19 undercover capacity, and making available equipment, training, technical assistance and  
20 information systems for the more efficient investigation, apprehension and adjudication of persons  
21 who violate the criminal laws of this state or the United States and to assist the victims of such

27 criminal justice enforcement personnel and other state and local law-enforcement officers shall  
28 have the same jurisdiction, powers, privileges and immunities, including those relating to the  
29 defense of civil actions, as such criminal justice enforcement personnel would enjoy if actually

32 with the assisting agency.

35 lawful operational commands of the superior officers of the agency or task force to which they are  
36 assigned, but for personnel and administrative purposes, including compensation, they shall  
37 remain under the control of the assisting agency. These assigned personnel shall continue to be  
38 covered by all employee rights and benefits provided by the assisting agency, including workers'  
39 compensation, to the same extent as though such personnel were functioning within the normal

46 changed or withdrawn in writing by the head of one of the law-enforcement agencies. Upon filing,  
47 the requests or agreements may be sealed, subject to disclosure pursuant to an order of a circuit  
48 court directing disclosure for good cause. Nothing in this article shall be construed to limit the  
49 authority of the head of a law-enforcement agency or the head of campus police to withdraw from  
50 any agreement at any time.

51 (e) Nothing contained in this article shall be construed so as to grant, increase, decrease or  
52 in any manner affect the civil service protection or the applicability of civil service laws as to any  
53 criminal justice enforcement personnel, or as to any state or local law-enforcement officer or  
54 agency operating under the authority of this article, nor shall this article in any way reduce or  
55 increase the jurisdiction or authority of any criminal justice enforcement personnel, or of any state  
56 or local law-enforcement officer or agency, except as specifically provided herein.

57 (f) Nothing contained in this article shall be construed so as to authorize the permanent  
58 consolidation or merger or the elimination of operations of participating federal, state, county and  
59 municipal law-enforcement agencies, or other groups of state and local law-enforcement officers,  
60 or campus police.
