After validation of the ballot at the canvass, the outer envelope shall be destroyed, and the handicapped voter's ballot shall be placed with other approved provisional ballots prior to removal of the ballot from the unmarked envelope.

The person assisting the voter shall also

176 swear or affirm that he or she believes that the voter is voting free of intimidation or manipulation.
177 No person providing assistance to a voter is required to sign an oath or affirmation where the
178 reason for requesting assistance is the voter's inability to vote without assistance because of
179 blindness as defined in §5-15-3 of this code and the inability to vote without assistance because of
180 blindness is certified in writing by a physician of the voter's choice and is on file in the office of the
181 clerk of the county commission.

182 (6) In accordance with instructions issued by the Secretary of State, the clerk of the county
183 commission shall provide a form entitled "list of assisted voters", on a form as prescribed by the

190 present his or her ballot to one of the commissioners who shall hand the same to another
191 commissioner, of a different political party, who shall deposit it in the ballot box if the ballot is the
192 official one and properly signed. The commissioner of election may inspect every ballot before it is
193 deposited in the ballot box to ascertain whether it is single; but without unfolding or unrolling it so
194 as to disclose its content. When the voter has voted, he or she shall retire immediately from the
195 election room and beyond the 60-foot limit and not return except by permission of the
196 commissioners.

197 (g) Following the election, the oaths or affirmations required by this section from those
198 assisting voters, together with the "list of assisted voters", shall be returned by the Election
199 Commissioners to the clerk of the county commission along with the election supplies, records and
200 returns. The clerk of the county commission shall make the oaths, affirmations, and list available
201 for public inspection and preserve them for a period of 22 months or until disposition is authorized

or directed by the Secretary of State or court of record. The clerk may use these records to update the voter registration records in accordance with §3-2-18(d) of this code.

(h) Any person making an oath or affirmation required under the provisions of this section who knowingly swears falsely or any person who counsels, advises, aids or abets another in the commission of false swearing under this section, is guilty of a misdemeanor and, upon conviction thereof, shall be fined not more than \$1,000 or confined in jail for a period of not more than one year, or both fined and confined.
