

WEST VIRGINIA LEGISLATURE

2026 REGULAR SESSION

Introduced

House Bill 4976

By Delegate Linville

[Introduced January 29, 2026; referred to the

Committee on Energy and Public Works]

1 A BILL to amend and reenact §17A-3-14e of the Code of West Virginis, 1931, as amended,
2 relating to license plates; and clarifying the requirements needed before approving
3 production of license plates.

Be it enacted by the Legislature of West Virginia:

**ARTICLE 3. ORIGINAL AND RENEWAL OF REGISTRATION; ISSUANCE OF
CERTIFICATES OF TITLE.**

§17A-3-14e. Special registration plates for organizations.

1 (a) The division may continue to issue all special registration plates to organizations issued
2 under a prior enactment of §17A-3-14 of this code.

3 (b) An organization requesting the creation and issuance of a special registration plate
4 shall make application with the division. The application shall include sufficient information, as
5 determined by the commissioner, to determine whether the special registration plate requested,
6 and the organization making the application, meet all the requirements set forth in this section and
7 legislative rule. The application shall include a proposed design, including lettering, logo, image, or
8 message to be placed on the registration plate. The commissioner shall notify the organization of
9 the commissioner's approval or disapproval of the application.

10 (c) (1) The commissioner may not begin the design or production of any license plates
11 authorized and approved pursuant to this section until the organization which applied for the
12 special registration plate has collected and submitted collectively to the division applications
13 completed by at least 100 persons of class A vehicles, or 50 persons of class G vehicles, and
14 collectively deposited with the division all fees necessary to cover the first year's basic registration,
15 one-time design and manufacturing costs, and the first year additional annual fee for all of the
16 submitted applications.

17 (2) By concurrent resolution of the Legislature, the requirement to collectively deposited
18 with the division all fees necessary to cover the first year's basic registration, one-time design, and

19 manufacturing costs may be waived for any organization.

20 (d) If the organization fails to submit the required number of applications and fees within six
21 months of the effective date of the approval of the application for the plate by the commissioner,
22 the plate may not be produced until a new application is submitted and is approved by the
23 commissioner: *Provided*, That an organization that is unsuccessful in obtaining the minimum
24 number of applications may not make a new application for a special plate until at least two years
25 have passed since the approval of the previous application of the organization.

26 (e) The division shall charge a special initial application fee of \$25 for each special license
27 plate in addition to all other fees required by this chapter. This special fee shall be collected by the
28 division and deposited in the State Road Fund.

29 (f) The division shall charge an annual fee of \$15 for each special registration plate in
30 addition to all other fees required by this chapter.

31 (g) Upon appropriate application, the division may issue a special registration plate
32 designed by the commissioner in consultation with the organization for any number of vehicles
33 titled in the name of a qualified registration plate applicant. Persons desiring the special
34 registration plate shall offer sufficient proof of membership in the organization unless the
35 organization has identified in the application that the special registration plate is desired to be
36 made available for general issuance.

37 (h) The commissioner may discontinue the issuance or renewal of the registration of any
38 special plate issued pursuant to this section if:

39 (1) The number of valid registrations for the specialty plate falls below 100 plates of class A
40 vehicles, or 50 plates of class G vehicles for at least 12 consecutive months; or

41 (2) The organization no longer exists or no longer meets the requirements of this section.

42 (i) If a new design is requested after issuance of a special registration plate, the
43 organization shall pay the costs of design and any unused material from the previous design. In
44 addition, the division shall charge a special initial application fee of \$25 for each newly designed

45 special license plate in addition to all other fees required by this chapter.

NOTE: The purpose of this bill is to clarify the requirements needed before approving production of license plates.

Strike-throughs indicate language that would be stricken from a heading or the present law and underscoring indicates new language that would be added.
