18 this code limits the director's ability to manage on a day-to-day basis the portable insurance plans
19 required or authorized by this article, including, but not limited to, administrative contracting,
20 studies, analyses and audits, eligibility determinations, utilization management provisions and
21 incentives, provider negotiations, provider contracting and payment, designation of covered and

42 reduce cost and enhance quality;

43 (7) Evaluating the expenditures to reduce excessive use of emergency room visits,
44 imaging services, and other drivers of the agency's medical rate of inflation;

45 (8) Recommending cutting-edge benefit designs to the finance board to drive behavior and
46 control costs for the plans;

55 adjustment in payment for hospital acquired infections; and

56 (12) Initiating steps to reduce the number of insured members and retired insured
57 members who experience avoidable readmissions to a hospital for the same diagnosis-related
58 group illness within 30 days of being discharged by a hospital in this state or another state

60 established by the Centers of Medicare and Medicaid Services.

§5-16E-5. West Virginia Portable Insurance Benefit Plan Finance Board.

1 (a) The West Virginia Portable Insurance Benefit Plan Finance Board is established and
2 consists of the Secretary of the Department of Administration or his or her designee, as a voting
3 member, and 10 members appointed by the Governor, with the advice and consent of the Senate,
4 for terms of four years and each may serve until his or her successor is appointed and qualified.
5 Members may be reappointed for successive terms. No more than six members, including the

6 Secretary of the Department of Administration, may be of the same political party. Members of the
7 board shall satisfy the qualification requirements provided for by subsection (b) of this section. The
8 Governor shall make appointments necessary to satisfy the requirements of subsection (b) of this
9 section to staggered terms as determined by the Governor.

10 (b) (1) Of the 10 members appointed by the Governor with advice and consent of the
11 Senate:

12 (A) Four members shall represent the interests of independent contractors. The members
13 shall be independent contractors who full- or part-time service for wages, salary, or remuneration
14 for a hiring party for a period of at least three years prior to his or her appointment.

15 (B) One member shall represent the interests of hospitals. The member shall have been
16 employed by a hospital for a period of at least three years prior to his or her appointment and shall
17 remain an employee of a hospital for the duration of his or her appointment to remain eligible to
18 serve on the board.

19 (C) One member shall represent the interests of non-hospital health care providers. The
20 member shall have owned his or her non-hospital health care provider business for a period of at
21 least three years prior to his or her appointment and shall maintain ownership of his or her non-
22 hospital health care provider business for the duration of his or her appointment to remain eligible
23 to serve on the board.

24 (D) Four members shall be selected from the public at large, meeting the following
25 requirements:

26 (i) One member selected from the public at large shall generally have knowledge and
27 expertise relating to the financing, development, or management of independent contractor
28 benefit programs;

29 (ii) One member selected from the public at large shall have at least three years of
30 experience in the insurance benefits business;

31 (iii) One member selected from the public at large shall be a certified public accountant with

32 at least three years of experience with financial management and independent contractor benefits
33 program experience; and

34 (iv) One member selected from the public at large shall be a health care actuary or certified
35 public accountant with at least three years of financial experience with the health care
36 marketplace.

37 (2) No member of the board may be a registered lobbyist.

38 (3) All appointments shall be selected to represent the different geographical areas within
39 the state and all members shall be residents of West Virginia. No member may be removed from
40 office by the Governor except for official misconduct, incompetence, neglect of duty, neglect of
41 fiduciary duty, or other specific responsibility imposed by this article or gross immorality.

42 (4) All members of the board shall have a fiduciary responsibility to protect plan assets for
43 the benefit of plan participants.

44 (5) Beginning July 1, 2025, and every year thereafter, all board members shall complete
45 fiduciary training and timely complete any conflict-of-interest forms required to serve as a fiduciary.

46 (c) The secretary of the Department of Administration shall serve as chair of the finance
47 board, which shall meet at times and places specified by the call of the chair or upon the written
48 request to the chair by at least two members. The director of the West Virginia Portable Insurance
49 Benefit Plan shall serve as staff to the board. Notice of each meeting shall be given in writing to
50 each member by the director at least three days in advance of the meeting. Six members shall
51 constitute a quorum. The board shall pay each member the same compensation and expense
52 reimbursement that is paid to members of the Legislature for their interim duties for each day or
53 portion of a day engaged in the discharge of official duties.

