

# **WEST VIRGINIA LEGISLATURE**

## **2025 REGULAR SESSION**

**Introduced**

### **Senate Bill 810**

By Senator Rucker

[Introduced March 19, 2025; referred  
to the Committee on Government Organization]

A BILL to amend and reenact §30-7-15 of the Code of West Virginia, 1931, as amended, relating to clarifying the qualifications required for the administration of anesthesia.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE            7.            REGISTERED            PROFESSIONAL            NURSES.**  
**§30-7-15.                   Administration                   of                   anesthetics.**

~~In any case where it is lawful for a duly licensed physician or dentist practicing medicine or dentistry under the laws of this state to administer anesthetics, such anesthetics may lawfully be given and administered by any person (a) who has been licensed to practice registered professional nursing under this article, and (b) who holds a diploma or certificate evidencing his or her successful completion of the educational program of a school of anesthesia duly accredited by the American association of nurse anesthetists: *Provided*, That such anesthesia is administered by such person in the presence and under the supervision of such physician or dentist.~~

(a) The administration of anesthesia may be provided by a certified registered nurse anesthetist in cooperation with a physician, a dentist, a podiatrist, an advanced practice registered nurse and/or a physician assistant when providing anesthesia services. An act involving the determination, preparation, administration, or monitoring of anesthesia care and anesthesia care-related services may be lawfully provided by a certified registered nurse anesthetist who:

(1) Has been licensed to practice registered professional nursing under this article.

(2) Is licensed as an advanced practice registered nurse under this article.

(3) Has successfully completed the educational program of a school for nurse anesthetists of a nationally accredited graduate or post-graduate advanced practice registered nurse educational program.

(4) Holds current certification by a national certifying body recognized by the Board of Nursing in the advanced practice registered nurse role and population foci appropriate for educational preparation.

(b) For purposes of this section, cooperation means a process in which the certified

registered nurse anesthetist and the physician, a dentist, a podiatrist, an advanced practice registered nurse, and/or a physician assistant work together with each contributing an area of expertise, at their individual and respective levels of education and training.

(c) A certified registered nurse anesthetist shall consult with other health care providers when engaging in chronic pain practice.

(d) A physician, a dentist, a podiatrist, an advanced practice registered nurse, and/or a physician assistant is not liable for any act or omission of a certified registered nurse anesthetist who orders or administers anesthetics under this section.

(e) A licensed advanced practice registered nurse practicing in the role of certified registered nurse anesthetist may use the title "certified registered nurse anesthetist", "CRNA", or "nurse anesthesiologist" and the title "advanced practice registered nurse" or "APRN".

(f) Nothing in this section shall be construed to restrict the authority of a health care facility to provide requirements for a certified registered nurse anesthetist practicing within the facility.

NOTE: The purpose of this bill is to clarify the qualifications required for the administration of anesthesia.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
