43 Data System. The administrator of the Data System shall promptly notify the Home State and all

170 (1) The members, officers, executive director, employees and representatives of the  
171 Commission shall be immune from suit and liability, both personally and in their official capacity, for  
172 any claim for damage to or loss of property or personal injury or other civil liability caused by or  
173 arising out of any actual or alleged act, error, or omission that occurred, or that the person against  
174 whom the claim is made had a reasonable basis for believing occurred within the scope of  
175 Commission employment, duties or responsibilities; provided that nothing in this paragraph shall  
176 be construed to protect any such person from suit or liability for any damage, loss, injury, or liability  
177 caused by the intentional or willful or wanton misconduct of that person. The procurement of  
178 insurance of any type by the Commission shall not in any way compromise or limit the immunity  
179 granted hereunder.

180 (2) The Commission shall defend any member, officer, executive director, employee, and  
181 representative of the Commission in any civil action seeking to impose liability arising out of any

184 against whom the claim is made had a reasonable basis for believing occurred within the scope of  
185 Commission employment, duties, or responsibilities; provided that nothing herein shall be  
186 construed to prohibit that person from retaining their own counsel at their own expense; and

188 intentional or willful or wanton misconduct.

189        (3) The Commission shall indemnify and hold harmless any member, officer, executive  
190        director, employee, and representative of the Commission for the amount of any settlement or

193        person had a reasonable basis for believing occurred within the scope of Commission  
194        employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission  
195        did not result from the intentional or willful or wanton misconduct of that person.

196 (4) Nothing herein shall be construed as a limitation on the liability of any licensee for  
197 professional malpractice or misconduct, which shall be governed solely by any other applicable  
198 state laws.

199 (5) Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Member  
200 State's state action immunity or state action affirmative defense with respect to antitrust claims  
201 under the Sherman Act, Clayton Act, or any other state or federal antitrust or anticompetitive law or  
202 regulation.

203        (6) Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the  
204        Member States or by the Commission.

4 as determined by the rules of the Commission.

5 (c) Notwithstanding any other provision of state law to the contrary, a Member State shall

10 (3) Adverse Actions against a license and information related thereto;

14 (5) Any denial of application for licensure, and the reason(s) for such denial;

15 (6) The presence of Current Significant Investigative Information; and

16 (7) Other information that may facilitate the administration of this Compact or the protection

18 (d) The records and information provided to a Member State pursuant to this Compact or

19 through the Data System, when certified by the Commission or an agent thereof, shall constitute

22 Member State.

23 (e) Current Significant Investigative Information pertaining to a licensee in any Member

24 State will only be available to other Member States.

25 (1) It is the responsibility of the Member States to report any Adverse Action against a

33 the Data System.

**§30-30A-12.**

**Rulemaking.**

1 (a) The Commission shall promulgate reasonable rules in order to effectively and efficiently  
2 implement and administer the purposes and provisions of the Compact. A rule shall be invalid and  
3 have no force or effect only if a court of competent jurisdiction holds that the rule is invalid because  
4 the Commission exercised its rulemaking authority in a manner that is beyond the scope and  
5 purposes of the Compact, or the powers granted hereunder, or based upon another applicable  
6 standard of review.

7 (b) The rules of the Commission shall have the force of law in each Member State,  
8 provided however that where the rules of the Commission conflict with the laws of the Member  
9 State that establish the Member State's laws, regulations, and applicable standards that govern  
10 the practice of Social Work as held by a court of competent jurisdiction, the rules of the  
11 Commission shall be ineffective in that state to the extent of the conflict.

12 (c) The Commission shall exercise its rulemaking powers pursuant to the criteria set forth  
13 in this Section and the rules adopted thereunder. Rules shall become binding on the day following  
14 adoption or the date specified in the rule or amendment, whichever is later.

15 (d) If a majority of the legislatures of the Member States rejects a rule or portion of a rule, by  
16 enactment of a statute or resolution in the same manner used to adopt the Compact within four  
17 years of the date of adoption of the rule, then such rule shall have no further force and effect in any  
18 Member State.

19 (e) Rules shall be adopted at a regular or special meeting of the Commission.

