

# **WEST VIRGINIA LEGISLATURE**

## **2025 REGULAR SESSION**

**Introduced**

### **Senate Bill 29**

By Senator Takubo

[Introduced February 12, 2025; referred  
to the Committee on Health and Human Resources]

1 A BILL to amend and reenact §30-3-14, §30-3-15, and §31B-13-1301 of the Code of West Virginia,  
 2 1931, as amended, relating to authorizing physician assistants to own a business; denying  
 3 a license or other authorization for physician assistants for referrals where the physician  
 4 assistant has a proprietary interest; authorizing medical corporations that have physician  
 5 assistant shareholders; conforming the definition of "physician assistant" to the American  
 6 Academy of Physician Associates' term for the profession; and designating the profession  
 7 of physician assistant as a professional service for the purposes of the Uniform Limited  
 8 Liability Company Act.

*Be it enacted by the Legislature of West Virginia:*

**CHAPTER 30. PROFESSIONS AND OCCUPATIONS.**

**ARTICLE 3. WEST VIRGINIA MEDICAL PRACTICE ACT.**

**§30-3-14. Professional discipline of physicians and podiatrists; reporting of information to board pertaining to medical professional liability and professional incompetence required; penalties; grounds for license denial and discipline of physicians, and podiatrists, and physician assistants; investigations; physical and mental examinations; hearings; sanctions; summary sanctions; reporting by the board; reapplication; civil and criminal immunity; voluntary limitation of license; probable cause determination; referral to law-enforcement authorities; rulemaking.**

1 (a)(1) The board may independently initiate disciplinary proceedings as well as initiate  
 2 disciplinary proceedings based on information received from medical peer review committees,  
 3 physicians, podiatrists, hospital administrators, professional societies, the Board of Pharmacy,  
 4 and others.

5 (2) The board may initiate investigations as to professional incompetence or other reasons  
 6 for which a licensed physician or podiatrist may be adjudged unqualified based upon criminal  
 7 convictions; complaints by citizens, pharmacists, physicians, podiatrists, peer review committees,

8 hospital administrators, professional societies, or others; or unfavorable outcomes arising out of  
9 medical professional liability. The board shall initiate an investigation if it receives notice that three  
10 or more judgments, or any combination of judgments and settlements resulting in five or more  
11 unfavorable outcomes arising from medical professional liability, have been rendered or made  
12 against the physician or podiatrist within a five-year period. The board may not consider any  
13 judgments or settlements as conclusive evidence of professional incompetence or conclusive lack  
14 of qualification to practice.

15 (b)(1) Upon request of the board, any medical peer review committee in this state shall  
16 report any information that may relate to the practice or performance of any physician or podiatrist  
17 known to that medical peer review committee. Copies of the requests for information from a  
18 medical peer review committee may be provided to the subject physician or podiatrist if, in the  
19 discretion of the board, the provision of such copies will not jeopardize the board's investigation. If  
20 copies are provided, the subject physician or podiatrist is allowed 15 days to comment on the  
21 requested information and the comments shall be considered by the board.

22 (2) The chief executive officer of every hospital shall, within 60 days after the completion of  
23 the hospital's formal disciplinary procedure and also within 60 days after the commencement of  
24 and again after the conclusion of any resulting legal action, report in writing to the board the name  
25 of any member of the medical staff or any other physician or podiatrist practicing in the hospital  
26 whose hospital privileges have been revoked, restricted, reduced, or terminated for any cause,  
27 including resignation, together with all pertinent information relating to such action. The chief  
28 executive officer shall also report any other formal disciplinary action taken against any physician  
29 or podiatrist by the hospital upon the recommendation of its medical staff relating to professional  
30 ethics, medical incompetence, medical professional liability, moral turpitude or drug or alcohol  
31 abuse. Temporary suspension for failure to maintain records on a timely basis or failure to attend  
32 staff or section meetings need not be reported. Voluntary cessation of hospital privileges for  
33 reasons unrelated to professional competence or ethics need not be reported.

34           (3) Any managed care organization operating in this state which provides a formal peer  
35 review process shall report in writing to the board, within 60 days after the completion of any formal  
36 peer review process and also within 60 days after the commencement of and again after the  
37 conclusion of any resulting legal action, the name of any physician or podiatrist whose  
38 credentialing has been revoked or not renewed by the managed care organization. The managed  
39 care organization shall also report in writing to the board any other disciplinary action taken  
40 against a physician or podiatrist relating to professional ethics, professional liability, moral  
41 turpitude, or drug or alcohol abuse within 60 days after completion of a formal peer review process  
42 which results in the action taken by the managed care organization. For purposes of this  
43 subsection, "managed care organization" means a plan that establishes, operates, or maintains a  
44 network of health care providers who have entered into agreements with and been credentialed by  
45 the plan to provide health care services to enrollees or insureds to whom the plan has the ultimate  
46 obligation to arrange for the provision of or payment for health care services through  
47 organizational arrangements for ongoing quality assurance, utilization review programs, or  
48 dispute resolutions.

