Resolutions Introduced

Delegates Rowan, Romine, Cooper, Wagner, Kelly, Perdue, Campbell, Moye, Perry, Duke, Ambler, Border, A. Evans, D. Evans, Ferro, Hartman, Moore, Overington and Shaffer offered the following resolution, which was read by its title and referred to the Committee on Rules:

H. C. R. 111 — “Requesting the Joint Committee on Government and Finance to study the issues, needs and challenges facing senior citizens in this state and to study the feasibility of developing and providing additional effective tools, resources and best practices to address the health, safety, welfare and other concerns of our senior citizens.”

Whereas, West Virginia has the second largest percentage of senior population in the nation; over sixteen percent of West Virginians are senior citizens sixty-five years of age or older and it has been projected that by 2035, the senior citizen population will constitute almost one fourth of the state’s total population; and

Whereas, It is well known that many of our seniors lack adequate resources and have limited financial ability to meet their needs for increased services for the necessities of life, such as personal care, health care, housing, utilities, nutrition, transportation, mobility needs and ultimately, long-term care which they need and have the decreasing ability to provide for themselves as they mature; and

Whereas, Findings from recent studies reveal several negative trends of seniors in this state: approximately forty-five percent of West Virginia seniors have a disability, compared to thirty-seven percent nationally; one in three elder state residents is in fair to poor health; for approximately one in three seniors, Social Security is the sole source of income; and relatively few of those seniors eligible take advantage of other supports like the SNAP program or utility assistance; and

Whereas, The increasing demand for current public, as well as private senior services in West Virginia already has become an increasing topic of concern by public as well as private agencies and service providers serving seniors in the state as well as various private senior advocacy groups; and

Whereas, There is an increase of children being raised in this state by senior grandparents who assume the responsibility to care for these children because of unstable parents; these seniors in many instances face difficulties or are denied the ability to attend to the child's educational needs and may be denied other public benefits available for the child as a result of not having proper legal guardianship or custody, thereby resulting in increased physical, emotional and financial strain on these senior grandparents; and

Whereas, These senior demographic trends are going to have increasing consequences for senior citizens and their families as well as on the many state and local programs that provide senior services; and

Whereas, The Legislature finds that these emerging complex issues facing seniors today and in the immediate future in this state need to be addressed by a comprehensive study and examination; therefore, be it

Resolved by the Legislature of West Virginia:

That the Joint Committee on Government and Finance is requested to study the issues, needs and challenges facing senior citizens in this state and to study the feasibility of developing and providing additional effective tools, resources and best practices to address the health, safety, welfare and other concerns of our senior citizens; and, be it

Further Resolved, That the Joint Committee on Government and Finance report to the Legislature, on the first day of the regular session, 2017, on its findings, conclusions and recommendations together with drafts of any legislation to effectuate its recommendations; and, be it

Further Resolved, That the expenses necessary to conduct this study, to prepare a report, and to draft necessary legislation be paid from legislative appropriations to the Joint Committee on Government and Finance.

§16-51-1. Short title.

§16-51-2. Legislative findings.

(a) The Legislature finds and declares that:

(1) The process of approval for investigational drugs, biological products and devices in the United States protects future patients from premature, ineffective and unsafe medications and treatments over the long run, but the process often takes many years;

(2) Patients who have a terminal illness do not have the luxury of waiting until an investigational drug, biological product or device receives final approval from the United States Food and Drug Administration;

(3) Patients who have a terminal illness have a fundamental right to attempt to pursue the preservation of their own lives by accessing available investigational drugs, biological products and devices;

(4) The use of available investigational drugs, biological products and devices is a decision that should be made by the patient with a terminal illness in consultation with the patient's health care provider and the patient's health care team, if applicable; and

(5) The decision to use an investigational drug, biological product or device should be made with full awareness of the potential risks, benefits and consequences to the patient and the patient's family.

(b) It is the intent of the Legislature to allow for terminally ill patients to use potentially life-saving or pain-relieving investigational drugs, biological products and devices.

§16-51-3. Definitions.

(4) 'Terminal illness' means a disease that, without life-sustaining procedures, will soon result in death or a state of permanent unconsciousness from which recovery is unlikely.

(5) 'Written, informed consent' means a written document signed by the patient and attested to by the patient's physician and a witness that, at a minimum:

(A) Explains the currently approved products and treatments for the disease or condition from which the patient suffers;

(B) Attests to the fact that the patient concurs with his or her physician in believing that all currently approved and conventionally recognized treatments are unlikely to prolong the patient's life;

(D) Describes the potentially best and worst outcomes of using the investigational drug, biological product or device with a realistic description of the most likely outcome, including the possibility that new, unanticipated, different or worse symptoms might result and that death could be hastened by the proposed treatment based on the physician's knowledge of the proposed treatment in conjunction with an awareness of the patient's condition;

(E) Makes clear that the patient's health insurer and provider may not be obligated to pay for any care or treatments consequent to the use of the investigational drug, biological product or device;

(F) Makes clear that the patient's eligibility for hospice care may be withdrawn if the patient begins curative treatment and care may be reinstated if the curative treatment ends and the patient meets hospice eligibility requirements;

(G) Makes clear that in-home health care may be denied if treatment begins; and

(H) States that the patient understands that he or she may be liable for all expenses consequent to the use of the investigational drug, biological product or device, and that this liability extends to the patient's estate, unless a contract between the patient and the manufacturer of the drug, biological product or device states otherwise.

§16-51-4. Drug manufacturers; availability of investigational drugs, biological products or devices; costs; insurance coverage.

Notwithstanding any other law, a licensing board may not revoke, fail to renew, suspend or take any action against a health care provider's license issued pursuant to chapter thirty of this code based solely on the health care provider's recommendations to an eligible patient regarding access to or treatment with an investigational drug, biological product or device as long as the recommendations are consistent with medical standards of care. The term 'policy' shall not include: (i) Any policy or certificate of life insurance that provides a death benefit under an employee benefit plan: (a) subject to the Employee Retirement Income Security Act of 1974, as periodically amended; or (b) under any federal employee benefit program: or (ii) any policy or certificate of life insurance that is used to fund a preneed funeral contract or prearrangement; or (iii) any policy or certificate of credit life or accidental death insurance; or (iv) any policy issued to a group master policyholder for which the insurer does not provide record-keeping services.

(8) 'Record-keeping services' means those circumstances under which the insurer has agreed with a group policy or contract customer to be responsible for obtaining, maintaining and administering in its own or its agents' systems information about each individual insured under an Insured's group insurance contract (or a line of coverage thereunder), at least the following information: (1) Social Security number or name and date of birth; and (2) beneficiary designation information; (3) coverage eligibility; (4) benefit amount; and (5) premium payment status.

(9) 'Retained asset account' means any mechanism whereby the settlement of proceeds payable under a policy or annuity contract is accomplished by the insurer or an entity acting on behalf of the insurer depositing the proceeds into an account with check- or draft-writing privileges, where those proceeds are retained by the insurer or its agent, pursuant to a supplementary contract not involving annuity contract benefits other than death benefits.

§33-13D-2. Insurer conduct.

(a) An insurer shall perform a comparison of its insureds' in-force policies, annuity contracts and account owners against a Death Master File to identify potential death master file matches of its insureds, annuitants and account owners, on at least an annual basis, by using the full Death Master File once and thereafter using the Death Master File update files for future comparisons to identify potential Death Master File matches. The comparison using the full Death Master File should be completed within two years of the effective date of this article and must be completed on policies in force as of 1986, and all policies issued thereafter: *Provided*, That the Insurance Commissioner shall promulgate legislative rules requiring that the comparison against a Death Master File be completed on policies issued at earlier times if the commissioner determines that reliable technology and data exist to make such comparison accurate and cost-effective to match to the established Master Death Database.

(b) The insurer comparison of policies, annuity contracts and account owners shall be conducted first to the extent that such records are available electronically and then using the most easily accessible insurer data for records that are not available electronically.

(c) This section shall not apply to policies or annuity contracts for which the insurer is receiving premiums from outside the policy value, by check, bank draft, payroll deduction or any other similar method of active premium payment within the eighteen months immediately preceding the Death Master File comparison.

(d) Nothing in this section shall limit the insurer from requesting a valid death certificate as part of any claims validation process.

(e) For those potential matches identified as a result of a Death Master File match, or if an insurer learns of the possible death of a person otherwise, then the insurer shall, within ninety days of a Death Master File match:

(1) Complete a good faith effort, which shall be documented by the insurer, to confirm the death of the person against other available records and information;

(2) Review its records to determine whether the deceased person has any other products with the insurer;

(3) Determine whether benefits may be due in accordance with any applicable policy, annuity contract or retained asset account.

(f) Every insurer shall implement procedures to account for:

(1) Common nicknames, initials used in lieu of a first or middle name, use of a middle name, compound first and middle names, and interchanged first and middle names;

(2) Compound last names, maiden or married names, and hyphens, blank spaces or apostrophes in last names;

(3) Transposition of the 'month' and 'date' portions of the date of birth; and

(4) Incomplete Social Security number.

(g) If the beneficiary or other authorized representative has not communicated with the insurer within the ninety-day period, the insurer shall take reasonable steps and use good faith efforts, which shall be documented by the insurer, to locate and contact the beneficiary or beneficiaries or other authorized representative on any such policy, annuity contract or retained asset account, including, but not limited to, sending the beneficiary information regarding the insurer's claims process, including the need to provide an official death certificate if applicable under the policy, annuity contract or retained asset account.

(h) To the extent permitted by law, the insurer may disclose minimum necessary personal information about a person or beneficiary to a person who the insurer reasonably believes may be able to assist the insurer in locating the beneficiary or a person otherwise entitled to payment of the claims proceeds.

(i) An insurer or its service provider shall not charge any beneficiary or other authorized representative for any fees or costs associated with a Death Master File search or verification of Death Master File match conducted pursuant to this section.

(j) The benefits from a policy, annuity contract or a retained asset account, plus any applicable accrued contractual interest shall first be payable to the designated beneficiaries or owners, and in the event said beneficiaries or owners cannot be found, shall be paid to the state as unclaimed property pursuant to article eight, chapter thirty-six of this code.

(k) The West Virginia Office of the Insurance Commissioner has exclusive authority to promulgate such rules and regulations as may be required or reasonably necessary to implement the provisions of this section.

(l) The commissioner may, in his or her reasonable discretion, make an order to:

(1) Limit an insurer's Death Master File comparisons required under subsection (a) of this section to the insurer's electronic searchable files or approve a plan and timeline for conversion of the insurer's files to searchable electronic files upon a demonstration of hardship by the insurer;

(2) Exempt an insurer from the Death Master File comparisons required under subsection (a) of this section or permitting an insurer to perform such comparisons less frequently than annually upon a demonstration of hardship by the insurer; or

(3) Phase-in compliance with this section according to a plan and timeline approved by the commissioner."

"ARTICLE 7. SECOND CHANCE DRIVER'S LICENSE PROGRAM.

§17B-7-1. Short Title.

This article is known as and may be cited as the William R. Laird IV Second Chance Driver's License Act.

§17B-7-2. Legislative findings and purpose.

(a) The Legislature finds that allowing individuals who have been unable to obtain a driver's license or to have their driver's licenses reinstated due to unpaid court costs will better enable these individuals to return to the workforce and repay unpaid court costs in a timely manner.

(b) The purpose of this article is to create a program that allows the commissioner to temporarily stay a driver's license suspension or revocation for individuals who are accepted into the second chance driver's license program if the individual thereafter remains current in the repayment of unpaid court costs as required by the program.

§17B-7-3. Definitions.

For the purposes of this article:

(1) 'Commissioner' means the Commissioner of the Division of Motor Vehicles, or his or her designee;

(2) 'Consolidated repayment schedule' means the schedule by which a participant is expected to make monthly payments for unpaid court costs consistent with the requirements of the program as established by the director;

(3) 'Court' means a municipal court, magistrate court, circuit court, family court or drug court in the State of West Virginia and the Supreme Court of Appeals of West Virginia;

(4) 'Director' means Director of the Division of Justice and Community Services, or his or her designee;

(5) 'Good standing' means compliance by a participant with the requirements of the program, as set forth in this article and legislative rules promulgated hereunder;

(6) 'Monthly payment' means the amount that a participant is scheduled to remit to the director each month pursuant to the consolidated repayment schedule;

(7) 'Participant' means a person who applies for, and is accepted into, the second chance driver's license program by the director;

(8) 'Second chance driver's license program' or 'program' means the program created under this article that establishes a payment structure for a participant to consolidate unpaid court costs into monthly payments over a defined period of time, coordinates the acceptance and distribution of monthly payments from a participant, and certifies that a participant in good standing is eligible for a temporary stay of a driver's license suspension or revocation due to certain unpaid court costs; and

(9) 'Unpaid court costs' means any fee, fine, expense, cost or other moneys that are required to be paid by a person to a court, pursuant to one or more valid court orders, and have not been paid in full.

