4 warning signal lights, as referred to in §17C-12-8 of this code, and the driver may not proceed until

(c) Where the actual identity of the operator of a motor vehicle operated in violation of subsection (a) of this section is unknown but the license plate number of the motor vehicle is known, it may be inferred that the operator was an owner or lessee of the motor vehicle for purposes of the probable cause determination. Where there is more than one registered owner or lessee, the inference created by this subsection shall apply to the first listed owner or lessee as found on the motor vehicle registration: *Provided*, That a person charged with a violation of subsection (a) of this section, under the provisions of this subsection, where the sole evidence against the owner or lessee is the presence of the vehicle at the scene at the time of the offense shall only be subject to the applicable fine set forth in subsection (b) of this section upon conviction: *Provided, however*, That the offenses set forth in subsections (f) and (g) of this section are separate and distinct from that set forth in subsection (a) of this section.
