"Criminally injurious conduct" also includes criminally injurious conduct committed outside of the United States against a resident of this state. "Criminally injurious conduct" does not include conduct arising out of the ownership, maintenance, or use of a motor vehicle unless the person engaging in the conduct intended to cause personal injury or death or committed ~~negligent homicide~~ any offense contained within §17C-5-1 of this code, driving under the influence of alcohol, controlled substances or drugs, leaving the scene of the accident, or reckless driving.

(6) Reasonable travel expenses for the transportation of a victim to and from a medical facility.

(g) "Work loss" means loss of income from work that the injured person would have performed if he or she had not been injured and expenses reasonably incurred or to be incurred by him or her to obtain services in lieu of those he or she would have performed for income. "Work loss" is reduced by income from substitute work actually performed or to be performed by him or her or by income he or she would have earned in available appropriate substitute work that he or she was capable of performing but unreasonably failed to undertake. "Work loss" includes loss of income from work by the parent or legal guardian of a minor victim who must miss work to take care of the minor victim. "Work loss" also includes loss of income from work by the claimant, the

(i) "Dependents' economic loss" means loss after a victim's death of contributions or things of economic value to his or her dependents but does not include services they would have received from the victim if he or she had not suffered the fatal injury. 3 hereby authorized and directed to execute a compact on behalf of the State of West Virginia with
4 all other jurisdictions legally joining therein in the form substantially as follows:

ARTICLE I. FINDINGS AND DECLARATION OF POLICY.

6 (a) The party states find that:

7 (1) The safety of their streets and highways is materially affected by the degrees of
8 compliance with state laws and local ordinances relating to the operation of motor vehicles.

9 (2) Violation of such a law or ordinance is evidence that the violator engages in conduct
10 which is likely to endanger the safety of persons and property.

(3) The continuance in force of a license to drive is predicated upon compliance with laws and ordinances relating to the operation of motor vehicles, in whichever jurisdiction the vehicle is operated.

(b) It is the policy of each of the party states to:

(1) Promote compliance with the laws, ordinances and administrative rules and regulations relating to the operation of motor vehicles by their operators in each of the jurisdictions where such operators drive motor vehicles.

(2) Make the reciprocal recognition of licenses to drive and eligibility therefor more just and equitable by considering the overall compliance with motor vehicle laws, ordinances and administrative rules and regulations as a condition precedent to the continuance or issuance of any license by reason of which the licensee is authorized or permitted to operate a motor vehicle in any of the party states.

ARTICLE II. DEFINITIONS.

As used in this compact:

(a) "State" means a state, territory or possession of the United States, the District of Columbia or the Commonwealth of Puerto Rico.

ARTICLE IV. EFFECT OF CONVICTION.

(a) The licensing authority in the home state, for the purposes of suspension, revocation or limitation of the license to operate a motor vehicle, shall give the same effect to the conduct reported, pursuant to Article III of this compact, as it would if such conduct had occurred in the home state, in the case of convictions for:

(c) If the laws of a party state do not provide for offenses or violations denominated or described in precisely the words employed in subsection (a) of this article, such party state shall construe the denominations and descriptions appearing in subsection (a) hereof as being applicable to and identifying those offenses or violations of a substantially similar nature and the laws of such party state shall contain such provisions as may be necessary to ensure that full force and effect is given to this article.

ARTICLE V. APPLICATIONS FOR NEW LICENSES.

Upon application for a license to drive, the licensing authority in a party state shall ascertain whether the applicant has ever held, or is the holder of a license to drive issued by any other party state. The licensing authority in the state where application is made shall not issue a license to drive to the applicant if:

No withdrawal shall affect the validity or applicability by the licensing authorities of states remaining party to the compact of any report of conviction occurring prior to the withdrawal.

ARTICLE IX. CONSTRUCTION AND SEVERABILITY.

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the Constitution of any party state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby.
