5 tax or levy to pay for creating and maintaining the county daycare; allowing a county
6 commission to establish a county daycare authority; providing for a county vote on creating
7 and funding a daycare; to establish and manage a county daycare; and allowing a county
8 commission to fund or alternatively propose a tax, fee, or levy to fund the daycare for voter
9 approval; and providing guidelines for establishing and managing the daycare.

Be it enacted by the Legislature of West Virginia:

ARTICLE 25. ESTABLISHMENT OF A COUNTY DAYCARE.

§7-28-1. Establishment of a County Daycare.

1 Upon the passage of a county referendum, each county commission is hereby authorized
2 to establish a public agency to be known as the "County Daycare Authority" to carry out the
3 powers and duties herein conferred by law upon the county relating to establishment and
4 management of available and affordable daycare for all citizens of the county.

§7-28-2. Establishment of a County Daycare Authority; authorization to assess a local levy, tax, or fee; and determining cost of operation and maintenance.

1 (a) Legislative finding and authorization to create a county daycare- The Legislature finds
2 that the establishment of county run daycare is in the public interest, a component of economic
3 development, provides educational enhancement to the children of the county, promotes
4 workforce availability of parents, and is a public service that improves the quality of life of the
5 residents of a county. Therefore, each county may establish a county daycare pursuant to this
6 section. The county daycare shall be for the benefit of the citizens of the county. If two or more
7 adjoining counties meet the requirements of this article, they may enter a memorandum of
8 understanding and combine resources to create a joint daycare authority upon adoption of

9 referendums by each county.

10 (1) *Petition by the citizens*- County resident voters may petition the county commission to
11 establish a county daycare. The county commission, shall upon receipt and verification of a
12 petition received signed in their own handwriting by at least 10% of the registered voters of the
13 county voting in the last gubernatorial election, as verified by the county clerk, make a petition for
14 the imposition of a levy, tax, or fee for the purpose of creating and maintaining within the county a
15 daycare facility for use by citizens of the county, shall be submitted to the voters in a county-wide
16 referendum at the next general election held in the county.

17 (2) *County Commission initiative*- A county commission may initiate a referendum to
18 decide the issue of establishment of a county daycare.

19 (3) *County Commission to develop daycare proposal*- Prior to a county commission
20 presenting the question to the voters of the establishment of a county daycare, it shall fulfill the
21 requirements of §7-25-3 of this code providing a description of the design and methodology for
22 funding the county daycare, all to be included and reasonably described in the ballot measure
23 presented to voters.

24 (b) *Assessment of a tax, fee, or levy*- Upon enactment by majority vote by referendum, a
25 county may establish a county daycare authority for the purpose of establishing and managing a
26 county daycare and fund its creation an operation by the funding source. Each county commission
27 so authorized to assess a tax, levy, or fee, upon directive by passage of ballot initiative in the
28 county is hereby authorized to initiate such tax, levy, or fee to be utilized for the purpose of
29 construction and operation of a county daycare facility or facilities: *Provided*, That notwithstanding
30 the provisions of this article to the contrary, if a county commission can fund the creation and
31 management of a county daycare without the assessment of any fee, tax, or levy, the county
32 commission may establish a daycare authority and authorize a daycare by its own initiative without
33 any requirement to present the issue by referendum to the voters.

§7-28-3. Petition for a county daycare.

1 (a) Referendums shall be held in conjunction with a general election which the
2 requirements of this article relating to planning and determining the levy amount have been met
3 and allows the referendum to meet all election notice and filing deadlines.

4 (b) The county commission shall, if the petition directs the assessment of the levy, tax, or
5 fee for creation of a daycare authority, provide an analysis of the amount that the fee, tax, or levy
6 must generate to pay for the county daycare operations and to the extent practical, the average
7 cost to individual taxpayers. If the petition fails to provide a funding mechanism, and the county
8 commission determines the county does not have adequate funds to establish a daycare, the
9 county commission shall determine what levy, tax, or fee is best to be used for this purpose. If a
10 levy is selected as the funding source, the levy shall be initiated pursuant to the provisions of §11-
11 8-6b of the code. If the petition for creating of a county daycare does specify how the funding of
12 the daycare shall occur, and if the fee, tax, or levy in the county commission's judgement will not
13 adequately fund a daycare facility, the commission may alter the ballot question to presented to
14 voters to assure it will be sufficiently funded, then the county commission shall select any funding
15 method and include that language in the county referendum.

16 (c) Upon a vote of a county commission to establish a county daycare or the receipt of a
17 verified petition, the county commission shall undertake a study to determine the most economical
18 and timely plans to establish a county daycare facility or facilities sufficient to meet the needs of
19 county residents. The county commission shall determine the proposed levy rate assessment on
20 real property or the assessment of a county tax or fee to cover the cost of establishing and
21 maintaining a daycare facility or facilities, including sufficient monies needed to provide daycare
22 services at an affordable rate for residents based on the ability to pay of residents needing the
23 service. Upon completion of the plan, the county commission shall cause a public hearing and
24 receive public comment on the proposal, providing a Class I notice published in the county 10 days
25 prior to the hearing. After receipt of public comment, the county commission may revise the plan
26 but if the county commission revises the plan and the cost will vary more or less than 10% of the

27 original estimate, the commission shall conduct another hearing and receive comment on the new
28 plan.

§7-28-4. County daycare levy placed upon ballot; notices; form of ballot.

3 next scheduled election, as a Class II-0 legal advertisement in compliance with the provisions of
4 §59-3-1 et seq. of this code, and the publication area for such publication shall be the county. Such
5 notice shall be so published within 14 consecutive days next preceding the election.

11 (c) The additional levy, tax, or fee shall be collected from _____ (describe
12 the type of tax, levy, or fee and how and from whom it will be collected.)

13 (d) In the event that a majority of the votes cast upon a question submitted pursuant to this

15 at the next succeeding election.

members; vacancies; removal of members; meetings; quorum; compensation.