20 (f) Prior to adoption of a proposed rule, the Commission shall hold a public hearing and  
21 allow persons to provide oral and written comments, data, facts, opinions, and arguments.

22        (g) Prior to adoption of a proposed rule by the Commission, and at least 30 days in  
23        advance of the meeting at which the Commission will hold a public hearing on the proposed rule,  
24        the Commission shall provide a Notice of Proposed Rulemaking:

25        (1) On the website of the Commission or other publicly accessible platform;  
26        (2) To persons who have requested notice of the Commission's notices of proposed  
27        rulemaking, and

28        (3) In such other way(s) as the Commission may by rule specify.

29        (h) The Notice of Proposed Rulemaking shall include:

30        (1) The time, date, and location of the public hearing at which the Commission will hear  
31        public comments on the proposed rule and, if different, the time, date, and location of the meeting  
32        where the Commission will consider and vote on the proposed rule;

33        (2) If the hearing is held via telecommunication, video conference, or other electronic  
34        means, the Commission shall include the mechanism for access to the hearing in the Notice of  
35        Proposed Rulemaking;

36        (3) The text of the proposed rule and the reason therefor;

37        (4) A request for comments on the proposed rule from any interested person; and

38        (5) The manner in which interested persons may submit written comments.

39        (i) All hearings will be recorded. A copy of the recording and all written comments and  
40        documents received by the Commission in response to the proposed rule shall be available to the  
41        public.

42        (j) Nothing in this section shall be construed as requiring a separate hearing on each rule.  
43        Rules may be grouped for the convenience of the Commission at hearings required by this  
44        section.

45        (k) The Commission shall, by majority vote of all members, take final action on the  
46        proposed rule based on the rulemaking record and the full text of the rule.

47        (1) The Commission may adopt changes to the proposed rule provided the changes do not

48 enlarge the original purpose of the proposed rule.

49 (2) The Commission shall provide an explanation of the reasons for substantive changes  
50 made to the proposed rule as well as reasons for substantive changes not made that were  
51 recommended by commenters.

52 (3) The Commission shall determine a reasonable effective date for the rule. Except for an  
53 emergency as provided in §30-30A-12(l) of this code, the effective date of the rule shall be no  
54 sooner than 30 days after issuing the notice that it adopted or amended the rule.

55 (l) Upon determination that an emergency exists, the Commission may consider and adopt  
56 an emergency rule with 48 hours' notice, with opportunity to comment, provided that the usual  
57 rulemaking procedures provided in the Compact and in this section shall be retroactively applied to  
58 the rule as soon as reasonably possible, in no event later than 90 days after the effective date of  
59 the rule. For the purposes of this provision, an emergency rule is one that must be adopted  
60 immediately in order to:

61 (1) Meet an imminent threat to public health, safety, or welfare;

62 (2) Prevent a loss of Commission or Member State funds;

63 (3) Meet a deadline for the promulgation of a rule that is established by federal law or rule;

64 or

65 (4) Protect public health and safety.

66 (m) The Commission or an authorized committee of the Commission may direct revisions  
67 to a previously adopted rule for purposes of correcting typographical errors, errors in format, errors  
68 in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website  
69 of the Commission. The revision shall be subject to challenge by any person for a period of thirty  
70 days after posting. The revision may be challenged only on grounds that the revision results in a  
71 material change to a rule. A challenge shall be made in writing and delivered to the Commission  
72 prior to the end of the notice period. If no challenge is made, the revision will take effect without  
73 further action. If the revision is challenged, the revision may not take effect without the approval of

74 the Commission.

75 (n) No Member State's rulemaking requirements shall apply under this compact.

**§30-30A-13. Oversight, dispute resolution, and enforcement.**

1 (a) Oversight

2 (1) The executive and judicial branches of state government in each Member State shall  
3 enforce this Compact and take all actions necessary and appropriate to implement the Compact.

4 (2) Except as otherwise provided in this Compact, venue is proper and judicial proceedings  
5 by or against the Commission shall be brought solely and exclusively in a court of competent  
6 jurisdiction where the principal office of the Commission is located. The Commission may waive  
7 venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative  
8 dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of  
9 venue in any action against a licensee for professional malpractice, misconduct or any such  
10 similar matter.

