

# **WEST VIRGINIA LEGISLATURE**

## **2026 REGULAR SESSION**

**Introduced**

### **Senate Bill 753**

**FISCAL  
NOTE**

By Senator M. Maynard

[Introduced February 5, 2026; referred

to the Committee on Transportation and

Infrastructure; and then to the Committee on Finance]

1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding a new section,  
2 designated §17-4-56, relating to establishing the Adopt-A-Road program; specifying  
3 authority and duties of Division of Highways as to Adopt-A-Road program; defining terms;  
4 specifying program requirements and potential benefits and funding; providing indemnify  
5 and hold harmless provision; and allowing participation by counties and municipalities.

*Be it enacted by the Legislature of West Virginia:*

#### **ARTICLE 4. STATE ROAD SYSTEM.**

##### **§17-4-56. Adopt-A-Road program.**

1 (a) The Division of Highways shall create an Adopt-A-Road program, comparable to the  
2 Adopt-A-Highway and Adopt-A-Spot litter control programs authorized pursuant to §17-2A-21,  
3 that enables any person to volunteer time, equipment, and materials for road maintenance efforts.

4 (b) For purposes of this section:

5 "Applicant" means any person who completed and submitted an application for  
6 participation in the Adopt-A-Road program to the Division of Highways;

7 "Maintenance" means any maintenance, restoration, or improvement, including, but not  
8 limited to, any type of pothole amelioration, improvement of road or road infrastructure, trail or road  
9 restoration or realignment, removal of trees or vegetation, cleanup or litter control, snow and ice  
10 removal, accessibility project, or other project for the benefit of the public;

11 "Participant" includes any person who signs an Adopt-A-Road program agreement or  
12 otherwise participates in maintenance work authorized pursuant to this section;

13 "Person" means any individual, group, legal entity, county, or municipality;

14 "Road" means any right-of-way, whether improved or unimproved, including, but not  
15 limited to, roadbeds, shoulders, culverts, sluices, drains, ditches, embankments, slopes, retaining  
16 walls, bridges, tunnels, viaducts, greenspace, trails, and paths under the control of the Division of  
17 Highways.

18           (c) The division is authorized to establish rules to implement the Adopt-A-Road program,  
19 including, but not limited to, program participation, requirements for maintenance projects, and  
20 installation and removal of signs. Any such rules shall be designed to allow for broad participation  
21 in the program. The division shall make an application for participation in the Adopt-A-Road  
22 program available on the division's website. Such application shall, at a minimum, require the  
23 applicant to specify the name and contact information for the applicant, location or locations for the  
24 project, type of maintenance project, and proposed time frame for the project. The division shall  
25 inform the applicant how to submit the completed application. The division may reject any  
26 application that would jeopardize any funding, potentially damage infrastructure, conflict with any  
27 law or rule, duplicate or interfere with any division or utility project, or unreasonably risk the health  
28 or safety of any program participant, employee, contractor, or the public.

29           (d) Prior to authorizing work, the division shall require the applicant to enter into an  
30 agreement with the division. Any such agreement shall include terms requiring program  
31 participants to adhere to Adopt-A-Road program participation rules and set forth any maintenance  
32 project-specific requirements. The agreement may set forth any materials and equipment the  
33 division may provide for the maintenance project, including, but not limited to, safety vests,  
34 temporary signage, soil, and gravel. No person may begin a maintenance project pursuant to this  
35 section until an agreement with terms approved by the division has been executed as to such  
36 project.

37           (e) The cost of all materials and equipment provided by the division for any Adopt-A-Road  
38 maintenance project that is expended for the project may not exceed 30 percent of the  
39 maintenance project cost as estimated by the division: *Provided*, That the division may use the  
40 Highway Litter Control Fund created in §17A-10-15 to purchase and provide to a participant up to  
41 100 percent of any materials or equipment needed for any litter control or abatement.

42           (f) The division may terminate any Adopt-A-Road program agreement upon 30 days'  
43 notice. The division may terminate any Adopt-A-Road program agreement without advance notice

44 if the division determines that a participant violated the terms of the Adopt-A-Road program  
45 participation rules or agreement.

46 (g) The division may install signage, at the participant's expense that may not exceed the  
47 actual cost to the division, at or near the participant's Adopt-A-Road project that recognizes the  
48 contributions of the participant.

49 (h) All participants shall indemnify and hold harmless the state and the Division of  
50 Highways, including any of its appointees, employees, and contractors, from all suits, actions, or  
51 claims of any character due to any injuries or damage received or sustained by any person or  
52 property related to any participation in an Adopt-A-Road project.

NOTE: The purpose of this bill is to establish the Adopt-A-Road program.

Strike-throughs indicate language that would be stricken from a heading  
or the present law and underscoring indicates new language that would be added.