54 (d) Upon termination of the board and notwithstanding any provisions of this article to the
55 contrary, the director may assess monthly independent contractor premium contributions and to
56 change the types and levels of costs to independent contractors only in accordance with this
57 subsection. Any assessments or changes in costs imposed pursuant to this subsection shall be

58 implemented by legislative rule proposed by the director for promulgation pursuant to §29A-3-1 et
59 seq. Any independent contractor assessments or costs previously authorized by the finance board
60 shall then remain in effect until amended by rule of the director promulgated pursuant to this
61 subsection.

§5-16E-6. Powers and duties of the finance board.

1 (a) The purpose of the finance board is to bring fiscal stability to the West Virginia Portable
2 Insurance Benefit Plan through development of annual financial plans and long-range plans
3 designed to meet the agency's estimated total financial requirements, taking into account all
4 revenues projected to be made available to the agency and apportioning necessary costs
5 equitably among participating hiring parties, independent contractors, and retired independent
6 contractors and providers of health care services.

7 (b) The finance board shall retain the services of an impartial, professional actuary, with
8 demonstrated experience in analysis of large group health insurance plans, to estimate the total
9 financial requirements of the West Virginia Portable Insurance Benefit Plan for each fiscal year
10 and to review and render written professional opinions as to financial plans proposed by the
11 finance board. The actuary shall also assist in the development of alternative financing options
12 and perform any other services requested by the finance board or the director. All reasonable fees
13 and expenses for actuarial services shall be paid by the West Virginia Portable Insurance Benefit
14 Plan. Any financial plan or modifications to a financial plan approved or proposed by the finance
15 board shall be submitted to and reviewed by the actuary and may not be finally approved and
16 submitted to the Governor and to the Legislature without the actuary's written professional opinion
17 that the plan may be reasonably expected to generate sufficient revenues to meet all estimated
18 program and administrative costs of the agency, including incurred but unreported claims, for the
19 fiscal year for which the plan is proposed.

20 (c) All financial plans shall establish:

21 (1) The minimum level of reimbursement at 110% of the Medicare amount for all providers:

22 Provided, That the plan shall reimburse a West Virginia hospital that provides inpatient medical
23 care to a beneficiary, covered by the state and non-state plans, at a minimum rate of 110% of the
24 Medicare diagnosis-related group rate for the admission, or the Medicare per diem, per day rate
25 applicable to a critical access hospital, as appropriate: *Provided, however,* That the rates
26 established pursuant to this subdivision do not apply to any Medicare primary retiree health plan.

27 (2) Any necessary cost-containment measures for implementation by the director;
28 (3) The levels of premium costs to participating hiring parties; and
29 (4) The types and levels of cost to participating independent contractors and retired
30 independent contractors.

31 The financial plans may provide for different levels of costs based on the insureds' ability to
32 pay. The finance board may establish different levels of costs to retired independent contractors
33 based upon length of employment with a participating hiring party, ability to pay, or other relevant
34 factors. The financial plans may also include optional alternative benefit plans with alternative
35 types and levels of cost. The finance board may develop policies which encourage the use of West
36 Virginia health care providers.

37 In addition, the finance board may allocate a portion of the premium costs charged to
38 participating hiring parties to subsidize the cost of coverage for participating retired independent
39 contractors, on such terms as the finance board determines are equitable and financially
40 responsible.

41 (d)(1) The finance board shall prepare an annual financial plan for each fiscal year. The
42 finance board chairman shall request the actuary to estimate the total financial requirements of the
43 West Virginia Portable Insurance Benefit Plan for the fiscal year.

44 (2) The finance board shall prepare a proposed financial plan designed to generate
45 revenues sufficient to meet all estimated program and administrative costs of the West Virginia
46 Portable Insurance Benefit Plan for the fiscal year. The proposed financial plan shall allow for no
47 more than 30 days of accounts payable to be carried over into the next fiscal year. Before final

48 adoption of the proposed financial plan, the finance board shall request the actuary to review the
49 plan and to render a written professional opinion stating whether the plan will generate sufficient
50 revenues to meet all estimated program and administrative costs of the West Virginia Portable
51 Insurance Benefit Plan for the fiscal year. The actuary's report shall explain the basis of its opinion.
52 If the actuary concludes that the proposed financial plan will not generate sufficient revenues to
53 meet all anticipated costs, then the finance board shall make necessary modifications to the
54 proposed plan to ensure that all actuarially determined financial requirements of the agency will be
55 met.

