1           (a) *Legislative findings and intent.* --

2           ~~(1) The Tax Division of the Department of Revenue has approximately one hundred~~  
3   ~~vacancies. The Legislature finds that the division has long had difficulty filling positions which are~~  
4   ~~essential to efficiently and effectively administering, collecting and enforcing the tax laws of this~~  
5   ~~state. The Legislature finds that, to address this problem, the hiring and retention processes of the~~  
6   ~~division must be streamlined to effectively and efficiently meet personnel needs while still affording~~  
7   ~~applicants and employees the due process protections of classified service.~~

8           ~~(2) The ratification of the Roads to Prosperity Amendment of 2017 to the Constitution of~~

10   ~~the opportunity for in-state and out-of-state contractors to bid on road projects. The need to ensure~~

18 created multiple, redundant, inefficient, and overly complex personnel and human resources  
19 systems in several parts of state government; and

20           (2) Shifting to a centralized oversight system that includes necessary flexibility for all state  
21 departments—instead of a few favored agencies—would facilitate the streamlining of state

65 ~~positions on applicable systems, initiating public service announcements when requested by the~~  
66 ~~division, and processing necessary forms;~~

67 ~~(10) The division shall comply with all applicable record retention requirements provided~~  
68 ~~by law;~~

69           ~~(11) The division is authorized to declare any positions effectively vacant due to employee~~  
70           ~~separations, which were not processed prior to the division being placed under the wvOASIS~~  
71           ~~system, vacant and subject to being filled pursuant to the provisions of this section;~~

72           ~~(12) The division shall have the flexibility to utilize all vacant position numbers when~~  
73           ~~posting to fill a vacancy and to post vacant positions utilizing multiple classifications with~~  
74           ~~corresponding job descriptions when the commissioner determines it to be necessary and in the~~  
75           ~~best interest of the division; and~~

**CHAPTER 49. CHILD WELFARE.**

**ARTICLE 10. ELIMINATING THE BUREAU OF SOCIAL SERVICES EXEMPTION**  
**FROM ~~WEST VIRGINIA~~ THE DIVISION OF PERSONNEL.**

**§49-10-101. Legislative findings.**

1 The Legislature finds the State of West Virginia is experiencing a child welfare crisis. From  
2 2016 to 2020, the child protective service vacancy rate has increased from 9.7 percent to 33  
3 percent. This significant lack of staffing has caused a delay in response times to begin  
4 investigations. During the same time period, the average hours to start a child protective service  
5 investigation after referral went from 119.1 hours in 2016 to now averaging 428.1 hours in 2020.  
6 This significant failure to begin the investigation can and has cost lives. The Legislature finds that  
7 the Bureau for Social Services is having extreme difficulty recruiting and retaining child protective  
8 service workers, youth service workers, adult protective service workers, and other related  
9 workers, including necessary casework support personnel and managers at the county level, who  
10 assist in the provision of services to vulnerable populations.

11 (a) Legislative findings and intent. –

12           (1) The several exemptions from centralized administration of the state’s personnel have  
13 created multiple, redundant, inefficient, and overly complex personnel and human resources  
14 systems in several parts of state government; and

15           (2) Shifting to a centralized oversight system that includes necessary flexibility for all state  
16 departments—instead of a few favored agencies—would facilitate the streamlining of state  
17 government and ensure the proper management of the state executive personnel systems.

18           (b) Beginning on July 1, 2026, the Bureau for Social Service’s authority to establish a  
19 classified system for personnel administration under this article is hereby abolished and all  
20 personnel within the classified system created under this article shall be subject to the provisions  
21 of §29-6-1 et seq. of this code except that:

22           (1) Any and all job classifications, specifications, and compensation structures  
23 established, created, fixed, effective, produced, or made by the bureau, prior to July 1, 2026, by  
24 the authority granted under this section, shall transfer to the oversight and administration of the  
25 Division of Personnel; and

26           (2) Following the transfer, the Division of Personnel shall not modify the job classifications,  
27 specifications, and compensation structures created pursuant to this article prior to July 1, 2026,  
28 except with the consent of the Secretary of the Department of Human Services or as provided in  
29 §5F-2-10 of this code.

**§49-10-102. Bureau for Social Service employees exempt from Division of Personnel.**

1           [Repealed.]

**§49-10-103. Bureau for Social Service employees no requirement uniformity in pay scale.**

1           [Repealed.]

NOTE: The purpose of this bill is to streamline and simplify the state hiring system of the Division of Personnel. The bill terminates the State Personnel Board, defines the role of the director and the Division of Personnel, transfers to the Division all State Personnel Board responsibilities, eliminate Division of Personnel exemptions for the Department of Transportation, State Tax Division, and Bureau of Social Services, transferring new hires

and promoted employees within the Department of Transportation into the classified-exempt system and exempting these employees from the grievance board. This bill right-sizes state government and refocuses the Division of Personnel to broadly categorize employees, provide training to our agencies, and to act as an advocate for attracting and retaining employees.
