Introduced

Senate Bill 221

By Senator Hart

[Introduced January 14, 2025; referred
to the Committee on Economic Development; and
then to the Committee on Finance]

1 A BILL to amend and reenact §5B-11-1, §5B-11-2, §5B-11-3, and §5B-11-4 of the Code of West
2 Virginia, 1931, as amended, relating to the King Coal Highway Economic Advisory Board
3 Act; renaming the West Virginia Advanced Energy and Economic Corridor Authority the
4 King Coal Highway Economic Advisory Board; modifying legislative findings for creation of
5 advisory board; reducing membership of advisory board to 11 members; modifying
6 requirements for members of advisory board; and modifying powers and duties of the
7 advisory board.

Be it enacted by the Legislature of West Virginia:

**ARTICLE 11. WEST VIRGINIA ADVANCED ENERGY AND ECONOMIC CORRIDOR
AUTHORITY KING COAL HIGHWAY ECONOMIC ADVISORY BOARD ACT.**

§5B-11-1. Legislative findings.

1 The Legislature finds that the Advanced Energy and Economic Corridor counties along the
2 King Coal Highway, once known as Tug-Ohio-Levisa-Sandy Improvement Association (TOLSA)
3 and the King Coal Highway which runs through the counties of McDowell, Mercer, Mingo, Wayne,
4 and Wyoming has have undergone significant challenges economic damages owing to
5 widespread changes in the national and global economies harmful federal environmental policies
6 and regulations which drastically impacted the domestic market for coal-fired power generation
7 and severely injured the economies of the counties along the King Coal Highway; and every effort
8 should be made to assist the transformation recovery of these injured regional economies by
9 providing guidance to local governments, businesses, and industries to maximize reduce
10 unnecessary regulatory obstacles to organic economic development growth and diversification of
11 these economies leverage our abundant natural energy and material resources, encourage
12 entrepreneurship, and support business creation within the region. As part of the National
13 Highway System's I-73/74 corridor from northern Michigan to eastern South Carolina, the
14 Advanced Energy and Economic Corridor King Coal Highway will not only foster greater

15 transportation efficiencies, but will also provide vital connectivity to burgeoning markets, resulting
16 in both job creation and economic expansion in southern West Virginia.

17 The economic development agencies county commissions along this corridor are aligning
18 efforts to embrace the ~~expansion of the energy and economic development policies adopted by~~
19 ~~the West Virginia Legislature as a tool for economic development and are focused on efforts to~~
20 ~~transform and revitalize opportunities presented by our abundant natural resources and our~~
21 ~~skilled, creative, and hard-working people to support the region by fostering partnerships and~~
22 initiatives which are complementary and supportive of existing successful industries in West
23 Virginia.

24 The Legislature, by enactment of this article, intends to facilitate implementation of critical
25 and time-sensitive opportunities for economic development along ~~the Advanced Energy and~~
26 ~~Economic Corridor~~ the King Coal Highway by establishing an authority advisory board, known as
27 ~~the West Virginia Advanced Energy and Economic Corridor Authority (authority)~~ King Coal