49           (4) Any professional society in this state comprised primarily of physicians or podiatrists  
50 which takes formal disciplinary action against a member relating to professional ethics,  
51 professional incompetence, medical professional liability, moral turpitude, or drug or alcohol abuse  
52 shall report in writing to the board within 60 days of a final decision the name of the member,  
53 together with all pertinent information relating to the action.

54           (5) Any person licensed or authorized by the board to provide health care services to  
55 patients in this state shall submit a written report to the board of any of the following incidents the  
56 person reasonably believes to have occurred involving a person licensed or authorized by the  
57 board to provide health care services to patients in this state:

58           (A) Exercising influence within a provider-physician relationship for the purpose of  
59 engaging a patient in sexual activity;

60 (B) Engaging in sexual misconduct with a patient;

61 (C) Violating established medical or professional protocols regarding transferring  
62 controlled substances or prescribing controlled substances;

63 (D) Engaging in conduct which jeopardizes patient safety; or

64 (E) Other gross misconduct.

65 All reports required by this subdivision shall be submitted to the board within 30 days of the  
66 reportable incident, or if the licensee or other authorized person with a duty to report gained  
67 knowledge of the incident after it occurred, within 30 days of the licensee or other authorized  
68 person's knowledge of the incident. Failure of a licensee or other authorized person to report any  
69 such incidents to the board constitutes unprofessional conduct and is grounds for disciplinary  
70 action by the board. A physician who is licensed by the board and who obtains responsive  
71 information exclusively while functioning as the executive director or employee of a board-  
72 approved professional health program shall only be required to report in conformity with §30-3-  
73 9(h) of this code.

74 (6) Every person, partnership, corporation, association, insurance company, professional  
75 society, or other organization providing professional liability insurance to a physician or podiatrist  
76 in this state, including the state Board of Risk and Insurance Management, shall submit to the  
77 board the following information within 30 days from any judgment or settlement of a civil or medical  
78 professional liability action excepting product liability actions: the name of the insured; the date of  
79 any judgment or settlement; whether any appeal has been taken on the judgment and, if so, by  
80 which party; the amount of any settlement or judgment against the insured; and other information  
81 required by the board.

82 (7) Within 30 days from the entry of an order by a court in a medical professional liability  
83 action or other civil action in which a physician or podiatrist licensed by the board is determined to  
84 have rendered health care services below the applicable standard of care, the clerk of the court in  
85 which the order was entered shall forward a certified copy of the order to the board.

86 (8) Within 30 days after a person known to be a physician or podiatrist licensed or  
87 otherwise lawfully practicing medicine and surgery or podiatry in this state or applying to be  
88 licensed is convicted of a felony under the laws of this state or of any crime under the laws of this  
89 state involving alcohol or drugs in any way, including any controlled substance under state or  
90 federal law, the clerk of the court of record in which the conviction was entered shall forward to the  
91 board a certified true and correct abstract of record of the convicting court. The abstract shall  
92 include the name and address of the physician or podiatrist or applicant, the nature of the offense  
93 committed, and the final judgment and sentence of the court.

94 (9) Upon a determination of the board that there is probable cause to believe that any  
95 person, partnership, corporation, association, insurance company, professional society, or other  
96 organization has failed or refused to make a report required by this subsection, the board shall  
97 provide written notice to the alleged violator stating the nature of the alleged violation and the time  
98 and place at which the alleged violator shall appear to show good cause why a civil penalty should  
99 not be imposed. The hearing shall be conducted in accordance with §29A-5-1 *et seq.* of this code.  
100 After reviewing the record of the hearing, if the board determines that a violation of this subsection  
101 has occurred, the board shall assess a civil penalty of not less than \$1,000 nor more than \$10,000  
102 against the violator. The board shall notify any person so assessed of the assessment in writing  
103 and the notice shall specify the reasons for the assessment. If the violator fails to pay the amount  
104 of the assessment to the board within 30 days, the Attorney General may institute a civil action in  
105 the Circuit Court of Kanawha County to recover the amount of the assessment. In any civil action,  
106 the court's review of the board's action shall be conducted in accordance with §29A-5-4 of this  
107 code. Notwithstanding any other provision of this article to the contrary, when there are conflicting  
108 views by recognized experts as to whether any alleged conduct breaches an applicable standard  
109 of care, the evidence shall be clear and convincing before the board may find that the physician or  
110 podiatrist has demonstrated a lack of professional competence to practice with a reasonable  
111 degree of skill and safety for patients.

112 (10) Any person may report to the board relevant facts about the conduct of any physician  
113 or podiatrist in this state which in the opinion of that person amounts to medical professional  
114 liability or professional incompetence.

115 (11) The board shall provide forms for filing reports pursuant to this section. Reports  
116 submitted in other forms shall be accepted by the board.

117 (12) The filing of a report with the board pursuant to any provision of this article, any  
118 investigation by the board, or any disposition of a case by the board does not preclude any action  
119 by a hospital, other health care facility, or professional society comprised primarily of physicians or  
120 podiatrists to suspend, restrict, or revoke the privileges or membership of the physician or  
121 podiatrist.