11 (3) The Commission shall be entitled to receive service of process in any proceeding  
12 regarding the enforcement or interpretation of the Compact and shall have standing to intervene in  
13 such a proceeding for all purposes. Failure to provide the Commission service of process shall  
14 render a judgment or order void as to the Commission, this Compact, or promulgated rules.

15 (b) Default, technical assistance, and termination

16 (1) If the Commission determines that a Member State has defaulted in the performance of  
17 its obligations or responsibilities under this Compact or the promulgated rules, the Commission  
18 shall provide written notice to the defaulting state. The notice of default shall describe the default,  
19 the proposed means of curing the default, and any other action that the Commission may take,  
20 and shall offer training and specific technical assistance regarding the default.

21 (2) The Commission shall provide a copy of the notice of default to the other Member  
22 States.

23 (c) If a state in default fails to cure the default, the defaulting state may be terminated from

24 the Compact upon an affirmative vote of a majority of the delegates of the Member States, and all  
25 rights, privileges and benefits conferred on that state by this Compact may be terminated on the  
26 effective date of termination. A cure of the default does not relieve the offending state of  
27 obligations or liabilities incurred during the period of default.

28       (d) Termination of membership in the Compact shall be imposed only after all other means  
29 of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be  
30 given by the Commission to the governor, the majority and minority leaders of the defaulting  
31 state's legislature, the defaulting state's State Licensing Authority and each of the Member States'  
32 State Licensing Authority.

33       (e) A state that has been terminated is responsible for all assessments, obligations, and  
34 liabilities incurred through the effective date of termination, including obligations that extend  
35 beyond the effective date of termination.

36       (f) Upon the termination of a State's membership from this Compact, that state shall  
37 immediately provide notice to all licensees within that state of such termination. The terminated  
38 state shall continue to recognize all licenses granted pursuant to this Compact for a minimum of  
39 six months after the date of said notice of termination.

40       (g) The Commission shall not bear any costs related to a state that is found to be in default  
41 or that has been terminated from the Compact, unless agreed upon in writing between the  
42 Commission and the defaulting state.

43       (h) The defaulting state may appeal the action of the Commission by petitioning the U.S.  
44 District Court for the District of Columbia or the federal district where the Commission has its  
45 principal offices. The prevailing party shall be awarded all costs of such litigation, including  
46 reasonable attorney's fees.

47       (i) Dispute resolution

48       (1) Upon request by a Member State, the Commission shall attempt to resolve disputes  
49 related to the Compact that arise among Member States and between Member and non-Member

50 States.

51 (2) The Commission shall promulgate a rule providing for both mediation and binding  
52 dispute resolution for disputes as appropriate.

53 (j) Enforcement

54 (1) By majority vote as provided by rule, the Commission may initiate legal action against a  
55 Member State in default in the United States District Court for the District of Columbia or the  
56 federal district where the Commission has its principal offices to enforce compliance with the  
57 provisions of the Compact and its promulgated rules. The relief sought may include both injunctive  
58 relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be  
59 awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein  
60 shall not be the exclusive remedies of the Commission. The Commission may pursue any other  
61 remedies available under federal or the defaulting Member State's law.

62 (2) A Member State may initiate legal action against the Commission in the U.S. District  
63 Court for the District of Columbia or the federal district where the Commission has its principal  
64 offices to enforce compliance with the provisions of the Compact and its promulgated rules. The  
65 relief sought may include both injunctive relief and damages. In the event judicial enforcement is  
66 necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable  
67 attorney's fees.

68 (3) No person other than a Member State shall enforce this compact against the  
69 Commission.

**§30-30A-14. Effective date, withdrawal, and amendment.**

1 (a) The Compact shall come into effect on the date on which the Compact statute is  
2 enacted into law in the seventh Member State.

3 (1) On or after the effective date of the Compact, the Commission shall convene and  
4 review the enactment of each of the first seven Member States ("Charter Member States") to  
5 determine if the statute enacted by each such Charter Member State is materially different than

6 the model Compact statute.

7 (A) A Charter Member State whose enactment is found to be materially different from the  
8 model Compact statute shall be entitled to the default process set forth in §30-30A-13 of this code.