56 (3) Upon obtaining the actuary's opinion, the finance board shall conduct at least two public
57 hearings in each congressional district to receive public comment on the proposed financial plan,
58 shall review the comments, and shall finalize and approve the financial plan.

59 (e) The provisions of §29A-1-1 et seq. may not apply to the preparation, approval, and
60 implementation of the financial plans required by this section.

61 (f) By January 1 of each year, the finance board shall submit to the Governor and the
62 Legislature a prospective financial plan for a period not to exceed five years for the programs
63 provided in this article. Factors the board shall consider include, but are not limited to, the trends
64 for the program and the industry, the medical rate of inflation, utilization patterns, cost of services,
65 and specific information such as average age of independent contractor population, active to
66 retiree ratios, the service delivery system, and health status of the population.

67 (g) The prospective financial plans shall be based on the estimated revenues submitted in
68 accordance §5-16E-5 and shall include an average of the premiums and an average of the
69 projected deductibles and copays for the various programs. After the submission of the initial
70 prospective plan, the board may not increase costs to the participating hiring parties or change the
71 average of the premiums, deductibles, and copays for independent contractors, except in the
72 event of a true emergency. If the board invokes the emergency provisions, the cost shall be borne
73 between the contributing hiring parties and independent contractors in proportion to the cost-

74 sharing ratio applicable to those hiring parties that do contribute for that plan year. For purposes of
75 this section, "emergency" means that the most recent projections demonstrate that plan expenses
76 will exceed plan revenues by more than one percent in any plan year. In the event of an
77 emergency, the cost of the premiums may be offset by a legislative appropriation for that purpose.

78 (h) The finance board shall meet on at least a quarterly basis to review implementation of
79 its current financial plan in light of the actual experience of the West Virginia Portable Insurance
80 Benefit Plan. The board shall review actual costs incurred, any revised cost estimates provided by
81 the actuary, expenditures, and any other factors affecting the fiscal stability of the plan, and may
82 make any additional modifications to the plan necessary to ensure that the total financial
83 requirements of the agency for the current fiscal year are met. The finance board may not increase
84 the types and levels of cost to independent contractors during its quarterly review except in the
85 event of a true emergency.

§5-16E-7. Authorization to establish plans; requirement that these plans match Public

<u>Employee's</u>	<u>Insurance</u>	<u>Agency</u>	<u>plans.</u>
-------------------	------------------	---------------	---------------

1 The West Virginia Portable Insurance Benefit Plan shall establish plans for those
2 independent contractors herein made eligible and establish and promulgate rules for the
3 administration of these plans subject to the limitations contained in this article. These plans shall
4 include every plan available via Public Employees' Insurance Agency as listed in §5-16-7, §5-16-
5 7a, §5-16-7b, §5-16-7b, §5-16-7c, 5-16-7d, §5-16-7e, §5-16-7f, §5-16-7g, §5-16-10, and any
6 future mandated or other benefits that are offered or required of Public Employees' Insurance
7 Agency.

§5-16E-8. Authorization to execute contracts.

1 (a) The director may execute such contract or contracts as are necessary to carry out the
2 provisions of this article.

3 (b) The provisions of §5A-3-1 et seq., relating to the Division of Purchasing of the
4 Department of Finance and Administration, may not apply to any contracts for any insurance