122 (13) Any person who reports pursuant to this subsection, in good-faith and without fraud or  
123 malice, is immune from civil liability. Reports made in bad-faith, fraudulently, or maliciously  
124 constitute unprofessional conduct and, if made by persons licensed or authorized to practice by  
125 the board, are grounds for disciplinary action pursuant to § 30-3-14(c) of this code.

126 (c) The board may deny an application for a license or other authorization to practice  
127 medicine and surgery or podiatry, or to practice as a licensed physician assistant, in this state and  
128 may discipline a physician, ~~or podiatrist~~, or physician assistant licensed or otherwise lawfully  
129 practicing in this state who, after a hearing, has been adjudged by the board as unqualified due to  
130 any of the following reasons:

131 (1) Attempting to obtain, obtaining, renewing, or attempting to renew a license or other  
132 authorization to practice medicine and surgery or podiatry by bribery, fraudulent  
133 misrepresentation, or through known error of the board;

134 (2) Being found guilty of a crime in any jurisdiction, which offense is a felony, involves moral  
135 turpitude, or directly relates to the practice of medicine. Any plea of nolo contendere is a conviction  
136 for the purposes of this subdivision;

137 (3) False or deceptive advertising;

138 (4) Aiding, assisting, procuring, or advising any unauthorized person to practice medicine  
139 and surgery or podiatry contrary to law;

140 (5) Making or filing a report that the person knows to be false; intentionally or negligently  
141 failing to file a report or record required by state or federal law; willfully impeding or obstructing the  
142 filing of a report or record required by state or federal law; or inducing another person to do any of  
143 the foregoing. The reports and records covered in this subdivision mean only those that are signed  
144 in the capacity as a licensed physician or podiatrist;

145 (6) Requesting, receiving, or paying directly or indirectly a payment, rebate, refund,  
146 commission, credit, or other form of profit or valuable consideration for the referral of patients to  
147 any person or entity in connection with providing medical or other health care services or clinical  
148 laboratory services, supplies of any kind, drugs, medication, or any other medical goods, services,  
149 or devices used in connection with medical or other health care services;

150 (7) Unprofessional conduct by any physician, ~~or~~ podiatrist, or physician assistant in  
151 referring a patient to any clinical laboratory or pharmacy in which the physician, ~~or~~ podiatrist, or  
152 physician assistant has a proprietary interest unless the physician, ~~or~~ podiatrist, or physician  
153 assistant discloses in writing such interest to the patient. The written disclosure shall indicate that  
154 the patient may choose any clinical laboratory for purposes of having any laboratory work or  
155 assignment performed or any pharmacy for purposes of purchasing any prescribed drug or any  
156 other medical goods or devices used in connection with medical or other health care services;

157 As used in this subdivision, "proprietary interest" does not include an ownership interest in  
158 a building in which space is leased to a clinical laboratory or pharmacy at the prevailing rate under  
159 a lease arrangement that is not conditional upon the income or gross receipts of the clinical  
160 laboratory or pharmacy;

161 (8) Exercising influence within a patient-physician relationship for the purpose of engaging  
162 a patient in sexual activity or engaging in other sexual misconduct;

163 (9) Making a deceptive, untrue, or fraudulent representation in the practice of medicine and

164 surgery or podiatry;

165 (10) Soliciting patients, either personally or by an agent, through the use of fraud,  
166 intimidation, or undue influence;

167 (11) Failing to keep written records justifying the course of treatment of a patient, including,  
168 but not limited to, patient histories, examination and test results, and treatment rendered, if any;

169 (12) Exercising influence on a patient in such a way as to exploit the patient for financial  
170 gain of the physician or podiatrist or of a third party. Any influence includes, but is not limited to, the  
171 promotion or sale of services, goods, appliances, or drugs;

172 (13) Prescribing, dispensing, administering, mixing, or otherwise preparing a prescription  
173 drug, including any controlled substance under state or federal law, other than in good-faith and in  
174 a therapeutic manner in accordance with accepted medical standards and in the course of the  
175 physician's or podiatrist's professional practice. A physician who discharges his or her  
176 professional obligation to relieve the pain and suffering and promote the dignity and autonomy of  
177 dying patients in his or her care and, in so doing, exceeds the average dosage of a pain relieving  
178 controlled substance, as defined in Schedules II and III of the Uniform Controlled Substance Act,  
179 does not violate this article;

180 (14) Performing any procedure or prescribing any therapy that, by the accepted standards  
181 of medical practice in the community, would constitute experimentation on human subjects without  
182 first obtaining full, informed, and written consent;

183 (15) Practicing or offering to practice beyond the scope permitted by law or accepting and  
184 performing professional responsibilities that the person knows or has reason to know he or she is  
185 not competent to perform;

186 (16) Delegating professional responsibilities to a person when the physician or podiatrist  
187 delegating the responsibilities knows or has reason to know that the person is not qualified by  
188 training, experience, or licensure to perform them;

189 (17) Violating any provision of this article or a rule or order of the board or failing to comply

190 with a subpoena or subpoena duces tecum issued by the board;

191 (18) Conspiring with any other person to commit an act or committing an act that would  
192 tend to coerce, intimidate, or preclude another physician or podiatrist from lawfully advertising his  
193 or her services;

194 (19) Gross negligence in the use and control of prescription forms;

