ARTICLE 5. MISCELLANEOUS PROVISIONS.

§9-5-34. Periodic Verification and Removal of Deceased Medicaid Enrollees.

1 (a) The Legislature finds that regular verification of enrollee status and prompt removal of

3 Virginia's Medicaid program.

4 (b) Notwithstanding any other provision of code to the contrary, the West Virginia

9 ("HSC") and the Social Security Administration's Death Master File ("DMF") every month.

10 (c) Upon verification of an enrollee's deceased status, the BMS is required to terminate a
11 Medicaid enrollee's eligibility and cease payments for any deceased enrollee effective as of the
12 date of death.

13 (d) The BMS is authorized to enter into necessary data-sharing agreements among BMS,
14 West Virginia's Online Voucher System ("OVS"), and any relevant federal agencies to include but
15 not be limited to the Social Security Administration ("SSA").

16 (e) The West Virginia Office of Inspector General ("OIG") shall conduct annual audits of the

- 18 (f) The BMS shall provide an annual report to the Legislative Oversight Commission on
19 Health and Human Resources Accountability ("LOCHHRA") on the number of deceased enrollees
20 removed and estimated cost avoidance.
- 21 (g) This section shall take effect on July 1, 2026.

NOTE: The purpose of this bill is to require Bureau of Medical Services to verify and remove deceased Medicaid enrollees; the bill requires data matches with official death records; mandates the termination of eligibility upon proof of an enrollee's death; authorizes data-sharing agreements and annual audits; requires an annual report to the Legislature; and provides an effective date.