9 (B) If any Member State is later found to be in default, or is terminated or withdraws from  
10 the Compact, the Commission shall remain in existence and the Compact shall remain in effect  
11 even if the number of Member States should be less than seven.

12 (2) Member States enacting the Compact subsequent to the seven initial Charter Member  
13 States shall be subject to the process set forth in §30-30A-10(c)(21) of this code to determine if  
14 their enactments are materially different from the model Compact statute and whether they qualify  
15 for participation in the Compact.

16 (3) All actions taken for the benefit of the Commission or in furtherance of the purposes of  
17 the administration of the Compact prior to the effective date of the Compact or the Commission  
18 coming into existence shall be considered to be actions of the Commission unless specifically  
19 repudiated by the Commission.

20 (4) Any state that joins the Compact subsequent to the Commission's initial adoption of the  
21 rules and bylaws shall be subject to the rules and bylaws as they exist on the date on which the  
22 Compact becomes law in that state. Any rule that has been previously adopted by the Commission  
23 shall have the full force and effect of law on the day the Compact becomes law in that state.

24 (b) Any Member State may withdraw from this Compact by enacting a statute repealing the  
25 same.

26 (1) A Member State's withdrawal shall not take effect until 180 days after enactment of the  
27 repealing statute.

28 (2) Withdrawal shall not affect the continuing requirement of the withdrawing State's  
29 Licensing Authority to comply with the investigative and Adverse Action reporting requirements of  
30 this Compact prior to the effective date of withdrawal.

31 (3) Upon the enactment of a statute withdrawing from this compact, a state shall

32 immediately provide notice of such withdrawal to all licensees within that state. Notwithstanding  
33 any subsequent statutory enactment to the contrary, such withdrawing state shall continue to  
34 recognize all licenses granted pursuant to this compact for a minimum of 180 days after the date of  
35 such notice of withdrawal.

36 (c) Nothing contained in this Compact shall be construed to invalidate or prevent any  
37 licensure agreement or other cooperative arrangement between a Member State and a non-  
38 Member State that does not conflict with the provisions of this Compact.

39 (d) This Compact may be amended by the Member States. No amendment to this  
40 Compact shall become effective and binding upon any Member State until it is enacted into the  
41 laws of all Member States.

### **§30-30A-15. Construction and severability.**

1 (a) This Compact and the Commission's rulemaking authority shall be liberally construed  
2 so as to effectuate the purposes, and the implementation and administration of the Compact.  
3 Provisions of the Compact expressly authorizing or requiring the promulgation of rules shall not be  
4 construed to limit the Commission's rulemaking authority solely for those purposes.

5 (b) The provisions of this Compact shall be severable and if any phrase, clause, sentence  
6 or provision of this Compact is held by a court of competent jurisdiction to be contrary to the  
7 constitution of any Member State, a state seeking participation in the Compact, or of the United  
8 States, or the applicability thereof to any government, agency, person or circumstance is held to  
9 be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this  
10 Compact and the applicability thereof to any other government, agency, person or circumstance  
11 shall not be affected thereby.

12 (c) Notwithstanding subsection (b) of this section, the Commission may deny a state's  
13 participation in the Compact or, in accordance with the requirements of §30-30A-13(b), terminate a  
14 Member State's participation in the Compact, if it determines that a constitutional requirement of a  
15 Member State is a material departure from the Compact. Otherwise, if this Compact shall be held

16 to be contrary to the constitution of any Member State, the Compact shall remain in full force and  
17 effect as to the remaining Member States and in full force and effect as to the Member State  
18 affected as to all severable matters.

**§30-30A-16. Consistent effect and conflict with other state laws.**

1 (a) A licensee providing services in a Remote State under a Multistate Authorization to  
2 Practice shall adhere to the laws and regulations, including laws, regulations, and applicable  
3 standards, of the Remote State where the client is located at the time care is rendered.

4 (b) Nothing herein shall prevent or inhibit the enforcement of any other law of a Member  
5 State that is not inconsistent with the Compact.

6 (c) Any laws, statutes, regulations, or other legal requirements in a Member State in  
7 conflict with the Compact are superseded to the extent of the conflict.

8 (d) All permissible agreements between the Commission and the Member States are  
9 binding in accordance with their terms.