195 (20) Professional incompetence;

196 (21) The inability to practice medicine and surgery or podiatry with reasonable skill and  
197 safety due to physical or mental impairment, including deterioration through the aging process,  
198 loss of motor skill, or abuse of drugs or alcohol. A physician or podiatrist adversely affected under  
199 this subdivision shall be afforded an opportunity at reasonable intervals to demonstrate that he or  
200 she may resume the competent practice of medicine and surgery or podiatry with reasonable skill  
201 and safety to patients. In any proceeding under this subdivision, neither the record of proceedings  
202 nor any orders entered by the board shall be used against the physician or podiatrist in any other  
203 proceeding; or

204 (22) Knowingly failing to report to the board any act of gross misconduct committed by  
205 another licensee of the board or failing to comply with any reporting requirement set forth in §30-3-  
206 14(b) of this code.

207 (d) The board shall deny any application for a license or other authorization to practice  
208 medicine and surgery or podiatry in this state to any applicant, and shall revoke the license of any  
209 physician or podiatrist licensed or otherwise lawfully practicing within this state who, is found guilty  
210 by any court of competent jurisdiction of any felony involving prescribing, selling, administering,  
211 dispensing, mixing, or otherwise preparing any prescription drug, including any controlled  
212 substance under state or federal law, for other than generally accepted therapeutic purposes.  
213 Presentation to the board of a certified copy of the guilty verdict or plea rendered in the court is  
214 sufficient proof thereof for the purposes of this article. A plea of nolo contendere has the same  
215 effect as a verdict or plea of guilt. Upon application of a physician that has had his or her license

216 revoked because of a drug-related felony conviction, upon completion of any sentence of  
217 confinement, parole, probation, or other court-ordered supervision, and full satisfaction of any  
218 fines, judgments, or other fees imposed by the sentencing court, the board may issue the applicant  
219 a new license upon a finding that the physician is, except for the underlying conviction, otherwise  
220 qualified to practice medicine: *Provided*, That the board may place whatever terms, conditions, or  
221 limitations it deems appropriate upon a physician licensed pursuant to this subsection.

222 (e) The board may refer any cases coming to its attention to an appropriate committee of  
223 an appropriate professional organization for investigation and report. Except for complaints  
224 related to obtaining initial licensure to practice medicine and surgery or podiatry in this state by  
225 bribery or fraudulent misrepresentation, any complaint filed more than two years after the  
226 complainant knew, or in the exercise of reasonable diligence should have known, of the existence  
227 of grounds for the complaint shall be dismissed: *Provided*, That in cases of conduct alleged to be  
228 part of a pattern of similar misconduct or professional incapacity that, if continued, would pose  
229 risks of a serious or substantial nature to the physician's or podiatrist's current patients, the  
230 investigating body may conduct a limited investigation related to the physician's or podiatrist's  
231 current capacity and qualification to practice and may recommend conditions, restrictions, or  
232 limitations on the physician's or podiatrist's license to practice that it considers necessary for the  
233 protection of the public. Any report shall contain recommendations for any necessary disciplinary  
234 measures and shall be filed with the board within 90 days of any referral. The recommendations  
235 shall be considered by the board and the case may be further investigated by the board. The board  
236 after full investigation shall take whatever action it considers appropriate, as provided in this  
237 section.

238 (f) The investigating body, as provided in §30-3-14(e) of this code, may request and the  
239 board under any circumstances may require a physician or podiatrist or person applying for  
240 licensure or other authorization to practice medicine and surgery or podiatry in this state to submit  
241 to a physical or mental examination by a physician or physicians approved by the board. A

242 physician or podiatrist submitting to an examination has the right, at his or her expense, to  
243 designate another physician to be present at the examination and make an independent report to  
244 the investigating body or the board. The expense of the examination shall be paid by the board.  
245 Any individual who applies for or accepts the privilege of practicing medicine and surgery or  
246 podiatry in this state is considered to have given his or her consent to submit to all examinations  
247 when requested to do so in writing by the board and to have waived all objections to the  
248 admissibility of the testimony or examination report of any examining physician on the ground that  
249 the testimony or report is privileged communication. If a person fails or refuses to submit to an  
250 examination under circumstances which the board finds are not beyond his or her control, failure  
251 or refusal is prima facie evidence of his or her inability to practice medicine and surgery or podiatry  
252 competently and in compliance with the standards of acceptable and prevailing medical practice.

253 (g) In addition to any other investigators it employs, the board may appoint one or more  
254 licensed physicians to act for it in investigating the conduct or competence of a physician.

255 (h) In every disciplinary or licensure denial action, the board shall furnish the physician or  
256 podiatrist or applicant with written notice setting out with particularity the reasons for its action.  
257 Disciplinary and licensure denial hearings shall be conducted in accordance with §29A-5-1 *et seq.*  
258 of this code. However, hearings shall be heard upon sworn testimony and the rules of evidence for  
259 trial courts of record in this state shall apply to all hearings. A transcript of all hearings under this  
260 section shall be made, and the respondent may obtain a copy of the transcript at his or her  
261 expense. The physician or podiatrist has the right to defend against any charge by the introduction  
262 of evidence, the right to be represented by counsel, the right to present and cross examine  
263 witnesses and the right to have subpoenas and subpoenas duces tecum issued on his or her  
264 behalf for the attendance of witnesses and the production of documents. The board shall make all  
265 its final actions public. The order shall contain the terms of all action taken by the board.

