1 A BILL to amend and reenact §16-5V-19 of the Code of West Virginia, 1931, as amended, relating
2 to awards and benefits for duty-related disability under the Emergency Medical Services
3 Retirement Act; creating a benefit for partial disability; and defining terms.

Be it enacted by the Legislature of West Virginia:

ARTICLE 5V. EMERGENCY MEDICAL SERVICES RETIREMENT SYSTEM ACT.

§16-5V-19. Awards and benefits for disability — Duty related.

1 (a) Any member who after the effective date of this article and during covered employment:

2 (1) Has been or becomes totally or partially disabled by injury, illness, or disease; and (2) the
3 disability is a result of an occupational risk or hazard inherent in or peculiar to the services required
4 of members; or (3) the disability was incurred while performing emergency medical services
5 functions during either scheduled work hours or at any other time; and (4) in the opinion of two
6 physicians after medical examination, one of whom shall be named by the board, the member is
7 by reason of the disability unable to perform adequately the duties required of an emergency
8 medical services officer, is entitled to receive and shall be paid from the fund in monthly
9 installments the compensation set forth under either subsection (b) or (c) of this section.

10 (b) If the member is totally disabled, the member shall receive 90 percent of his or her
11 average full monthly compensation for the 12-month period preceding the member's disability or
12 the shorter period if the member has not worked 12 months. ~~(c)~~ If the member remains totally
13 disabled until attaining 65 years of age, the member shall then receive the retirement benefit
14 provided in §16-5V-16 and §16-5V-17 of this code.

15 ~~(c) If the member remains totally disabled until attaining sixty five years of age, the~~
16 ~~member shall then receive the retirement benefit provided in sections sixteen and seventeen of~~

18 average full monthly compensation for the 12-month contributory period preceding the member's
19 disability award, or the shorter period if the member has not worked 12 months. If the member

20 remains partially disabled until attaining 60 years of age, the member shall then receive the
21 retirement benefit provided in §16-5V-16 and §16-5V-17 of this code.

22 (d) The disability benefit payments will begin the first day of the month following
23 termination of employment and receipt of the disability retirement application by the Consolidated
24 Public Retirement Board.

25 (e) For purposes of this article, unless a federal law or regulation or the context clearly
26 requires a different meaning, "partially disabled" means a member's inability to engage in the
27 duties of their covered employment position by reason of any medically determinable physical or
28 mental impairment that can be expected to result in death or that has lasted or can be expected
29 to last for a continuous period of not less than 12 months. A member may be determined partially
30 disabled for the purposes of this article and maintain the ability to engage in other gainful
31 employment which exists within the state, but which ability would not enable him or her to earn
32 an amount at least equal to two thirds of the average annual compensation earned by all active
33 members of this plan during the plan year ending as of the most recent June 30, as of which plan
34 data has been assembled and used for the actuarial valuation of the plan.