§17B-7-4. Second chance driver's license program established; creation and administration by director; program eligibility.

(a) There is hereby established the second chance driver's license program, which shall be administered by the director pursuant to the requirements of this article.

(b) To be eligible to participate in the program, a person must:

(1) Have his or her driver's license suspended or revoked for failure to remit unpaid court costs pursuant to section three-a or section three-c, article three, chapter seventeen-b of this code;

(2) Be at least twelve months delinquent in payment of unpaid court costs to a court or courts;

(3) Not have any unpaid court costs incurred from charges that involve driving a commercial motor vehicle or which otherwise violate the commercial driver's license requirements in chapter seventeen-e of this code; and

(4) Meet other eligibility requirements established pursuant to the rules developed under section nine of this article.

§17B-7-5. Program acceptance; development of consolidated repayment schedule; no other court fee payments required.

(a) A person wishing to participate in the second chance driver's license program shall complete an application form prepared by the director.

(b) Upon receipt of a person's application, the director shall coordinate with the courts and the commissioner to verify the total amount of the applicant's unpaid court costs in the State of West Virginia at the time of the application.

(c) All courts shall provide a full accounting of all unpaid court costs assignable to the applicant within thirty days of the request of the director. The accounting shall separately identify the portion of the court costs that constitute a fine, forfeiture or penalty remaining unpaid by the applicant for each order of the court for which unpaid balances remain.

(d) Any unpaid court costs not reported to the director by a court as provided by subsection (c) of this section may not be collected separately by the court during the time in which the applicant is a participant in the program.

(e) If a participant completes the program, any unpaid court costs, except for unpaid fines, not submitted to the director pursuant to subsection (c) of this section shall be deemed waived unless the unpaid court costs were part of an order entered after the date upon which the director requested information for a participant. The driver's license suspension or revocation with respect to any unpaid fine not reported by a court shall be released upon completion of the program by the participant.

(f) Within thirty days after receipt of information concerning unpaid court costs, the director shall determine if the applicant is eligible to participate in the program. Upon determination, the director shall promptly notify the applicant of his or her acceptance into the program.

(g) Upon acceptance of the applicant as a participant in the program, the director shall develop a consolidated repayment schedule for the participant, which will require the participant to remit payments on a monthly basis to the director according to guidelines established by the director in legislative rules, subject to the following conditions:

(1) The monthly payment shall be determined based on the participant's monthly income and expenditures, but may not be less than \$50 per month; and

(2) The consolidated repayment schedule shall require full payment of the unpaid court costs within one year.

(h) The consolidated repayment schedule may be amended to reflect changes in a participant's circumstances.

(i) The director, in his or her discretion, may permit a hardship waiver of the requirements of subsection (g) of this section, upon a determination that the applicant's circumstances may have

changed, and that the objectives of this article are best accomplished if the consolidated repayment schedule requires a lesser monthly payment or a longer period of time to remit the unpaid court costs: *Provided*, That the director may not waive the total amount of unpaid court costs submitted by the courts according to subsection (a) of this section.

(j) Upon acceptance into the program, a participant in good standing with the program is under no obligation to make separate or additional payments of unpaid court costs directly to a court if those unpaid court costs are included in the consolidated repayment schedule.

§17B-7-6. Payments to be made to director; certificate of compliance; failure to comply with consolidated repayment schedule.

(a) Upon acceptance into the program and establishment of a consolidated repayment schedule, the participant shall remit monthly payments to the director in the manner prescribed by the director and in compliance with the consolidated repayment schedule.

(b) Upon receipt of the first monthly payment required by the participant's consolidated repayment schedule, the director shall issue to the commissioner, in writing or electronically, a certificate of compliance verifying the participant's good standing in the program.

(c) If a participant fails to make a monthly payment within thirty days of a deadline set by the consolidated repayment schedule, the director shall immediately issue, in writing or electronically, a certificate of noncompliance to the commissioner stating that the participant is not in good standing in the program.

(1) If a participant, after failing to make one or more timely monthly payments, remits the total amount due at that time according to the consolidated repayment schedule, the director shall issue a certificate of compliance to the commissioner stating that the participant is once again in good standing in the program.

(2) If a participant fails to make timely monthly payments in accordance with the consolidated repayment schedule on three occasions, the director shall remove the participant from the program and shall issue a program removal notice to the commissioner and applicable courts receiving payments under the program stating that the participant is no longer a participant in the program.

