## **2025 REGULAR SESSION**

**Introduced**

### **Senate Bill 536**

By Senators Tarr and Grady

[Introduced February 19, 2025; referred  
to the Committee on Economic Development; and  
then to the Committee on Finance]

1 A BILL to amend and reenact §7-22-9 of the Code of West Virginia, 1931, as amended, relating to  
2 county economic opportunity development districts.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 22. COUNTY ECONOMIC OPPORTUNITY DEVELOPMENT DISTRICTS.**

**§7-22-9. Authorization to levy special district excise tax.**

1 (a) General. — County commissions have no inherent authority to levy taxes and have only  
2 that authority expressly granted to them by the Legislature. The Legislature is specifically  
3 extended, and intends by this article, to exercise certain relevant powers expressed in section six-  
4 a, article X of the Constitution of this state as follows: (1) The Legislature may appropriate state  
5 funds for use in matching or maximizing grants-in-aid for public purposes from the United States or  
6 any department, bureau, commission or agency thereof, or any other source, to any county,  
7 municipality or other political subdivision of the state, under such circumstances and subject to  
8 such terms, conditions and restrictions as the Legislature may prescribe by law; and (2) the  
9 Legislature may impose a state tax or taxes, or dedicate a state tax or taxes, or any portion thereof  
10 for the benefit of, and use by, counties, municipalities, or other political subdivisions of the state for  
11 public purposes, the proceeds of any such imposed or dedicated tax or taxes or portion thereof to  
12 be distributed to such counties, municipalities or other political subdivisions of the state under such  
13 circumstances and subject to such terms, conditions and restrictions as the Legislature may  
14 prescribe.

15 Because a special district excise tax would have the effect of diverting, for a specified  
16 period of years, tax dollars which to the extent, if any, are not essentially incremental to tax dollars  
17 currently paid into the General Revenue Fund of the state, the Legislature finds that in order to  
18 substantially ensure that such special district excise taxes will not adversely impact the current  
19 level of the General Revenue Fund of the state, it is necessary for the Legislature to separately  
20 consider and act upon each and every economic development district which is proposed, including  
21 the unique characteristics of location, current condition and activity of and within the area included

in such proposed economic opportunity development district and that for such reasons a statute more general in ultimate application is not feasible for accomplishment of the intention and purpose of the Legislature in enacting this article. Therefore, no economic opportunity development district excise tax may be levied by a county commission until after the Legislature expressly authorizes the county commission to levy a special district excise tax on sales of tangible personal property and services made within district boundaries approved by the Legislature.

(b) Authorizations. — The Legislature authorizes the following county commissions to levy special district excise taxes on sales of tangible personal property and services made from business locations in the following economic opportunity development districts:

(1) The Ohio County Commission may levy a special district excise tax for the benefit of the Fort Henry Economic Opportunity Development District which comprises 500 contiguous acres of land. Notwithstanding the time limitations provisions of subdivision (2), subsection (a), section fifteen of this article, the Fort Henry Economic Opportunity Development District shall not be abolished under subdivision (2), subsection (a), section fifteen of this article until the year 2054, unless sooner abolished and terminated in accordance with the provisions of subdivision (1), subsection (a), section fifteen of this article or any other provision of this code, or sooner abolished for any other reason: *Provided*, That on December 31, 2054, the provisions of subdivision (2), subsection (a), section fifteen of this article shall apply to abolish the Fort Henry Economic Opportunity Development District, if the district has not been abolished prior to that date.

74           (6) The Mason County Commission may levy a special district excise tax for the benefit of  
75 the Henderson Economic Opportunity District which comprises approximately 150 contiguous  
76 acres of land, subject to holding a public hearing as provided in §7-22-14(c) of this code,  
77 submitting the application required by §7-22-14(d) of this code, and obtaining the approval of the  
78 West Virginia Development Office as provided in §7-22-14(e) of this code.