266 (i) In disciplinary actions in which probable cause has been found by the board, the board  
267 shall, within 20 days of the date of service of the written notice of charges or 60 days prior to the

268 date of the scheduled hearing, whichever is sooner, provide the respondent with the complete  
269 identity, address, and telephone number of any person known to the board with knowledge about  
270 the facts of any of the charges; provide a copy of any statements in the possession of or under the  
271 control of the board; provide a list of proposed witnesses with addresses and telephone numbers,  
272 with a brief summary of his or her anticipated testimony; provide disclosure of any trial expert  
273 pursuant to the requirements of Rule 26(b)(4) of the West Virginia Rules of Civil Procedure;  
274 provide inspection and copying of the results of any reports of physical and mental examinations  
275 or scientific tests or experiments; and provide a list and copy of any proposed exhibit to be used at  
276 the hearing: *Provided*, That the board may not be required to furnish or produce any materials  
277 which contain opinion work product information or would be a violation of the attorney-client  
278 privilege. Within 20 days of the date of service of the written notice of charges, the board shall  
279 disclose any exculpatory evidence with a continuing duty to do so throughout the disciplinary  
280 process. Within 30 days of receipt of the board's mandatory discovery, the respondent shall  
281 provide the board with the complete identity, address, and telephone number of any person known  
282 to the respondent with knowledge about the facts of any of the charges; provide a list of proposed  
283 witnesses, with addresses and telephone numbers, to be called at hearing, with a brief summary  
284 of his or her anticipated testimony; provide disclosure of any trial expert pursuant to the  
285 requirements of Rule 26(b)(4) of the West Virginia Rules of Civil Procedure; provide inspection  
286 and copying of the results of any reports of physical and mental examinations or scientific tests or  
287 experiments; and provide a list and copy of any proposed exhibit to be used at the hearing.

288 (j) Whenever it finds any person unqualified because of any of the grounds set forth in §30-  
289 3-14(c) of this code, the board may enter an order imposing one or more of the following:

290 (1) Deny his or her application for a license or other authorization to practice medicine and  
291 surgery or podiatry;

292 (2) Administer a public reprimand;

293 (3) Suspend, limit, or restrict his or her license or other authorization to practice medicine

294 and surgery or podiatry for not more than five years, including limiting the practice of that person  
295 to, or by the exclusion of, one or more areas of practice, including limitations on practice privileges;

296 (4) Revoke his or her license or other authorization to practice medicine and surgery or  
297 podiatry or to prescribe or dispense controlled substances for any period of time, including for the  
298 life of the licensee, that the board may find to be reasonable and necessary according to evidence  
299 presented in a hearing before the board or its designee;

300 (5) Require him or her to submit to care, counseling, or treatment designated by the board  
301 as a condition for initial or continued licensure or renewal of licensure or other authorization to  
302 practice medicine and surgery or podiatry;

303 (6) Require him or her to participate in a program of education prescribed by the board;

304 (7) Require him or her to practice under the direction of a physician or podiatrist designated  
305 by the board for a specified period of time; and

306 (8) Assess a civil fine of not less than \$1,000 nor more than \$10,000.

307 (k) Notwithstanding the provisions of §30-1-8 of this code, if the board determines the  
308 evidence in its possession indicates that a physician's or podiatrist's continuation in practice or  
309 unrestricted practice constitutes an immediate danger to the public, the board may take any of the  
310 actions provided in §30-3-4(j) of this code on a temporary basis and without a hearing if institution  
311 of proceedings for a hearing before the board are initiated simultaneously with the temporary  
312 action and begin within 15 days of the action. The board shall render its decision within five days of  
313 the conclusion of a hearing under this subsection.

314 (l) Any person against whom disciplinary action is taken pursuant to this article has the  
315 right to judicial review as provided in §29A-5-1 *et seq.* and §29A-6-1 *et seq.* of this code: *Provided,*  
316 That a circuit judge may also remand the matter to the board if it appears from competent evidence  
317 presented to it in support of a motion for remand that there is newly discovered evidence of such a  
318 character as ought to produce an opposite result at a second hearing on the merits before the  
319 board and:

320 (1) The evidence appears to have been discovered since the board hearing; and

321 (2) The physician or podiatrist exercised due diligence in asserting his or her evidence and  
322 that due diligence would not have secured the newly discovered evidence prior to the appeal.

323 A person may not practice medicine and surgery or podiatry or deliver health care services  
324 in violation of any disciplinary order revoking, suspending, or limiting his or her license while any  
325 appeal is pending. Within 60 days, the board shall report its final action regarding restriction,  
326 limitation, suspension, or revocation of the license of a physician or podiatrist, limitation on  
327 practice privileges, or other disciplinary action against any physician or podiatrist to all appropriate  
328 state agencies, appropriate licensed health facilities and hospitals, insurance companies or  
329 associations writing medical malpractice insurance in this state, the American Medical  
330 Association, the American Podiatry Association, professional societies of physicians or podiatrists  
331 in the state, and any entity responsible for the fiscal administration of Medicare and Medicaid.