5 coverage or professional services authorized to be executed under the provisions of this article.
6 Before entering into any contract for any insurance coverage, as authorized in this article, the
7 director shall invite competent bids from all qualified and licensed insurance companies or carriers
8 that may wish to offer plans for the insurance coverage desired. The director shall negotiate and
9 contract directly with health care providers and other entities, organizations, and vendors in order
10 to secure competitive premiums, prices, and other financial advantages. The director shall deal
11 directly with insurers or health care providers and other entities, organizations, and vendors in
12 presenting specifications and receiving quotations for bid purposes. No commission or finder's
13 fee, or any combination thereof, shall be paid to any individual or agent: *Provided*, That this may
14 not preclude an underwriting insurance company or companies, at their own expense, from
15 appointing a licensed resident agent within this state to service the companies' contracts awarded
16 under the provisions of this article. Commissions reasonably related to actual service rendered for
17 the agent or agents may be paid by the underwriting company or companies. In no event may
18 payment be made to any agent or agents when no actual services are rendered or performed. The
19 director shall award the contract or contracts on a competitive basis. In awarding the contract or
20 contracts the director shall take into account the experience of the offering agency, corporation,
21 insurance company, or service organization in the group hospital and surgical insurance field,
22 group major medical insurance field, group prescription drug field, and group life and accidental
23 death insurance field, and its facilities for the handling of claims. In evaluating these factors, the
24 director may employ the services of impartial, professional insurance analysts or actuaries, or
25 both. Any contract executed by the director with a selected carrier shall be a contract to govern all
26 eligible independent contractors subject to the provisions of this article. Nothing contained in this
27 article may prohibit any insurance carrier from soliciting independent contractors covered
28 hereunder to purchase additional hospital and surgical, major medical, or life and accidental death
29 insurance coverage.

30 (c) The director may authorize the carrier with whom a primary contract is executed to

31 reinsure portions of the contract with other carriers which elect to be a reinsurer and who are
32 legally qualified to enter into a reinsurance agreement under the laws of this state.

33 (d) Each independent contractor who is covered under any contract or contracts shall
34 receive a statement of benefits to which the independent contractor, his or her spouse, and his or
35 her dependents are entitled under the contract, setting forth the information as to whom the
36 benefits are payable, to whom claims shall be submitted, and a summary of the provisions of the
37 contract or contracts as they affect the independent contractor, his or her spouse, and his or her
38 dependents.

39 (e) The director may at the end of any contract period discontinue any contract or contracts
40 it has executed with any carrier and replace the same with a contract or contracts with any other
41 carrier or carriers meeting the requirements of this article.

42 (f) The director shall include language in all contracts for pharmacy benefits management,
43 as defined by §33-51-3, requiring the pharmacy benefit manager to report quarterly to the agency
44 the following:

45 (1) The overall total amount charged to the agency for all claims processed by the
46 pharmacy benefit manager during the quarter;

47 (2) The overall total amount of reimbursements paid to pharmacy providers during the
48 quarter;

49 (3) The overall total number of claims in which the pharmacy benefits manager reimbursed
50 a pharmacy provider for less than the amount charged to the agency for all claims processed by
51 the pharmacy benefit manager during the quarter; and

52 (4) For all pharmacy claims, the total amount paid to the pharmacy provider per claim,
53 including, but not limited to, the following:

54 (A) The cost of drug reimbursement;

55 (B) Dispensing fees;

56 (C) Copayments; and

57 (D) The amount charged to the agency for each claim by the pharmacy benefit manager.

58 If there is a difference between the amount for any pharmacy claim paid to the pharmacy

59 provider and the amount reimbursed to the agency, the pharmacy benefit manager shall report an

60 itemization of all administrative fees, rebates, or processing charges associated with the claim. All

61 data and information provided by the pharmacy benefit manager shall be kept secure, and

62 notwithstanding any other provision of this code to the contrary, the agency shall maintain the

63 confidentiality of the proprietary information and not share or disclose the proprietary information

64 contained in the report or data collected with persons outside the agency. All data and information

65 provided by the pharmacy benefit manager shall be considered proprietary and confidential and

66 exempt from disclosure under the West Virginia Freedom of Information Act pursuant to §29B-1-

67 4(a)(1). Only those agency independent contractors involved in collecting, securing, and

68 analyzing the data for the purpose of preparing the report provided for herein shall have access to

69 the proprietary data. The director shall provide a quarterly report to the Joint Committee on Health

70 detailing the information required by this section, including any difference or spread between the

71 overall amount paid by pharmacy benefit managers to the pharmacy providers and the overall

72 amount charged to the agency for each claim by the pharmacy benefit manager. To the extent

73 necessary, the director shall use aggregated, nonproprietary data only: *Provided, That the director*

74 must provide a clear and concise summary of the total amounts charged to the agency and

75 reimbursed to pharmacy providers on a quarterly basis.

