By Delegates Hanshaw (Mr. Speaker) and

[By request of the Executive]

[Introduced January 15, 2026; referred to the  
Committee on Health and Human Resources]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding a new section,  
2 designated §9-2-6b, relating to the authority of the Secretary of the Department of Human  
3 Services to contract and collaborate with both secular and faith-based providers of child  
4 welfare services; permitting parent or legal guardian to object to placement at faith-based  
5 service on religious expression grounds.

*Be it enacted by the Legislature of West Virginia:*

**ARTICLE 2. COMMISSIONER OF HUMAN SERVICES; POWERS, DUTIES AND  
RESPONSIBILITIES GENERALLY.**

**§9-2-6b. Secretary to contract and collaborate with providers of child welfare services.**

1 (a) In addition to the authority in §5F-2-2 and §9-2-6 of this code, the secretary is  
2 authorized to contract and collaborate with providers of child welfare services to facilitate the  
3 provisions of services required under §49-1-101 et seq. of this code. Both secular and faith-based  
4 organizations may be considered appropriate providers of child welfare services.

5 (b) A faith-based organization may serve as a contractor in the delivery of services under  
6 any program, on the same basis as any other nongovernmental provider, without impairing the  
7 religious character of the faith-based organization. A faith-based organization which has entered  
8 into a contract with the department shall retain its independence from state and local governments  
9 with regard to control over the definition, development, practice, and expression of its religious  
10 beliefs. The department may not require a faith-based organization to alter its form of internal  
11 governance or remove religious art, icons, scripture, or other symbols in order to be eligible to  
12 contract as a provider. When the department enters into a contract with a faith-based organization,  
13 it does so upon the understanding that the organization will maintain its nonsecular identity,  
14 without interference from the state.

15 (c) If the legal parent or guardian of a child objects to the placement of a child at a faith-  
16 based organization, on the grounds of religious expression, then the department shall find an

17 alternative placement for the child, as soon as reasonably able, so long as the change in  
18 placement does not violate a court order. If either the child or another legal parent or guardian want  
19 the child to remain in placement at a faith-based organization, then the matter shall be set for  
20 hearing.

NOTE: The purpose of this bill is to provide the Secretary of the Department of Human Services with the authority to enter into contracts and partnerships with child welfare providers, including faith-based organizations, to carry out the statutory responsibilities imposed upon the Department of Human Services under Chapter 49.