332 (m) Any person against whom disciplinary action has been taken under this article shall, at  
333 reasonable intervals, be afforded an opportunity to demonstrate that he or she can resume the  
334 practice of medicine and surgery or podiatry on a general or limited basis. At the conclusion of a  
335 suspension, limitation, or restriction period the physician or podiatrist may resume practice if the  
336 board has so ordered.

337 (n) Any entity, organization, or person, including the board, any member of the board, its  
338 agents or employees, and any entity or organization or its members referred to in this article, any  
339 insurer, its agents or employees, a medical peer review committee and a hospital governing board,  
340 its members or any committee appointed by it acting without malice and without gross negligence  
341 in making any report or other information available to the board or a medical peer review  
342 committee pursuant to law and any person acting without malice and without gross negligence  
343 who assists in the organization, investigation, or preparation of any such report or information or  
344 assists the board or a hospital governing body or any committee in carrying out any of its duties or  
345 functions provided by law is immune from civil or criminal liability, except that the unlawful

346 disclosure of confidential information possessed by the board is a misdemeanor as provided in this  
347 article.

348 (o) A physician or podiatrist may request in writing to the board a limitation on or the  
349 surrendering of his or her license to practice medicine and surgery or podiatry or other appropriate  
350 sanction as provided in this section. The board may grant the request and, if it considers it  
351 appropriate, may waive the commencement or continuation of other proceedings under this  
352 section. A physician or podiatrist whose license is limited or surrendered or against whom other  
353 action is taken under this subsection may, at reasonable intervals, petition for removal of any  
354 restriction or limitation on or for reinstatement of his or her license to practice medicine and  
355 surgery or podiatry.

356 (p) In every case considered by the board under this article regarding discipline or  
357 licensure, whether initiated by the board or upon complaint or information from any person or  
358 organization, the board shall make a preliminary determination as to whether probable cause  
359 exists to substantiate charges of disqualification due to any reason set forth in §30-3-14(c) of this  
360 code. If probable cause is found to exist, all proceedings on the charges shall be open to the public  
361 who are entitled to all reports, records, and nondeliberative materials introduced at the hearing,  
362 including the record of the final action taken: *Provided*, That any medical records, which were  
363 introduced at the hearing and which pertain to a person who has not expressly waived his or her  
364 right to the confidentiality of the records, may not be open to the public nor is the public entitled to  
365 the records.

366 (q) If the board receives notice that a physician or podiatrist has been subjected to  
367 disciplinary action or has had his or her credentials suspended or revoked by the board, a hospital,  
368 or a professional society, as defined in §30-3-14(b) of this code, for three or more incidents during  
369 a five-year period, the board shall require the physician or podiatrist to practice under the direction  
370 of a physician or podiatrist designated by the board for a specified period of time to be established  
371 by the board.

372 (r) Notwithstanding any other provisions of this article, the board may, at any time, on its  
373 own motion, or upon motion by the complainant, or upon motion by the physician or podiatrist, or  
374 by stipulation of the parties, refer the matter to mediation. The board shall obtain a list from the  
375 West Virginia State Bar's mediator referral service of certified mediators with expertise in  
376 professional disciplinary matters. The board and the physician or podiatrist may choose a  
377 mediator from that list. If the board and the physician or podiatrist are unable to agree on a  
378 mediator, the board shall designate a mediator from the list by neutral rotation. The mediation may  
379 not be considered a proceeding open to the public, and any reports and records introduced at the  
380 mediation shall not become part of the public record. The mediator and all participants in the  
381 mediation shall maintain and preserve the confidentiality of all mediation proceedings and records.  
382 The mediator may not be subpoenaed or called to testify or otherwise be subject to process  
383 requiring disclosure of confidential information in any proceeding relating to or arising out of the  
384 disciplinary or licensure matter mediated: *Provided*, That any confidentiality agreement and any  
385 written agreement made and signed by the parties as a result of mediation may be used in any  
386 proceedings subsequently instituted to enforce the written agreement. The agreements may be  
387 used in other proceedings if the parties agree in writing.

388 (s) A physician licensed under this article may not be disciplined for providing expedited  
389 partner therapy in accordance with §16-4F-1 *et seq.* of this code.

390 (t) Whenever the board receives credible information that a licensee of the board is  
391 engaging or has engaged in criminal activity or the commitment of a crime under state or federal  
392 law, the board shall report the information, to the extent that sensitive or confidential information  
393 may be publicly disclosed under law, to the appropriate state or federal law-enforcement authority  
394 and/or prosecuting authority. This duty exists in addition to and is distinct from the reporting  
395 required under federal law for reporting actions relating to health care providers to the United  
396 States Department of Health and Human Services.

