1 A BILL to amend and reenact §18B-4-5 and §18B-7-5 of the Code of West Virginia, 1931, as
2 amended, relating to permitting current campus police officers in this state to participate in
3 the West Virginia Division of Natural Resources Police Officer Retirement System; and
4 mandating newly hired campus police officers to participate in the West Virginia Division of
5 Natural Resources Police Officer Retirement System beginning on January 1, 2026.

Be it enacted by the Legislature of West Virginia:

ARTICLE 4. GENERAL ADMINISTRATION.

§18B-4-5. Campus police officers; appointment; qualifications; authority; compensation and removal; law enforcement grants; pension plan.

1 (a) The governing boards may appoint qualified individuals to serve as campus police
2 officers upon any premises owned or leased by the State of West Virginia and under the
3 jurisdiction of the governing boards, subject to the conditions and restrictions established in this
4 section.

5 (1) A person who previously was qualified for employment as a law-enforcement officer for
6 an agency or political subdivision of any state is considered qualified for appointment as a campus
7 police officer.

8 (2) Before performing duties as a campus police officer in any county, a person shall qualify
9 as is required of county police officers by:

10 (A) Taking and filing an oath of office as required by §6-1-1 *et seq.* of this code; and

11 (B) Posting an official bond as required by §6-2-1 *et seq.* of this code.

12 (b) A campus police officer may carry a gun and any other dangerous weapon while on
13 duty if the officer fulfills the certification requirement for law-enforcement officers under §30-29-5
14 of this code or meets the requirements of subsection (a) of this section.

15 (c) It is the duty of a campus police officer to preserve law and order:

16 (1) On the premises under the jurisdiction of the governing board; and

(2) On any street, road, or thoroughfare, except controlled access and open country highways, immediately adjacent to or passing through premises, to which the officer is assigned by the president of the institution.

(A) For the purpose of this subdivision, the campus police officer is a law-enforcement officer pursuant to the provisions of §30-29-1 *et seq.* of this code;

(B) The officer has and may exercise all the powers and authority of a law-enforcement officer as to offenses committed within the area assigned;

(C) The officer is subject to all the requirements and responsibilities of a law-enforcement officer;

(D) Authority assigned pursuant to this subdivision does not supersede in any way the authority or duty of other law-enforcement officers to preserve law and order on such premises;

(E) Campus police officers may assist a local law-enforcement agency on public highways. The assistance may be provided to control traffic in and around premises owned by the state when:

(i) Traffic is generated as a result of athletic or other activities conducted or sponsored by the institution; and

(ii) The assistance has been requested by the local law-enforcement agency; and

(F) Campus police officers may assist a local law-enforcement agency in any location under the agency's jurisdiction at the request of the agency.

(d) The salary of a campus police officer is paid by the employing governing board. A state institution may furnish each campus police officer with a firearm and an official uniform to be worn while on duty. The institution shall furnish and require each officer while on duty to wear a shield with an appropriate inscription and to carry credentials certifying the person's identity and authority as a campus police officer.

(e) A governing board may at its pleasure revoke the authority of any campus police officer and such officers serve at the will and pleasure of the governing board. The president of the state

43 institution shall report the termination of employment of a campus police officer by filing a notice to
44 that effect in the office of the clerk of each county in which the campus police officer's oath of office
45 was filed.

46 (f) Notwithstanding any other provisions of this code to the contrary, and for purposes of
47 enhancing the ability of campus police officers to perform their duties, a governing board may
48 apply for and receive any public or private grant or other financial award that is available to other
49 law-enforcement agencies in the state.

50 (g) Current campus police officers may choose to participate in the West Virginia Division
51 of Natural Resources Police Officer Retirement System, to be administered by the Consolidated
52 Public Retirement Board. Should the current campus police officer choose to participate in the
53 West Virginia Division of Natural Resources Police Officer Retirement System, no service credit or
54 dollars accrued may be moved to that system.

55 (h) Effective January 1, 2026, all newly hired campus police officers shall participate in the
56 West Virginia Division of Natural Resources Police Officer Retirement System.

ARTICLE 7. PERSONNEL GENERALLY.

§18B-7-5. Supplemental and additional retirement plans for employees; payroll deductions; authority to match employee contributions; retroactive curative and technical corrective action.

1 (a) Any reference in this code to the "additional retirement plan" relating to state higher
2 education employees, means the "higher education retirement plan" provided in this section. Any
3 state higher education employee participating in a retirement plan upon the effective date of this
4 section continues to participate in that plan and may not elect to participate in any other state
5 retirement plan. Any retirement plan continues to be governed by the provisions of law applicable
6 on the effective date of this section.

7 (b) The commission, on behalf of the council, governing boards and itself, shall contract for
8 a retirement plan for their employees, to be known as the "Higher Education Retirement Plan". The

9 commission, council and governing boards shall make periodic deductions from the salary
10 payments due employees in the amount they are required to contribute to the Higher Education
11 Retirement Plan, which deductions shall be six percent.

12 (c) The commission, council and governing boards may contract for supplemental
13 retirement plans for any or all of their employees to supplement the benefits employees otherwise
14 receive. The commission, council and governing boards may make additional periodic deductions
15 from the salary payments due the employees in the amount they are required to contribute for the
16 supplemental retirement plan.

17 (d) An organization, by way of additional compensation to their employees, shall pay an
18 amount, which, at a minimum, equals the contributions of the employees into the higher education
19 retirement plan from funds appropriated to the commission, council or governing board for
20 personal services.

21 (e) As part of an overall compensation plan, the commission, council or a governing board,
22 each at its sole discretion, may increase its contributions to any employee retirement plan to an
23 amount that exceeds the contributions of employees.

24 (f) Each participating employee has a full and immediate vested interest in the retirement
25 and death benefits accrued from all the moneys paid into the Higher Education Retirement Plan or
26 a supplemental retirement plan for his or her benefit. Upon proper requisition of a governing board,
27 the commission or council, the Auditor periodically shall issue a warrant, payable as specified in
28 the requisition, for the total contributions so withheld from the salaries of all participating
29 employees and for the matching funds of the commission, council or governing board.

30 (g) Any person whose employment commences on or after July 1, 1991, and who is eligible
31 to participate in the Higher Education Retirement Plan, shall participate in that plan and is not
32 eligible to participate in any other state retirement system: *Provided*, That the foregoing provision
33 does not apply to a person designated as a 21st Century Learner Fellow pursuant to §18A-3-11 of
34 this code: *Provided, however, That the foregoing provision does not apply to campus police*

35 officers in this state pursuant to §18B-4-5 of this code. The additional retirement plan contracted
36 for by the governing boards prior to July 1, 1991, remains in effect unless changed by the
37 commission. Nothing in this section considers employees of the council or governing boards as
38 employees of the commission, nor is the commission responsible or liable for retirement benefits
39 contracted by, or on behalf of, the council or governing boards.

NOTE: The purpose of this bill is to permit current campus police officers in this state to participate in the West Virginia Division of Natural Resources Police Officer Retirement System. The bill also mandates newly hired campus police officers to participate in the West Virginia Division of Natural Resources Police Officer Retirement System beginning on January 1, 2026.
