1 A BILL to amend the Code of West Virginia, 1931, as amended, by adding a new section,  
2 designated §5-16-13a, relating to firefighter health coverage; providing definitions;  
3 providing preventative cancer screening in accordance with certain guidelines; prohibiting  
4 copayment, coinsurance, or deductible requirement on certain coverage of preventive  
5 cancer screenings; and requiring counties and municipalities that offer self-insured  
6 employee health benefit plans to comply with a certain provisions.

*Be it enacted by the Legislature of West Virginia:*

## **ARTICLE 16. WEST VIRGINIA PUBLIC EMPLOYEES INSURANCE ACT.**

### **§5-16-13a. Payment of costs by employer and employee for firefighters.**

1 (a) "Professional firefighter" means an individual employed as a firefighter by a state,  
2 county, or municipal entity during the time of the individual's employment.

3 (b) This section applies to:

4 (1) Insurers and nonprofit health service plans that provide hospital, medical, or surgical  
5 benefits to individuals or groups on an expense-incurred basis under health insurance policies or  
6 contracts that are issued or delivered in the state; and

7 (2) Health maintenance organizations that provide hospital, medical, or surgical benefits  
8 to individuals or groups under contracts that are issued or delivered in the state.

9 (c) An entity subject to this section shall provide coverage to a professional firefighter for  
10 preventive cancer screenings in accordance with the latest screening guidelines issued by the  
11 international association of fire fighters.

12 (d) (1) Except as provided in subdivision (2) of this subsection, an entity subject to this  
13 section may not impose a copayment, coinsurance, or deductible requirement on coverage of  
14 preventive cancer screenings for professional firefighters as required under subsection (c) of this  
15 section.

16 (2) If an insured or an enrollee is covered under a high-deductible health plan, as defined  
17 in 26 U.S.C. § 223, an entity subject to this section may subject preventive cancer screenings for

18 professional firefighters to the deductible requirement of the high-deductible health plan.

19 (e) This section may not be construed to prohibit an entity subject to this section from  
20 providing coverages that are greater than or more favorable to an insured or an enrollee than the  
21 coverage required under this section.

NOTE: The purpose of this bill is to provide free preventative cancer screening for professional firefighters.
