2 authority of §60-7-10 of this code, modified by the Alcohol Beverage Control Administration to  
3 meet the objections of the Legislative Rule-Making Review Committee and refiled in the State

7 the following:

8           “4.2. Age for purchase of alcoholic beverages. - No licensee shall sell any alcoholic  
9 beverage or nonintoxicating beer to individuals below the age of 21 years. The licensee must  
10 verify an individual’s age by requiring proof of age from at least one of the following documents  
11 certifying the age and depicting the identity of the holder of the document:

12           4.2.1. A valid West Virginia driver's license showing that the holder is at least 21 years of  
13 age and the photograph on the license matches the holder.

14           4.2.2. A valid West Virginia Commercial Driver’s license (CDL) showing that the holder is

19           4.2.3.a. In order to accept a valid West Virginia Mobile ID, a licensee must download a

25           4.2.3.b. Utilizing a WV DMV approved reader/verifier APP that has age verification, the  
26 licensee must first confirm the validity of a holder’s WV Mobile ID. A holder would need to share  
27 data with the licensee which at minimum includes their name, photo, and birthdate to complete the

34 the licensee must verify the photograph on the WV Mobile ID matches the holder before  
35 completing the sale of any alcohol to a holder that is 21 years of age or older. If a holder's  
36 purported WV Mobile ID is not confirmed as valid or the holder is not 21 years of age, then the  
37 licensee cannot complete the sale of alcohol. Note, the licensee using a WV DMV  
38 approved reader/verifier APP with age verification remains responsible to confirm the proper age  
39 and identity of the holder, as with any other valid form of identification.

40 4.2.4. A valid driver's license from another state showing that the holder is at least 21  
41 years of age and the photograph on the license matches the holder may be accepted if there is no  
42 indication or evidence that the license has been altered.

43 4.2.5. Any other valid means of satisfactory proof with picture identification showing the  
44 holder to be at least 21 years of age and the photograph on the document matches the holder,  
45 such as a valid government issued passport, United States military identification, United States  
46 VISA documents, or a United States issued permanent resident card.