76 (g) If the information required herein is not provided, the agency may terminate the contract

77 with the pharmacy benefit manager and the Office of the Insurance Commissioner shall discipline

78 the pharmacy benefit manager as provided in §33-51-8(e).

79 (h) The West Virginia Portable Insurance Benefit Plan shall contract with networks to

80 provide care to its members out of state.

1 (i) For any fiscal year in which legislative appropriations differ from the Governor's estimate

2 of general and special revenues available to the agency, the finance board shall, within 30 days

3 after passage of the budget bill, make any modifications to the plan necessary to ensure that the
4 total financial requirements of the agency for the current fiscal year are met.

5 (j) If the revenues in a given year exceed the expenses, the amount of revenues in excess
6 of the expenses shall be retained by the West Virginia Portable Insurance Benefit Plan to offset
7 future premium increases.

§5-16E-9. Contract provisions for group hospital and surgical, group major medical, group
prescription drug and group life, and accidental death insurance for retired
independent contractors, their spouses, and dependents.

1 A plan may provide benefits for retired independent contractors and their spouses and
2 dependents as defined by rules and regulations of the West Virginia Portable Insurance Benefit
3 Plan, and on such terms as the director may consider appropriate.

4 If the West Virginia Portable Insurance Benefit Plan provides the above benefits for retired
5 insured members, their spouses, and dependents, the West Virginia Portable Insurance Benefit
6 Plan shall adopt rules and regulations prescribing the conditions under which retired independent
7 contractors may elect to participate in or withdraw from the plan or plans. Any plan provided for
8 shall be secondary to any insurance plan administered by the United States Department of Health
9 and Human Services to which the retired insured member, spouse, or dependent may be eligible
10 under any law or regulation of the United States. If an independent contractor eligible to participate
11 in the West Virginia Portable Insurance Benefit Plan plans is also eligible to participate in the state
12 Medicaid program, and chooses to do so, then the West Virginia Portable Insurance Benefit Plan
13 may transfer to the Medicaid program funds to pay the required state share of the independent
14 contractor's participation in Medicaid except that the amount transferred may not exceed the
15 amount that would be allocated by the agency to subsidize the cost of coverage for the retired
16 insured member if he or she were enrolled in the West Virginia Portable Insurance Benefit Plan
17 plans.

§5-16E-10. To whom benefits paid.

1 Any benefits payable under a plan may be paid either directly to the medical provider,
2 hospital, medical group, or other person, firm, association, or corporation furnishing the service
3 upon which the claim is based, or to the insured upon presentation of valid bills for that service,
4 subject to provisions designed to facilitate payments as may be made by the director.

§5-16E-11. Misrepresentation by hiring party, independent contractor or provider; penalty.

1 (a) It is a violation of this article for any person to:
2 (1) Knowingly secure or attempt to secure benefits payable under this article to which they
3 are not entitled;
4 (2) Knowingly secure or attempt to secure greater benefits than those to which the person
5 is entitled;
6 (3) Willfully misrepresent the presence or extent of benefits to which the person is entitled
7 under a collateral insurance source;
8 (4) Willfully misrepresent any material fact relating to any other information requested by
9 the director;
10 (5) Willfully overcharge for services provided; or
11 (6) Willfully misrepresent a diagnosis or nature of the service provided.

12 Any person who has violated any of the foregoing provisions shall be civilly liable for the
13 amount of benefits, overpayment or other sums improperly received in addition to any other relief
14 available in a court of competent jurisdiction.

15 (b) If, after notice and an administrative proceeding, it is determined the person has
16 violated the article, the person is liable for any overpayment received. The director shall withhold
17 and set off any payment of any benefits or other payment due to that person until any overpayment
18 is recovered.

19 (c) In addition to any civil liability for a violation pursuant to subsection (a) of this section,
20 any person who knowingly secures or attempts to secure benefits payable under this article, or
21 knowingly attempts to secure greater benefits than those to which the person is entitled, by willfully

22 misrepresenting or aiding in the misrepresentation of any material fact relating to employment,
23 diagnosis or services rendered is guilty of a felony, and upon conviction thereof, shall be fined not
24 more than \$1,000, imprisoned in a state correctional facility for not less than one nor more than
25 five years, or both fined and imprisoned. Errors in coding for billing purposes may not be
26 considered a violation of this subsection absent other evidence of willful wrongdoing.