397 (u) The board shall propose rules for legislative approval in accordance with the provisions

398 of §29A-3-1 *et seq.* of this code which define sexual misconduct and identify prohibited  
 399 professional misconduct, including sexual misconduct, for which an application may be denied  
 400 and/or a license or other authorization to practice may be subject to disciplinary action by the  
 401 board pursuant to this section

**§30-3-15. Certificate of authorization requirements for medical corporations.**

1 (a) Unlawful acts. — It is unlawful for any corporation to practice or offer to practice  
 2 medicine, surgery, podiatric medicine, or to perform medical acts through one or more physician  
 3 assistants in this state without a certificate of authorization issued by the board designating the  
 4 corporation as an authorized medical corporation.

5 (b) Certificate of authorization for in-state medical corporation. —The board may issue a  
 6 certificate of authorization for a medical corporation to one or more individuals licensed by the  
 7 board. Licensees of the West Virginia Board of Osteopathic Medicine may join with licensees of  
 8 the board to receive a certificate of authorization from the board. Eligible licensees may apply for a  
 9 certificate of authorization by:

10 (1) Filing a written application with the board on a form prescribed by the board;

11 (2) Furnishing satisfactory proof to the board that each shareholder of the proposed  
 12 medical or podiatry corporation is a:

13 (A) licensed Licensed physician pursuant to this article, ~~§30-3E-4~~ §30-3-1 *et seq.*, or-§30-  
 14 14-1 *et seq.* of this code; ~~and or~~

15 (B) A licensed physician assistant pursuant to §30-3E-1 *et seq.*; and

16 (3) Submitting applicable fees which are not refundable.

17 (c) Certificate of authorization for out-of-state medical corporation. — A medical  
 18 corporation formed outside of this state for the purpose of engaging in the practice of medicine,  
 19 surgery, ~~and/or~~ podiatric medicine, and/or medical acts through one or more licensed physician  
 20 assistants, may receive a certificate of authorization from the board to be designated a foreign  
 21 medical corporation by:

- 22 (1) Filing a written application with the board on a form prescribed by the board;
- 23 (2) Furnishing satisfactory proof to the board that the medical corporation has received a  
24 certificate of authorization or similar authorization from the appropriate authorities as a medical  
25 corporation or professional corporation in its state of incorporation and is currently in good  
26 standing with that authority;
- 27 (3) Furnishing satisfactory proof to the board that at least one shareholder of the proposed  
28 medical corporation is a licensed physician, ~~or~~ podiatric physician, or physician assistant pursuant  
29 to this article or §30-3E-1 et seq. and is designated as the corporate representative for all  
30 communications with the board regarding the designation and continuing authorization of the  
31 corporation as a foreign medical corporation;
- 32 (4) Furnishing satisfactory proof to the board that all of the medical corporation's  
33 shareholders are licensed physicians, podiatric physicians, or physician assistants in one or more  
34 states and submitting a complete list of the shareholders, including each shareholder's name, their  
35 state or states of licensure, and their license number(s); and
- 36 (5) Submitting applicable fees which are not refundable.
- 37 (d) Notice of certificate of authorization to Secretary of State. — When the board issues a  
38 certificate of authorization to a medical corporation, then the board shall notify the Secretary of  
39 State that a certificate of authorization has been issued. When the Secretary of State receives a  
40 notification from the board, he or she shall attach that certificate of authorization to the corporation  
41 application and, upon compliance by the corporation with the pertinent provisions of this code,  
42 shall notify the incorporators that the medical corporation, through licensed physicians, podiatrists,  
43 and/or physician assistants may engage in the practice of medicine, surgery, or the practice of  
44 podiatry in West Virginia.
- 45 (e) Authorized practice of medical corporation. — An authorized medical corporation may  
46 only practice medicine and surgery through individual physicians, podiatric physicians, or  
47 physician assistants licensed to practice medicine and surgery in this state. Physicians, podiatric

48 physicians, and physician assistants may be employees rather than shareholders of a medical  
49 corporation, and nothing herein requires a license for or other legal authorization of, any individual  
50 employed by a medical corporation to perform services for which no license or other legal  
51 authorization is otherwise required.

52 (f) Renewal of certificate of authorization. — A medical corporation holding a certificate of  
53 authorization shall register biennially, on or before the expiration date on its certificate of  
54 authorization, on a form prescribed by the board, and pay a biennial fee. If a medical corporation  
55 does not timely renew its certificate of authorization, then its certificate of authorization  
56 automatically expires.

57 (g) Renewal for expired certificate of authorization. — A medical corporation whose  
58 certificate of authorization has expired may reapply for a certificate of authorization by submitting a  
59 new application and application fee in conformity with subsection (b) or (c) of this section.

60 (h) Ceasing operation - In-state medical corporation. — A medical corporation formed in  
61 this state and holding a certificate of authorization shall cease to engage in the practice of  
62 medicine, surgery, or podiatry when notified by the board that:

63 (1) One of its shareholders is no longer a duly licensed physician, podiatric physician, or  
64 physician assistant in this state; or

65 (2) The shares of the medical corporation have been sold or transferred to a person who is  
66 not licensed by the board or the Board of Osteopathic Medicine. The personal representative of a  
67 deceased shareholder shall have a period, not to exceed 12 months from the date of the  
68 shareholder's death, to transfer the shares. Nothing herein affects the existence of the medical  
69 corporation or its right to continue to operate for all lawful purposes other than the professional  
70 practice of licensed physicians, podiatric physicians, and physician assistants.

