally describe all possible
2	treatment plans,	, including potential probler	ms, complications, or side	e effects to each patient

3	seeking	medical a	advice, tr	eatment,	or testing. L	Jpon bein	g advised of a	III options	and possible			
4	problems, complications, or side effects, the medical practitioner will obtain the patient's signature											
5	to a	attest	that	the	patient	has	received	this	information.			
	<u>§16-3E-</u>	4.	Rig	ghts	of		patients;		penalties.			
1	(a) <i>Summ</i>	ary of rig	ghts T	he departm	ent shall	publish on the	<u>e departm</u>	ent's publicly			
2	accessible Internet website a summary of the rights of a patient or parents or guardians of a											
3	patient under §16-3E-3, in any format the health care provider or health care facility chooses.											
4	(b) Complaints A health care provider and health care facility, if requested, shall inform											
5	patients of the address and telephone number of each state agency responsible for responding to											
6	patient complaints about a health care provider or health care facility's alleged noncompliance											
7	with this article.											
8	(c) Procedure for providing information on patient rights A health care provider or facility											
9	shall adopt policies and procedures to ensure that a patient and the parent or guardian of a patient											
10	are provided the opportunity during the course of admission to receive information regarding the											
11	rights contained in §16-3E-3 and how to file complaints with the facility and appropriate state											
12	agency.											
13	<u>(</u>	<u>d) The ap</u>	propriate	regulator	<u>y board or, if</u>	no board	exists, the dep	<u>artment m</u>	<u>ay impose an</u>			
14	administ	trative fine	e against	<u>a health</u>	care practiti	oner for f	ailing to make	available	to patients a			
15	summary of their rights under §16-3E-3 and the following shall apply:											
16	(1) A health care provider's first violation under this paragraph shall be subject to corrective											
17	action and shall not be subject to an administrative fine if the violation was unintentional;											
18	(2) The appropriate licensing board or the department may levy a fine of not more than											
19	<u>\$100 for</u>	a second	or subse	quent un	intentional vi	<u>olation ur</u>	der this subse	<u>ction; and</u>				
20	(3) The appropriate licensing board or the department may levy a fine of not more than											
21	\$500 for an intentional violation under this subsection, with each intentional violation constituting a											
22	<u>separate</u>	e violation	subject to	o a separ	ate fine.							

2

- 23 (e) Determination of fine. -- In determining the amount of fine to be levied under subsection
- 24 (d) of this section, the following factors shall be considered:
- 25 (1) The scope and severity of the violation, including the number of patients or parents or
- 26 guardians of patients found not to have received notice of a patient's rights under §16-3E-3, and
- 27 whether the failure to provide the information to patients was willful;
- 28 (2) Actions taken by the health care provider or health care facility to correct violations or to
- 29 remedy complaints; and
- 30 (3) Any previous violations under this article by a health care provider or health care facility.

NOTE: The purpose of this bill is to require information to be provided orally to all patients in order for the patient to give informed consent knowing all potential outcomes for all medical tests, prescriptions, and treatments; providing a short title; defining terms; creating rights for patients; and establishing monetary penalties.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
