4 purpose entity established for the purpose of making investments for an individual. "Eligible
5 investor" does not include an individual who engages in the business of making debt or equity
6 investments in private businesses, or any person that would be allocated a portion of the grant
7 under this section as a partner, shareholder, member, or owner of an entity that engages in such
8 business.

9 "Fund" means the Small Business Investment Grant Fund.

10 "Pass-through entity" means the same as that term is defined in §11-21-71a.

11 "Qualified investment" means a cash investment in a qualified business in the form of
12 equity or subordinated debt.

13 "Small business" means a corporation, pass-through entity, or other entity that (i) has
14 annual gross revenues of no more than \$1 million in its most recent fiscal year; (ii) has its principal
15 office or facility in the state; (iii) is engaged in business primarily in or does substantially all of its
16 production in the state; (iv) has not obtained during its existence more than \$1 million in aggregate

19 than 50 employees who are employed within the state; and (vi) has been designated as such by

the Authority pursuant to the provisions of this section.

"Subordinated debt" means indebtedness of a corporation, general or limited partnership, or limited liability company that (i) by its terms required no repayment of principal for the first three years after issuance, (ii) is not guaranteed by any other person or secured by any assets of the issuer or any other person, and (iii) is subordinated to all indebtedness and obligations of the issuer to national or state-chartered banking or savings and loan institutions.

§31-18G-2. West Virginia Small Business Investment Fund; funding.

From such funds as may be appropriated by the Legislature and any gifts, grants, or donations from public or private sources, there is hereby created in the state treasury a special non-reverting, permanent fund to be known as the Small Business Investment Grant Fund, to be administered by the department. Interest earned on moneys in the fund shall remain in the fund and be credited to it. Any moneys remaining in the fund at the end of each fiscal year, including interest thereon, may not revert to the general fund but shall remain in the fund. Expenditures and disbursements from the fund, which shall be in the form of grants pursuant to this section, shall be made by the State Treasurer upon written request bearing the signature of the director. Grants from the fund shall only be made to applications pursuant to this article.

§31-18G-3. West Virginia Small Business Investment Fund disbursements; requirements; limitations.

(a) An eligible investor that makes a qualified investment in a small business on or after July 1, 2026, but prior to January 1, 2028, that has been certified by the authority pursuant to subsection (b) shall be eligible for a grant in an amount up to \$25,000. An eligible investor may apply for a grant for each qualified investment that is made to one or more small businesses not to exceed a total grant allocation from the fund of \$100,000 per eligible investor.

(b) A small business shall apply with the authority to receive qualified investments eligible for the grant pursuant to this section and shall provide to the authority such information as the authority deems necessary to demonstrate that it meets the qualifications set forth in §31-18G-1.

9 (c) Any eligible investor applying for a grant pursuant to this section shall submit an
10 application to the authority. The authority shall determine the amount of the grant allowable to the
11 eligible investor for the year.

12 (d) If an eligible investor is awarded a grant pursuant to this section and the small business
13 in which the investment was made (i) relocates outside of the state within two years of the award of
14 the grant or (ii) closes within two years of the award of the grant as a result of a criminal conviction
15 on the part of any officer, director, manager, or general partner of the business relating to his
16 involvement with the business, the investor shall forfeit the grant and refund the moneys to the
17 authority.

18 (e) Additionally, unless the eligible investor transfers the equity received in connection with
19 a qualified investment as a result of:

20 (1) The liquidation of the small business issuing the equity;

21 (2) The merger, consolidation, or other acquisition of the business with or by a party not
22 affiliated with the business; or

23 (3) The death of the eligible investor, any eligible investor that fails to hold the equity for at
24 least two years shall forfeit the grant and shall pay the authority interest on the total allowed grant
25 at the rate of one percent per month, compounded monthly, from the date the grant was awarded
26 to the taxpayer.

27 (f) The authority shall deposit any amounts received under this subsection into the state
28 general fund.

29 (g) Grants shall be issued in the order that each completed eligible application is received
30 by the authority. If the amount of eligible grants requested in a fiscal year exceeds the funds
31 available in the fund, the grants shall be paid in the next fiscal year in which funds are available.