(d) If a participant is convicted of a subsequent criminal offense after acceptance into the program, the director shall remove the participant from the program and, upon removal, the director shall issue a program removal notice to the commissioner and applicable courts receiving payments under the program stating that the participant is no longer a participant in the program.

(e) Upon completion of all monthly payments in the consolidated repayment schedule by the participant, the director shall issue a program completion certificate to the commissioner and the court or courts to whom the participant owed unpaid court costs under the program, stating that the participant completed the program in good standing.

(f) Upon receipt of a program completion certificate by the director stating that the participant has completed the program in good standing, the court or courts whose unpaid court costs were paid according to the consolidated repayment schedule shall enter an order acknowledging payment in full of the unpaid court costs.

§17B-7-7. Stay of driver's license suspension or revocation.

(a) Upon receipt of a certificate of compliance prepared by the director, the Division of Motor Vehicles shall stay the participant's driver's license suspension or revocation for unpaid court costs: *Provided*, That the participant's drivers license shall be subject to restrictions upon where and when the participant may operate a motor vehicle during this stay of the suspension or revocation, as determined by the Commissioner.

(b) The Division of Motor Vehicles may require retesting for a driver's license for any participant who has not had a valid driver's license within the six months prior to the date of receipt of the certificate of compliance. Notwithstanding any other provision of the code to the contrary, a participant shall not be required to pay any fees to the Division of Motor Vehicles for retesting.

(c) Upon receipt of a certificate of noncompliance prepared by the director, the commissioner shall remove the stay of the participant's driver's license suspension or revocation until further notice from the director regarding the participant's status in the program.

(d) Upon receipt of a program removal notice issued by the director, the commissioner shall remove the stay of the participant's driver's license suspension or revocation.

(e) Notwithstanding any other provision of code to the contrary, no participant in the program shall be required to pay any reinstatement fees for unpaid court costs within the scope of the consolidated repayment schedule.

§17B-7-8. Second chance driver's license program account created.

There is hereby created in the State Treasury an account to be known as the Second Chance Driver's License Program Account. The account shall consist of all moneys received from individuals participating in the program. The fund shall be administered by the Division of Justice and Community Services solely for the purposes of this article. Any moneys remaining in the fund at the close of a fiscal year shall be carried forward for use in the next fiscal year. Funds in the account shall not be invested, used, withdrawn or transferred out of the account except for the purposes allowed in the provisions of this article.

§17B-7-9. Deposit of funds into account; disbursement of funds from account.

(a) The director shall deposit all money received from participants pursuant to a consolidated repayment schedule into the Second Chance Driver's License Program Account. The director shall prorate, separate and identify the portion of each payment that constitutes payment of a fine, forfeiture or penalty in accordance with the information provided to the director pursuant to subsection (c), section five of this article.

(b) After deposit of a participant's monthly payment into this account, the director shall make disbursements from this account as follows:

(1) Portions of payments identified as payment of a fine, forfeiture or penalty shall be disbursed to the courts identified in the repayment schedule;

(2) Ninety-five percent of the portions of the payments remaining after payment as required in subdivision (1) of this subsection shall be disbursed to the courts identified in the participant's consolidated repayment schedule. Courts shall accept and document these payments of ninety-five percent of the total unpaid court costs, not including court costs received pursuant to

subdivision (1) of this subsection, as payment in full of the amount owed by the participant to the court for this portion of court costs owed; and

(3) The portion of the payments remaining in the account after payment of the court costs in subdivisions (1) and (2) of this subsection may be appropriated by the Legislature to be expended for costs incurred by the director in the administration of this article.

(c) Courts that receive disbursements pursuant to subsection (b) of this section are responsible for making statutory disbursements of amounts received in satisfaction of unpaid court costs according to the requirements of the code.

§17B-7-10. Rule-making Authority.

(a) To implement the provisions of this article, the director, in consultation with the commissioner, shall promulgate emergency and legislative rules pursuant to the provisions of article three, chapter twenty-nine-a of this code, which shall include, but not be limited to, the following:

(1) The form, content and information required to be furnished in the application forms;

(4) Terms and conditions for acceptance into the program, maintenance of good standing, and completion of the program;

(5) Forms for certificates of compliance, certificates of noncompliance, program removal notice and program completion certificate; and

(6) The procedures for removal or suspension from the program.

(1) Establishing the procedures for issuing a stay of a participant's driver's license suspension or revocation; and