27 (d) Any person who violates any provision of this article which results in a loss to, or
28 overpayment from, the plan, or to the state of West Virginia of less than \$1,000, and for which no
29 other penalty is specifically provided, is guilty of a misdemeanor and, upon conviction thereof,
30 shall be fined not less than \$100 nor more than \$500, or confined in jail for not less than 24 hours

34 upon conviction thereof, shall be fined not less than \$1,000 nor more than \$5,000, or imprisoned in
35 a state correctional facility for not less than one nor more than five years, or both imprisoned and
36 fined.

§5-16E-12. Inspections; violations and penalties.

1 (a) Hiring parties and independent contractors participating in any of the West Virginia
2 Portable Insurance Benefit Plan plans shall provide, to the director, upon request, all
3 documentation reasonably required for the director to discharge the responsibilities under this
4 article. This documentation includes, but is not limited to, employment or eligibility records
5 sufficient to verify actual full-time employment and eligibility of independent contractors who
6 participate in the West Virginia Portable Insurance Benefit Plan plans.

7 (b) Upon a determination of the director or his or her designated representative that there is
8 probable cause to believe that fraud, abuse or other illegal activities involving transactions with the
9 agency has occurred, the director or his or her designated representative may refer the alleged
10 violations to the Insurance Commissioner for investigation and, if appropriate, prosecution.

11 pursuant to §33-41-1 et seq. For purposes of this section, "transactions with the agency" includes,
12 but is not limited to, application by any insured or dependent, any hiring party, or any type of health
13 care provider for payment to be made to that person or any third party by the agency.

14 (c) The West Virginia Portable Insurance Benefit Plan may through administrative
15 proceeding recover any benefits or claims paid to or for any independent contractor, or their
16 dependents, who obtained or received benefits through fraud. The West Virginia Portable
17 Insurance Benefit Plan may also through administrative proceeding recover any funds due from a
18 hiring party that knowingly allowed or provided benefits or claims to be fraudulently paid to an
19 independent contractor or dependents.

20 (d) For the purpose of any investigation or proceeding under this article, the director or any
21 officer designated by him or her may administer oaths and affirmations, issue administrative
22 subpoenas, take evidence, and require the production of any books, papers, correspondences,
23 memoranda, agreements or other documents, or records which may be relevant or material to the
24 inquiry.

25 (1) Administrative subpoenas shall be served by personal service by a person over the age
26 of 18, or by registered or certified mail addressed to the entity or person to be served at his or her
27 residence, principal office or place of business. Proof of service, when necessary, shall be made
28 by a return completed by the person making service, or in the case of registered or certified mail,
29 the return shall be accompanied by the post office receipt of delivery of the subpoena. A party
30 requesting the administrative subpoena is responsible for service and payment of any fees for
31 service. Any person who serves the administrative subpoena pursuant to this section is entitled to
32 the same fee as sheriffs who serve witness subpoenas for the circuit courts of this state.

33 (2) Fees for the attendance and travel of witnesses subpoenaed shall be the same as for
34 witnesses before the circuit courts of this state. All fees related to any administrative subpoena
35 issued at the request of a party to an administrative proceeding shall be paid by the requesting
36 party. All requests by parties for administrative subpoenas shall be in writing and shall contain a

37 statement acknowledging that the requesting party agrees to pay the fees.

38 (3) In case of disobedience or neglect of any administrative subpoena served, or the
39 refusal of any witness to testify to any matter for which he or she may be lawfully interrogated, or to
40 produce documents subpoenaed, the circuit court of the county in which the hearing is being held,
41 or the judge thereof in vacation, upon application by the director, may compel obedience by
42 attachment proceedings for contempt as in the case of disobedience of the requirements of a
43 subpoena or subpoena duces tecum issued from the circuit court or a refusal to testify therein.

44 Witnesses at the hearings shall testify under oath or affirmation.

45 (e) Only authorized independent contractors or agents may have access to confidential
46 data or systems and applications containing confidential data within the West Virginia Portable
47 Insurance Benefit Plan.

