§19-40-4. Requirements.

1 A manufacturer of equipment sold or leased, offered for sale or lease, or used in this state
2 shall, upon expiration of the new equipment warranty, make available to any independent repair
3 provider or owner of equipment for lease or sale any documentation, parts, and tools required for
4 the diagnosis, maintenance, or repair of the equipment, inclusive of any technical updates and

4 authorized repair agreement executed and in force between an authorized repair provider and
5 manufacturer, including, but not limited to, the performance or provision of warranty or recall repair

3 including establishing a mechanism for the administrative resolution of violations of this article and
4 the assessment and collection of civil penalties by consent order or agreement as an alternative to
5 instituting a civil action.

§19-40-7. Violations; civil penalties; injunctive relief.

1 (a) Any manufacturer, authorized repair provider, independent repair provider, or owner
2 that violates any provision of this article or rule promulgated hereunder is liable for a civil penalty of
3 not less than \$1,000 for each violation. Each day a violation continues after notice by the
4 commissioner constitutes a separate violation. The penalty may be recovered by a civil action.

5 (b) Upon application by the commissioner, the circuit courts of the state or the judges
6 thereof in vacation may, by injunction, compel compliance with, and enjoin any violation of this
7 article or rule promulgated hereunder or the terms and conditions of any consent order or

9 injunction in any case pending a decision on the merits of any injunction application filed.
10 Notwithstanding any other provision of this code to the contrary, the state is not required to furnish
11 bond as a prerequisite to obtaining injunctive relief under this article. An application for an
12 injunction under the provisions of this section may be filed and injunctive relief granted
13 notwithstanding that all the administrative remedies provided for in this article or rule have not
14 been pursued or invoked against the person or persons against whom such relief is sought.

§19-40-8. Applicability.
