## **2025 REGULAR SESSION**

### **Introduced**

## **House Bill 2793**

By Delegates McGeehan, Anders, Chiarelli, Pritt,  
Coop-Gonzalez, Brooks, Vance, Dean, Burkhammer,  
White, and Kimble

[Introduced February 21, 2025; referred to the  
Committee on the Judiciary]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding thereto a new article,  
2 designated §16-2S-1, §16-2S-2, §16-2S-3, and §16-2S-4, relating to regulating billboards  
3 displaying messages about the availability of abortions in states bordering West Virginia;  
4 setting forth legislative findings; defining terms; prohibiting billboards that display  
5 messages about the availability of abortion in bordering states or that reference any  
6 facilities, physicians, or other health-care providers that perform abortions in bordering  
7 states; making it unlawful to assist another person who is causing or attempting to cause a  
8 billboard displaying a prohibited message; providing for enforcement and penalties,  
9 including the permanent revocation of business licenses and permits; and granting the  
10 Secretary of State permission to promulgate legislative rules.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 2S. REGULATING BILLBOARDS DISPLAYING MESSAGES ABOUT THE  
AVAILABILITY OF ABORTIONS IN STATES BORDERING WEST VIRGINIA.**

**§16-2S-1. Legislative Findings.**

1 The Legislature finds the following:  
2 (1) West Virginia has a compelling interest in the health and welfare of its citizens.  
3 (2) West Virginia has a compelling interest in protecting prenatal life and the future children  
4 of its residents.  
5 (3) West Virginia unquestionably has a compelling interest in assuring safe health care for  
6 the public.  
7 (4) Ensuring the health and safety of West Virginia's residents is crucial to this state's  
8 police power, and this state has broad authority to regulate in this domain.  
9 (5) This state has banned abortions from being performed in this state outside of certain  
10 narrow and statutorily defined circumstances.  
11 (6) The greater power to completely ban abortions includes within it the lesser power to

ban advertising for abortions.

(7) Billboards have been and are continuing to be erected near the borders of this state.

These billboards advertise or otherwise reference the availability of abortions in one or more bordering states that have not enacted an abortion ban.

(8) These billboards, as well as any similar public advertisements, facilitate violating the laws of this state and undermine the public policies of this state, and allowing them to target West Virginia residents in such a manner erodes interstate comity.

(9) The placement of these billboards virtually guarantees that these messages are conveyed, on a daily basis, to West Virginia residents who, although old enough to drive unaccompanied by a parent or guardian, are still minors.

(10) These billboards implicitly encourage people who are pregnant to travel to another state to undergo an abortion procedure.

(11) Banning such billboards and related displays, while not seeking to prohibit any other forms of lawful speech advocating abortion, is a narrowly tailored way to directly advance all of the aforementioned interests.

#### **§16-2S-2.**

#### **Definitions.**

"Abortion" means use of any instrument, medicine, drug, or any other substance or device with intent to terminate the pregnancy of a patient known to be pregnant and with intent to cause the death and expulsion or removal of an embryo or a fetus. "Billboard" means any available billboard, sign, or similar display used to advertise a person, place, or product or to communicate a message to the public, regardless of whether that message has a commercial purpose.

"Commissioner" means the Commissioner of the Division of Highways.

"Secretary" means the Secretary of State.

#### **§16-2S-3.**

16 that a civil complaint is warranted, including, but not limited to, actions based on its *parens patriae*  
17 authority.

18 (g) For purposes of enforcing the provisions of this article, and notwithstanding any other  
19 provision of this code to the contrary, the commissioner, secretary, Attorney General, or any of  
20 their authorized representatives may access information maintained by any other state agency for  
21 the limited purposes of identifying the person or persons who have violated the provisions of this  
22 article.

23 (h) The secretary may promulgate legislative rules pursuant to §29A-1-1 *et seq.* that are  
24 necessary for the administration and enforcement of this article, including, but not limited to,  
25 regulations relating to the investigation of potential violations, related hearings, and any  
26 subsequent revocations of licenses or permits.

NOTE: The purpose of this bill is to prohibit persons from erecting, maintaining, funding, leasing, or otherwise facilitating billboard advertisements or statements that display messages concerning the availability of abortions in bordering states.