§5-16E-13. Privileges and immunity.

1 (a) Any person who makes a report or furnishes information, written or oral, concerning
2 suspected, anticipated or fraudulent activity to secure benefits payable under this article, or to
3 secure greater benefits than those to which the person or provider is entitled, is entitled to those
4 privileges and immunities existing under common or statutory law, as well as the immunity
5 established in this section.

6 (b) In the absence of fraud, malice or bad faith, no person or agent, independent contractor
7 or designee of that person shall be subject to civil liability of any nature arising out of that person's
8 provision of information related to suspected, anticipated or fraudulent activity in the securing of
9 benefits payable or securing greater benefits than those to which the person or provider is entitled.

10 (c) Nothing in this section may be construed to limit, abrogate, or modify existing statutes
11 or case law applicable to the duties or liabilities of persons acting in a manner that is itself
12 fraudulent, with malice or in bad faith.

§5-16E-14. Payment of costs by hiring party and independent contractor; spouse and
dependent coverage; authorization for retiree participation; continuation of health

insurance for surviving dependents of deceased independent contractors;

requirement of new health plan; limiting hiring party contribution.

4 her spouse and dependents included in any plan to which the independent contractor is entitled to

5 participate.

6 (2) The spouse and dependent coverage is limited to excess or secondary coverage for

7 each spouse and dependent who has primary coverage from any other source. If an independent

8 contractor's spouse has health insurance available through an employer not defined in this article,

9 then the hiring party may not cover any portion of premiums for the independent contractor's

10 spouse coverage, unless the independent contractor adds his or her spouse to his or her coverage

11 by paying the cost of the actuarial value of the plan. For purposes of this subsection, "actuarial

12 value" means the value as recommended by healthcare actuaries under §5-16E-5.

13 The director may require proof regarding spouse and dependent primary coverage and

14 shall adopt rules governing the nature, discontinuance, and resumption of any independent

15 contractor's coverage for his or her spouse and dependents.

16 (c) Retiree participation. — All retired independent contractors may obtain health

17 insurance coverage. The retired independent contractor's premium contribution for the coverage

18 shall be established by the finance board.

19 (d) Surviving spouse and dependent participation. — A surviving spouse and dependents

20 of a deceased independent contractor, who was either an active or retired independent contractor

21 participating in the plan just prior to his or her death, may be included in any comprehensive group

22 health insurance coverage provided under this article to which the deceased independent

23 contractor was entitled, and the spouse and dependents shall bear the premium cost of the

24 insurance coverage. The finance board shall establish the premium cost of the coverage.

§5-16E-15. Program qualifying for favorable federal income tax treatment.

1 The director shall develop deductible and independent contractor premium programs
2 which qualify for favorable federal income tax treatment under section 125 of the Internal Revenue
3 Code.

(4) A prepaid retirement insurance plan; and

(5) An audiology and hearing-aid services insurance plan.

8 (b) West Virginia Portable Insurance Benefit Plan participants may elect to participate in
9 any one of these plans separately or in combination. All actuarial and administrative costs of each
10 plan shall be totally borne by the premium payments of the participants or local governing bodies
11 electing to participate in that plan. The director may employ such administrative practices and
12 procedures with respect to these optional plans as are authorized for the administration of other
13 plans under this article. The director shall establish separate funds for each of the above listed
14 plans. The funds may not be supplemented by nor be used to supplement any other funds.

§5-16E-17. Preferred provider plan.

1 The director shall establish a preferred provider system for the delivery of health care to
2 plan participants by all health care providers, which may include, but not be limited to, medical
3 doctors, chiropractors, physicians, osteopathic physicians, surgeons, hospitals, clinics, nursing
4 homes, pharmacies, and pharmaceutical companies.

5 The director shall establish the terms of the preferred provider system and the incentives

6 therefor. The terms and incentives may include multiyear renewal options as are not prohibited by
7 the Constitution of this state and capitated primary care arrangements which are not subject to the
8 provisions of §33-25A-1 et seq.

§5-16E-18. Director to establish schedule of insurance.

2 schedule of insurance, with all plans and what the independent contractor's payments will be.
3 These payments will be offset by any contributions made by the hiring party.