71 (i) Ceasing operation - Out-of-state medical corporation. — A medical corporation formed  
72 outside of this state and holding a certificate of authorization shall immediately cease to engage in  
73 practice in this state if:

74 (1) The corporate shareholders no longer include at least one shareholder who is licensed  
75 to practice in this state pursuant to this article or §30-3E-1 et seq.;

76 (2) The corporation is notified that one of its shareholders is no longer a licensed physician,  
77 podiatric physician, or physician assistant; or

78 (3) The shares of the medical corporation have been sold or transferred to a person who is  
79 not a licensed physician, podiatric physician, or physician assistant. The personal representative  
80 of a deceased shareholder shall have a period, not to exceed 12 months from the date of the  
81 shareholder's death, to transfer the shares. In order to maintain its certificate of authorization to  
82 practice medicine and surgery, podiatric medicine, or to perform medical acts through one or more  
83 physician assistants during the 12-month period, the medical corporation shall, at all times, have  
84 at least one shareholder who is licensed in this state pursuant to this article or §30-3E-1 et seq.  
85 Nothing herein affects the existence of the medical corporation or its right to continue to operate for  
86 all lawful purposes other than the professional practice of licensed physicians, podiatric  
87 physicians, and physician assistants.

88 (j) Notice to Secretary of State. — Within 30 days of the expiration, revocation, or  
89 suspension of a certificate of authorization by the board, the board shall submit written notice to  
90 the Secretary of State.

91 (k) Unlawful acts. — It is unlawful for any corporation to practice or offer to practice  
92 medicine, surgery, podiatric medicine, or to perform medical acts through one or more physician  
93 assistants after its certificate of authorization has expired or been revoked, or if suspended, during  
94 the term of the suspension.

95 (l) Application of section. — Nothing in this section is meant or intended to change in any  
96 way the rights, duties, privileges, responsibilities, and liabilities incident to the physician-patient,or  
97 podiatrist-patient, or physician assistant relationship, nor is it meant or intended to change in any  
98 way the personal character of the practitioner-patient relationship. Nothing in this section shall be  
99 construed to require a hospital licensed pursuant to §16-5B-1 et seq. of this code to obtain a

100 certificate of authorization from the board so long as the hospital does not exercise control of the  
 101 independent medical judgment of physicians and podiatric physicians, or physician assistants  
 102 licensed pursuant to this article or §30-3E-1 et seq.

103 (m) Court evidence. — A certificate of authorization issued by the board to a corporation to  
 104 practice medicine and surgery, podiatric medicine, or to perform medical acts through one or more  
 105 physician assistants in this state that has not expired, been revoked, or suspended is admissible in  
 106 evidence in all courts of this state and is prima facie evidence of the facts stated therein.

107 (n) Penalties. — Any officer, shareholder, or employee of a medical corporation who  
 108 violates this section is guilty of a misdemeanor and, upon conviction thereof, shall be fined not  
 109 more than \$1,000 per violation.

**CHAPTER 31B. UNIFORM LIMITED LIABILITY COMPANY ACT.**

**ARTICLE 13. PROFESSIONAL LIMITED LIABILITY COMPANIES.**

**§31B-13-1301. Definitions.**

1 As used in this article:

2 (1) "Licensing board" means the governing body or agency established under §30-1-1 *et*  
 3 *seq.* of this code which is responsible for the licensing and regulation of the practice of the  
 4 profession which the professional limited liability company is organized to provide;

5 (2) "Professional limited liability company" means a limited liability company organized  
 6 under this chapter for the purpose of rendering a professional service; and

7 (3) "Professional service" means the services rendered by the following professions:  
 8 Attorneys-at-law under §30-2-1 *et seq.*, physicians and podiatrists under §30-3-1 *et seq.*,  
 9 physician assistants under §30-3E-1 et seq., dentists under §30-4-1 *et seq.*, optometrists under  
 10 §30-8-1 *et seq.*, accountants under §30-9-1 *et seq.*, veterinarians under §30-10-1 *et seq.*,  
 11 architects under §30-12-1 *et seq.*, engineers under §30-13-1 *et seq.*, osteopathic physicians and  
 12 surgeons under §30-14-1 *et seq.*, chiropractors under §30-16-1 *et seq.*, psychologists under §30-

- 13 21-1 *et seq.*, social workers under §30-30-1 *et seq.*, acupuncturists under §30-36-1 *et seq.* and  
14 land surveyors under §30-13a-1 *et seq.* ~~all of chapter thirty~~ of this code.

NOTE: The purpose of this bill is to allow physician assistants to own a practice. This bill also allows the West Virginia Board of Medicine to deny a license or other authorization to physician assistants who make unlawful referrals where that physician assistant has a proprietary interest. It provides that the term "physician assistant" is synonymous with "physician associate" or whatever term the American Academy of Physician Associates designates as the proper term for the profession. The bill further authorizes physician assistants to form a medical corporation and designates physician assistant as a professional service eligible for establishing a professional limited liability company.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
