24 (B) If there is more than one convention and visitor's bureau that is in compliance with the  
25 requirements of §7-18-13a of this code located within a municipality, the city council may allocate  
26 the tax authorized by this article to one or more of such bureaus in such portion as the city council  
27 in its sole discretion determines.

28 (2) Counties. — If a convention and visitor's bureau is located within a county or region and

55 subsection may expend the funds for the payment of administrative expenses, and for the direct or  
56 indirect promotion of conventions and tourism, and for any other uses and purposes authorized by  
57 this subsection.

58 (c) Permissible expenditures. — After making the appropriation required by subsection (b)  
59 of this section, the remaining portion of the net revenues receivable during the fiscal year by the  
60 county or municipality, pursuant to this article, may be expended for one or more of the purposes  
61 set forth in this subsection, but for no other purpose. The purposes for which expenditures may be  
62 made pursuant to this subsection are as follows:
