1 (a) In the event any registration card or registration plate is lost, mutilated, or becomes
2 illegible the owner or legal representative or successor in interest of the owner of the vehicle for
3 which the same was issued as shown by the records of the ~~department~~ division shall immediately
4 make application for and may obtain a duplicate or a substitute or a new registration under a new
5 registration number, as determined to be most advisable by the ~~department~~ division, upon the
6 applicant furnishing information satisfactory to the ~~department~~ division.

16 representative or successor in interest of the owner of the vehicle presents a bill of sale signed by
17 both parties with a notarized affidavit by the presenter stating the validity of the bill of sale; or

18 (2) When a vehicle is at least 25 years old, the vehicle does not appear on any lists as
