34 shall be performed by no fewer than two authorized personnel for the safety of both the applicant
35 and division personnel.

36 (g) Timeliness and staffing requirements. The division shall maintain to ensure that an
37 eligible applicant requesting an in-home or long-term care facility visit under the Program is offered
38 an appointment within 30 days of the request.

39 (h) Limitations. Nothing in this section may be construed to require the division to waive
40 any statutory or federal requirements relating to identity verification, Real ID compliance, or public
41 safety, or to provide services absent proper medical certification.

42 (i) Rulemaking. The division shall promulgate legislative rules in accordance with §29A-3-1
